Born in Crisis and Shaped by Controversy, Volume 2 John R. Tyson, 2023-07-27 This second installment of the Methodist story *Shaped by Controversy* examines eight of the major controversies that epitomize aspects of Methodism's inter family dialogue and trauma. These theological, ecclesial, and ethical controversies tried the values, tested the patience, and strained our familial relationships. Ultimately, they divided the Methodist movement. Ironically, controversy was often rooted in something that was good and right about the Methodist movement: a commitment to addressing what had somehow gotten out of balance and become destructive. Internal struggles over matters related to class, economic status, gender, and race shook Methodism precisely because the inclusion of all people from diverse backgrounds and walks of life was a foundational aspect of the early Methodism. Contentious controversies have revolved around matters like 1 the nature of spiritual life, faith, and good works; 2 predestination and the nature of Christian assurance of salvation; 3 the difficulties of living out Christian Perfection in a world full of imperfect people; 4 the pain and trauma of ecclesiastical separation; 5 women's leadership in the church; 6 the debilitating effects of racism and segregation; 7 governance and shared leadership; and 8 the affirmation and full inclusion of LGBTQ people. These controversies within the church family have challenged and pained Methodists deeply. They have also forced Methodists to examine their own priorities and clarify what matters most to them. How the Methodists responded to these controversies for good or for ill has shaped the identity of the Methodists as people of faith. Hopefully, both guidance and encouragement can be found in this history because the past is often like a distant mirror that reflects very clearly upon lives lived today.

Family Trouble Joy Castro, 2020-03-01

Whenever a memoirist gives a reading, someone in the audience is sure to ask: How did your family react? Revisiting our pasts and exploring our experiences, we often reveal more of our nearest and dearest than they might prefer. This volume navigates the emotional and literary minefields that any writer of family stories or secrets must travel when depicting private lives for public consumption. Essays by twenty-five memoirists including Faith Adiele, Alison Bechdel, Jill Christman, Judith Ortiz Cofer, Rigoberto Gonzales, Robin Hemley, Dinty W. Moore, Bich Minh Nguyen, and Mimi Schwartz explore the fraught territory of family history told from one perspective, which from another angle in the family drama might appear quite different indeed. In her introduction to this book, Joy Castro herself, a memoirist, explores the ethical dilemmas of writing about family and offers practical strategies for this tricky but necessary subject. A sustained and eminently readable lesson in the craft of memoir.

Family Trouble serves as a practical guide for writers to find their own version of the truth while still respecting family boundaries **Recollections and Reflections of an Old Itinerant** Henry Smith,1854 The Life and Times of Howel Harris, Esq., the First Itinerant Preacher in Wales Edward Morgan,1852
