letters but the world at large **Mimi and Her World** Mimi Correll Cerniglia, 2010-12-07 Mimi Cerniglia's autobiography begins with the introduction of the two people who will become the parents of her two sisters and her. You will find out why furniture manufacturing in the Piedmont area of North Carolina was important in the author's life and the state of North Carolina Depression era modes of transportation and communication come alive from her excellent descriptions. Due to a family incident religion's decline and eventual rejection unfolds slowly. An annual family event helps the reader learn about the homestead of a southern family who had owned slaves. Terms used in local government remind the reader that North Carolina was one of the original thirteen colonies and was settled from east to west. Public school education in her college town was so important the citizens paid extra tax for city schools. The end of World War II brought peace time production of everything. College and an education career as well as marriage led to the birth of a son and a move to Florida. More education in North Carolina and a return to Florida for the son's education was interspersed with a new marriage. Following traveling and house building in North Carolina came death and a move back to Florida to be near her successful son and twin grandsons. Her senior years of reading writing and golf stopped due to illness. Recovery from illness and pursuit of academic endeavors concludes the book. *New York Times Saturday Book Review Supplement*, 1977 *The Oxford Companion to American Literature* James David Hart, 1948 *The Oxford Companion to American Literature* James D. Freedom's Plow Jim Fraser, Theresa Perry, 2013-10-15

Freedom's Plow is the first volume designed to provide teachers and teachers in training with the practical resources they need to make their teaching practice and classrooms more multicultural. Parts II and III present the voices and experiences of teachers from first grade to college level who are actually engaged in multicultural teaching efforts. The contributors examine what redefining their practice as multicultural has meant for their work in terms of content, pedagogy, power, and indeed their own attitudes and values. The volume concludes by focusing on the power arrangements, perspectives and personnel policies needed if schools are to emerge as truly multicultural, multiethnic democracies. *Rewriting* Christian Moraru, 2001-09-20. New York Magazine, 1975-09-01. New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea. **The World of Musicals** Mark A. Robinson, 2014-04-17. This wide-ranging two-volume encyclopedia of musicals, old and new, will captivate young fans and prove invaluable to those contemplating staging a musical production. Written with high school students in mind, *The World of Musicals: An Encyclopedia of Stage, Screen and Song* encompasses not only Broadway and film musicals but also made-for-television musicals, a genre that has been largely ignored. The two volumes cover significant musicals in easily accessible entries that offer both useful information and fun facts. Each entry lists the work's writers, composers, directors, choreographers, and cast, and includes a song list, a synopsis, and descriptions of the original production and important revivals or remakes. Biographical entries share the stories of some of the brightest and most celebrated talents in the business. The encyclopedia will undoubtedly ignite and feed student interest in musical theatre. At the same time, it will prove a wonderful resource for teachers or community theatre directors charged with selecting and producing shows.
