An Index to African-American Spirituals for the Solo Voice Kathleen A. Abromeit, 1999-01-30 Spirituals were an intrinsic part of the African American plantation life and were sung at all important occasions and events This volume is the first index of African American spirituals to be published in more than half a century and will be an important research tool for scholars and students of African American history and music The first collection of slave songs appeared in 1843 without musical notation in a series of three articles by a Methodist Church missionary identified simply as c Collections that included musical notation began appearing in the 1850s The earliest book length collection of spirituals containing both lyrics and music was published in 1867 and entitled *Slave Songs of the United States* Not since the 1930s with the publication of the *Index to Negro Spirituals* by the Cleveland Public Library has an index of spirituals been compiled The spirituals are neatly organized in four indexes a title index first line index alternate title index and a topical index that includes twenty major categories A bibliography of indexed sources serves as a guide for further research *Ebony Angels*, 1996 Although belief in divine messengers and guardians is certainly not limited to people of European heritage angel books thus far have worn distinctly Euro American faces To help correct this imbalance *Ebony Angels* presents prose excerpts and poetry from such prominent African American figures as Maya Angelou Martin Luther King Jr W E B DuBois Langston Hughes Bessie Smith and others 10 illustrations *The Dial* Francis Fisher Browne, Waldo Ralph Browne, Scofield Thayer, Marianne Moore, 1926

Slave Narratives after Slavery William L. Andrews, 2011-04-25 The pre Civil War autobiographies of famous fugitives such as Frederick Douglass William Wells Brown and Harriet Jacobs form the bedrock of the African American narrative tradition After emancipation arrived in 1865 former slaves continued to write about their experience of enslavement and their upward struggle to realize the promise of freedom and citizenship *Slave Narratives After Slavery* reprints five of the most important and revealing first person narratives of slavery and freedom published after 1865 Elizabeth Keckley's controversial *Behind the Scenes* 1868 introduced white America to the industry and progressive outlook of an emerging black middle class The little known *Narrative of the life of John Quincy Adams When in Slavery and Now as a Freeman* 1872 gave eloquent voice to the African American working class as it migrated from the South to the North in search of opportunity William Wells Brown's *My Southern Home* 1880 retooled the image of slavery delineated in his widely read antebellum *Narrative* and offered his reader a first hand assessment of the South at the close of Reconstruction Lucy Ann Delaney used *From the Darkness Cometh the Light* 1891 to pay tribute to her enslaved mother and to exemplify the qualities of mind and spirit that had ensured her own fulfillment in freedom Louis Hughes's *Thirty Years a Slave* 1897 spoke for a generation of black Americans who perceiving the spread of segregation across the South sought to

remind the nation of the horrors of its racial history and of the continued dedication of the once enslaved to dignity opportunity and independence *Black Nativity* Langston Hughes,1992 The New Yorker Harold Wallace Ross,William Shawn,Tina Brown,David Remnick,Katharine Sergeant Angell White,Rea Irvin,Roger Angell,1925 Dictionary of American Young Adult Fiction, 1997-2001 Agnes Regan Perkins,2004-03-30 Young adult readers have special needs and concerns and librarians have become increasingly interested in selecting books suitable for them This reference provides information about 290 books for young adults These books received major awards between 1997 and 2001 reflect the voices of 242 different authors and range from new to familiar themes Included are nearly 750 alphabetically arranged entries for individual works authors characters and settings Many of these books were originally written for adults but have become popular among younger readers Entries for works provide plot summaries and critical assessments while author entries focus on those aspects of the writers lives most relevant to literature for young people The reference is a valuable selection tool for librarians and teachers and a useful guide for students *Crossing to Freedom* Virginia Frances Schwartz,2013-02-01 An inspiring tale of fugitive slave who finds freedom in Canada but still struggles to find a real home Eleven year old Solomon is a fugitive slave on a dangerous journey north to Canada and to freedom His young life has seen many losses his mother was sold in a slave auction when he was a baby his father escaped from the plantation and hasn't been seen in five years and now his grandfather who has been injured during the last leg of their journey to freedom and is forced to stay behind Solomon continues with their group leader but his feelings of loss and isolation haunt him as he attempts to forge a new home in Canada It soon becomes apparent that racial prejudices know no borders and while Solomon works hard and begins to experience some newfound freedoms he faces discrimination and segregation and lives with the ongoing fear of being caught by slavecatchers and dragged back to the South With all of these barriers facing him Solomon must find the strength the same strength that brought him north the same strength that gives him hope of finding his father to persevere and understand the true meaning of freedom *Multiracial Identity in Children's Literature* Amina Chaudhri,2017-02-10 Racially mixed children make up the fastest growing youth demographic in the U S and teachers of diverse populations need to be mindful in selecting literature that their students can identify with This volume explores how books for elementary school students depict and reflect multiracial experiences through text and images Chaudhri examines contemporary children's literature to demonstrate the role these books play in perpetuating and resisting stereotypes and the ways in which they might influence their readers Through critical analysis of contemporary children's fiction Chaudhri highlights the connections between context literature and personal experience to deepen our understanding of how children's books treat multiracial identity *A&R Pioneers* Brian Ward,Patrick Huber,2018-06-26 Association for Recorded Sound Collections Certificate of Merit for the Best Historical Research in Recorded Roots or World Music 2019 A R Pioneers offers the first comprehensive account of the diverse group of men and women who pioneered artists and repertoire A R work in the early
