References Glossary Index Vasu, Debra W. Stewart, G. David Garson, 2017-09-25 Organizational Behavior and Public Management reveals how organizational behavior enables managers to direct resources that advance the programs and policies of public and government This edition offers a public sector perspective of core topics such as communication decision making leadership management ethics motivation organizational change participation and performance appraisal Contemporary Psychology called this book skillful and comprehensive There is a need for a text like this the device of juxtaposing theory and application is a sound one The authors discuss such topics as communication decision making worker participation and total quality management organizational change management systems information computers and organization theory in public **Obesity Among Poor Americans** Patricia K. Smith, 2009-07-10 Obesity costs our society billions of dollars management a year in lost productivity and medical expenses roughly half of which the federal government pays through Medicare and Medicaid We know obesity plagues the poor more than the non poor and poor women more than poor men Poor women make up the majority of adult welfare recipients coincidence or causal connection This book investigates the controversial claim by welfare critics that public assistance programs like Food Stamps and the National School Lunch programs contribute to obesity among the poor The author synthesizes empirical evidence from an array of disciplines anthropology economics epidemiology medicine nutrition science marketing psychology public health sociology and urban planning to test this claim and to test whether other causal processes are at work With a lucid presentation that makes it a model for applying research to questions of social policy the book lays out the different hypotheses and the possible causal pathways within each The four central chapters test whether public assistance causes obesity obesity causes public assistance poverty causes both public assistance and obesity and Factor X causes both The factors in the last category that may relate to both public assistance and

obesity include stress disability and physical abuse **Evolved Emotions** Glenn Weisfeld, 2019-06-25 In Evolved Emotions Glenn Weisfeld analyzes a comprehensive list of universal emotions detailing their elicitors affects behavioral tendencies expressions visceral changes neural mediations development over the life span and presence in other species This comparative evolutionary perspective inspires respect for the ancient utility of our emotions and the specific enduring adaptive value of each one This book offers novel insights into neglected emotional behaviors such as contact comfort pain feeding disgust fatigue sleep play amorousness sex grief parental behavior anger pride and shame and humor This systematic study of universal human emotions offers a framework for understanding all voluntary human behavior including developmental personality gender and pathological differences explaining how each normal emotion serves to enhance the biological fitness of the individual **Rapunzel's Daughters** Rose Weitz, 2005-01-12 The first book to explore the role of hair in women's lives and what it reveals about their identities intimate relationships and work lives Hair is one of the first things other people notice about us and is one of the primary ways we declare our identity to others Both in our personal relationships and in relationships with the larger world hair sends an immediate signal that conveys messages about our gender age social class and more In Rapunzel's Daughters Rose Weitz first surveys the history of women's hair from the covered hair of the Middle Ages to the two foot high wildly ornamented styles of pre Revolutionary France to the purple dyes worn by some modern teens In the remainder of the book Weitz a prominent sociologist explores through interviews with dozens of girls and women across the country what hair means today both to young girls and to women what part it plays in adolescent and adult struggles with identity how it can create conflicts in the workplace and how women face the changes in their hair that illness and aging can bring Rapunzel's Daughters is a work of deep scholarship as well as an eye opening and personal look at a surprisingly complex and fascinating subject **Eugenics and the Nature-Nurture Debate in the Twentieth Century** A. Gillette, 2007-10-29 Gillette shows that the sciences of sociobiology and evolutionary psychology were undergoing rapid development in the early Twentieth century However many of the early researchers in these sciences were also eugenicists With the rise of behaviourism and the reaction against eugenics in the 1930s any scientific claims that behaviour might be influenced by heredity were suppressed for ideological reasons Reflecting 9/11 Heather Pope, Victoria Bryan, 2016-06-22 In over fifteen years the cultural and artistic response to 9 11 has been wide ranging in form and function As the turbulent post 9 11 years have unfolded years that have been shaped and characterized by the War on Terror the Patriot Act the Wars in Afghanistan and Iraq 7 7 Abu Ghraib and Guant namo Bay these texts have been commemorative and heroic have attempted to work through collective and individual traumas and have struggled with trying to represent the terrorist other Many of these earlier domestic heroic and traumatic works have so often been read as limitations in narrative This collection however challenges the language of limitation and provides re readings of earlier work but also traces the emergence of a new paradigm for discussing the artistic responses to 9 11 one that frames these narratives as dialogic self

conscious and self reflexive interventions in the responses to the attacks the initial representations of the attacks and the ever shifting social and geopolitical continuities of the 9 11 decade These texts widen the conversation about the lasting impacts of 9 11 and incorporate strands of discussion on American exceptionalism and imperialism torture and otherness whilst still remaining invested in the personal and collective traumas of the attacks The authors included here ask crucial questions about the way 9 11 is being historicized will it for example be read as a moment of rupture or epoch Will it inevitably be attached to the War on Terror or the Wars in Iraq and Afghanistan As they trace the emergent patterns of reflexivity politicization and dissent the contributions here are also implicitly invested in asking how far they extend

The Evolutionary Biology of Human Female Sexuality Randy Thornhill, Steven W. Gangestad, 2008-09-25 Research conducted in the last fifteen years has placed in question many of the traditional conclusions scholars have formed about human female sexuality Though conventional wisdom asserts that women s estrus has been evolutionarily lost Randy Thornhill and Steven W Gangestad assert that it is present though concealed Women they propose therefore exhibit two sexualities each ovulatory cycle estrus and sexuality outside of the estrous phase extended sexuality that possess distinct functions Synthesizing research in behavioral evolution and comparative biology the authors provide a new theoretical framework for understanding the evolution of human female sexuality one that is rooted in female sexuality and phylogeny across all vertebrate animals
