Interstate Commerce Commission, 1977 **The Ways of War: Idealism, Hope and Truth** Tom Kettle, Mary Sheehy Kettle, 2021-04-01 The Ways of War is Kettle's autobiographical work which is based on the letters he was sending from the battlefield to his wife Mary Kettle was one of the most brilliant figures both in the Young Ireland and Young Europe of his time Tom Kettle an Irish economist journalist barrister writer war poet soldier and Home Rule politician joined the Irish Volunteers in 1913 With the outbreak of World War I in 1914 Tom was enlisted for service in the British Army with which he was killed in action on the Western Front in the Autumn of 1916 The opening chapters of the book reveal him as a Nationalist concerned about the liberty not only of Ireland but of every nation small and great After the chapters describing the inevitable sympathy of an Irishman with Serbia and Belgium little nations attacked by two Imperial bullies comes an account of the tragic scenes Kettle himself witnessed in Belgium where he served as a war correspondent in the early days of the war The book closes with Trade or Honour an appeal to the Allies to preserve high and disinterested motives in ending the war as in beginning it and to turn a deaf ear to those political hucksters to whom gain means more than freedom Thus The Ways of War is a book not only of patriotism but of international idealism Above all it is a passionate human document the apologia pro vita sua of a soldier who died for freedom

Rae,2022-11-02 Book contains columns and observations published in various newspapers managed by Rick Rae during the course of his half century career in the business Book Review by Alice Queen of rockdalenewtoncitizen com Rick Rae loves his family and loves his cars That much is clear from a reading of his second book *A Collection of Columns* a series of personal and observational essays the native of Canada whose newspaper management career spanned some 45 years has curated from a life well lived I ve been writing columns here and there mostly internet stuff and a couple of folks noted that I ve been writing them a long time and they re right I think I started back in 1974 said Rae 84 from his home in Loganville where he lives with Penny his wife of 62 years Several people suggested I package the best of them and put them in book form So I went ahead and did it Many of the pieces in Rae s new book detail his automotive obsession he bought the first of his 75 cars when he was 14 years old and a number of vacations taken by his family But the former publisher of the Rockdale Citizen Newton Citizen and Gwinnett Daily Post also delves into a host of other subjects including some inside baseball insights on the newspaper industry his thoughts on music and other significant and not so significant life moments Published by Indiana based AuthorHouse *A Collection of Columns* is Rae s follow up to his 2011 memoir *Not Extinct Yet* in which he details his many decades in newspapers Rae said he worried that the subject matter of some of the columns might seem a bit antiquated but he moved ahead with the project Unfortunately I ve been at this so long that some of the columns are rather dated he said I love writing about personal experiences and the more I can get down on paper the better I ll like it although I m getting kind of old I guess for personal experiences Two chapters particularly amusing to Rae were written in recent years for a Canadian publication for which he once worked One concerns teaming up with a co worker who was a successful pool shark and the other involved meeting a young singer who became one of country music s most beloved stars I wrote two recollection columns for a former employer in Canada they were about getting in a pool tournament and making more money than I had selling newspaper ads and also my meeting with Harold Jenkins who would later change his name to Conway Twitty he said I love to do that kind of stuff I ve got a few of those in my background The book s final chapter was a column published in the Rockdale Citizen which by then had a companion paper in Newton County and the Gwinnett Daily Post on June 28 2006 the day he retired When asked if he had plans for any more books Rae said he s got something on the back burner that he might want to release One of my buddies in Canada who I grew up with is an author and makes a lot of money ghostwriting for Canadian politicians it seems like everybody in Canada wants to have a book out he said He suggested that I

combine my love of cars and my love of music and do some kind of book about cars and songs I've been thinking that might be a way to go. It's been in the back of my mind. One story that may well wind up in another book takes place during the time Rae managed a newspaper in the suburbs of Detroit and saw an up and coming performer that left an impression that remains today. I've never written about my times with Bob Seger when I worked in Pontiac, Mich. He said, "When I worked there every Friday we'd go across the road to a bowling alley that had a lounge and the guy playing there was Bob Seger. We'd listen to him until they shut the bar down at 2 in the morning; the whole newspaper used to come over and hear him perform."

Whitaker's Cumulative Book List, 1964 **The National Dream** Pierre Berton, 2011-06-22 In 1871 a tiny nation just four years old, its population well below the 4 million mark, determined that it would build the world's longest railroad across empty country, much of it unexplored. This decision, bold to the point of recklessness, was to change the lives of every man, woman, and child in Canada and alter the shape of the nation. Using primary sources: diaries, letters, unpublished manuscripts, public documents, and newspapers, Pierre Berton has reconstructed the incredible decade of the 1870s when Canadians of every stripe—contractors, politicians, financiers, surveyors, workingmen, journalists, and entrepreneurs—fought for the railway or against it. *The National Dream* is above all else the story of people. It is the story of George McMullen, the brash young promoter who tried to blackmail the Prime Minister; of Marcus Smith, the crusty surveyor so suspicious of authority he thought the Governor General was speculating in railway lands; of Sanford Fleming, the great engineer who invented Standard Time but who couldn't make up his mind about the best route for the railway. All these figures and dozens more, including the political leaders of the era, come to life with all their human ambitions and failings. Canada 2012 Wayne C. Thompson, 2012-08-10 This is an annually updated presentation of Canada past and present. It is broken down into sections dealing with Canada's culture, geography, people, history from New France to the constitutional debates in the late 20th century, political system including the constitution, monarchy, executive, parliament, legal and court system, federalism, and the provinces, provincial governments, parties, and elections, defense, economy, future, and bibliography. General Catalogue of Printed Books British Museum. Department of Printed Books, 1964 **The Wandering Cowboy** Rodney Bruce Sorkin, 2016-09-12 Clint Walker, a VMI-trained cavalryman and crack shot, returns to find that his father, who alone raised him on one of Kentucky's best horse farms, has passed away while Clint was absent. Clint serves in the South's finest cavalry unit, led by J. E. B. Stuart, throughout four long years of war in every major battle. Upon his return, he finds that his wife, a childhood sweetheart, died while he was away and his horse farm destroyed. This starts Clint's wandering. Serving as a peace officer and cattle rancher throughout the West, Clint battles bad men and corruption while finding love. Clint is doomed to continue wandering until he finds his one true love. For those who like action-packed westerns, *The Wandering Cowboy* will not disappoint.
