The Trollope Critics N. John Hall, 1981-06-18 *Phineas Finn, the Original Classic* Anthony Trollope, 2015-05-20 Dr Finn of Killaloe in county Clare was as well known in those parts the confines that is of the counties Clare Limerick Tipperary and Galway as was the bishop himself who lived in the same town and was as much respected Many said that the doctor was the richer man of the two and the practice of his profession was extended over almost as wide a district Indeed the bishop whom he was privileged to attend although a Roman Catholic always spoke of their dioceses being conterminant It will therefore be understood that Dr Finn Malachi Finn was his full name had obtained a wide reputation as a country practitioner in the west of Ireland And he was a man sufficiently well to do though that boast made by his friends that he was as warm a man as the bishop had but little truth to support it Bishops in Ireland if they live at home even in these days are very warm men and Dr Finn had not a penny in the world for which he had not worked hard He had moreover a costly family five daughters and one son and at the time of which we are speaking no provision in the way of marriage or profession had been made for any of them Of the one son Phineas the hero of the following pages the mother and five sisters were very proud The doctor was accustomed to say that his goose was as good as any other man s goose as far as he could see as yet but that he should like some very strong evidence before he allowed himself to express an opinion that the young bird partook in any degree of the qualities of a swan From which it may be gathered that Dr Finn was a man of common sense
