Seminary Student Writes:

The Seminary Student Writes Deborah Core, 2000-02-01 Deborah Core offers practical guidance for beginning seminary students who feel overwhelmed and under prepared to write the number and quality of papers their courses require The book begins with reflections on writing as a sacred action then addresses such practical matters as choosing and researching a topic outlining drafting and polishing a paper and using the proper format for footnotes and bibliography Also included are sample papers in MLA and Chicago styles and an overview of grammar and usage **The Congregationalist**, 1927 *Doing Theological Research* Robert W. Pazmiño, 2009-09-01 This concise introductory work explores the essentials of doing theological research and writing It is a handy companion to assist persons as they begin and pursue theological education It provides an overview of expectations that both various professors have shared and students have reported over many years as basic wisdom to foster quality theological work It is a time tested resource to guide those called to seminary study *Theological Education in a New Key* Richard L. Hester, 2025-07-31 This book begins with the story of Huckleberry Finn trying to decide whether he should turn in his friend Jim the runaway slave He believes that if he doesn't obey the god of slavery and turn Jim in he will go to hell It's a crisis that reveals the power of the culture of slavery on the inner textbook of this White boy Huck's dilemma points to the many ways this White professor explores his teaching career and his efforts to liberate theological education from the transmission of information banking education to opening the inner textbooks of students and their teachers Richard Hester uses the metaphor of inner textbook to describe what we carry within ourselves that tells us who we are what we seek where we're vulnerable and what we value He contends that effective theological education opens these inner textbooks to be read along with the prescribed texts for the course Hester gives attention to his own inner textbook the Whiteness of it and what he's learning about the Black experience *Theological Education in a New Key* aims to help students and their teachers open their inner textbooks to the story of God's dream of belonging and diversity *The Long Shadow of Emile Cailliet* Abigail Rian Evans, Clemens Bartollas, Gordon Graham, Kenneth Henke, 2011-09-23 This book aims to examine the importance of Christian philosophy in theological education through the prism of the life and teachings of Emile Cailliet The book's primary focus is on his years of teaching at Princeton Theological Seminary to which all the authors are connected This work examines Cailliet as a believer teacher scholar and philosopher Although Cailliet wrote over twenty books none of them articulated his formal position on the nature of theological education However it is clear from his teaching at seminary and his writings on philosophy especially Pascal that he saw philosophy as an integral part of seminary training We want to preserve his work because he was a seminal but neglected thinker whose influence extends from science to literature and from philosophy to spirituality and theology We believe that Emile Cailliet was one of the most influential Christians of the twentieth century We invite the reader to stand in the long shadow of Cailliet and consider how his life and thought can help us tackle some of the knotty questions that face us today *Empowering*

The Grandparenting Effect Trevecca Okholm, 2020-07-21 Whatever life gives you and wherever life takes you there is always a story Life and relationships all begin and are sustained in the context of a story This is not a how to do it right book as much as it is a book of stories personal stories from the author biblical stories and stories of ordinary grandparents and grandchildren who have been willing to share their own stories with which you may be able to identify and be encouraged in your own adventures of grandparenting This is a book for everyone that either has biological grandchildren

or has the potential to influence the lives of non biological youth and children in the role of grandparenting This is also a book for churches to consider while planning for ministry to bring generations together in meaningful interactions and in doing so to create space for generations to share their stories and share in God's overarching Story of reconciling the world one story at a time Help for the Small-church Pastor Steve R. Bierly,1995 Churches with fewer than 150 people will always be a bastion of Christianity despite today's megachurch emphasis Pastors dealing with the strengths problems and opportunities of smaller churches will value Bierly's timely guidance and encouragement Knowing what makes small churches tick helps their leaders invest time and energy wisely into the kind of growth that matters Move Over, Victoria--I Know the Real Secret Nancy Kennedy,2010-04-07 Which Everyday Idols Are Holding You Captive FOOD BUSYNESS IMAGE POSSESSIONS ACHIEVEMENT APPROVAL CONTROL PERFECTIONISM ATTENTION HAPPINESS BEING RIGHT PERFECT RELATIONSHIPS INDEPENDENCE REVENGE SELF PITY LOVE SELF RIGHTEOUSNESS Like most women you probably have a life filled with modern day idols that attempt to steal your attention and affection from God Innocent seeming idols like chocolate thighs of iron and a home that rivals Martha Stewart's Things you turn to first before turning to God when you long for comfort affirmation self worth or love You know that God is the answer to all your needs But then you have a fight with your husband and that cheesecake in the fridge starts calling your name You stay home from a women's retreat because your wardrobe is literally from the last century You desperately wish that your house or hair or kids were as nice as your friend's or anybody else's **The Living Church** ,1995 **Ecclesiastical Review ...** Herman Joseph Heuser,1959 **New Light on Old Truths** William Edward Henley II MDiv,2022-02-09 There has been much in church theology over the years that has come about as looking at the Bible as a great literary book But if we look at the Bible as a historical book how do things change And even if our theology is correct are the actions Christians and the Church engage in correct Inside we discover many instances where what many Christians believe do not match up with the Bible William also shares part of his amazing testimony inside about coming from a cessationist background to encountering God through the gifts of the Spirit **Called to Write** Edna Ellison,Linda Gilden,2014-03-03 Called to Write will inspire you to either pick up the art of writing or will affirm your calling to write for the kingdom of God Written by two award winning and widely published authors and writing coaches the book is filled with wisdom about how to keep your writing in line with the heart of God Called to Write identifies seven key competencies every author needs to be a writer on mission Two aspects of each of the seven competencies are included First authors will explore the competency through an informational chapter helping them understand the importance of staying grounded in that competency area The informational chapter is then followed up by an inspiring how to implement section making the book extremely practical Called to Write is ideal for keeping a Christian writer on track with a gospel focus in their writing Calendar Bryn Mawr College,1918
