Desjarlais, 2003-03-03 Robert Desjarlais's graceful ethnography explores the life histories of two Yolmo elders focusing on how particular sensory orientations and modalities have contributed to the making and the telling of their lives These two are a woman in her late eighties known as Kisang Omu and a Buddhist priest in his mid eighties known as Ghang Lama members of an ethnically Tibetan Buddhist people whose ancestors have lived for three centuries or so along the upper ridges of the Yolmo Valley in north central Nepal It was clear through their many conversations that both individuals perceived themselves as nearing death and both were quite willing to share their thoughts about death and dying The difference between the two was remarkable however in that Ghang Lama's life had been dominated by motifs of vision whereas Kisang Omu's accounts of her life largely involved a theatre of voices Desjarlais offers a fresh and readable inquiry into how people's ways of sensing the world contribute to how they live and how they recollect their lives **Forthcoming Books** Rose Arny, 2002 **Body and Emotion** Robert Desjarlais, 1992 Body and Emotion is a study of the relationship between culture and emotional distress an examination of the cultural forces that influence make sense of and heal severe pain and malaise In order to investigate this relationship Robert R Desjarlais served as an apprentice healer among the Yolmo Sherpa a Tibetan Buddhist people who reside in the Helambu region of north central Nepal *Subject to Death* Robert Desjarlais, 2016-06-30 A detailed insightful and at times moving ethnography of rituals around death and dying among ethnically Tibetan Hyolmo Buddhists in Nepal Choice If any anthropologist living today can illuminate our dim understanding of death's enigma it is Robert Desjarlais With Subject to Death Desjarlais provides an intimate philosophical account of death and mourning practices among Hyolmo Buddhists an ethnically Tibetan Buddhist people from Nepal He studies the death preparations of the Hyolmo their specific rituals of grieving and the practices they use to heal the psychological trauma of loss Desjarlais's research marks a major advance in the ethnographic study of death dying and grief one with broad implications Ethnologically nuanced beautifully written and twenty five years in the making Subject to Death is an insightful study of how fundamental aspects of human existence identity memory agency longing bodiliness are enacted and eventually dissolved through social and communicative practices Subject to Death Robert Desjarlais, 2016-06-30 If any anthropologist living today can illuminate our dim understanding of death's enigma it is Robert Desjarlais With Subject to Death Desjarlais provides an intimate philosophical account of death and mourning practices among Hyolmo Buddhists an ethnically Tibetan Buddhist people from Nepal He studies the death preparations of the Hyolmo their specific rituals of grieving and the practices they use to heal the psychological trauma of loss Desjarlais's research marks a major advance in the ethnographic study of death dying and grief one with broad implications Ethnologically nuanced beautifully written and

the World Yongey Mingyur Rinpoche,Helen Tworikov,2019-05-07 A rare intimate account of a world renowned Buddhist monk s near death experience and the life changing wisdom he gained from it One of the most inspiring books I have ever read Pema Chodron author of *When Things Fall Apart* This book has the potential to change the reader s life forever George Saunders author of *Lincoln in the Bardo* At thirty six years old Yongey Mingyur Rinpoche was a rising star within his generation of Tibetan masters and the respected abbot of three monasteries Then one night telling no one he slipped out of his monastery in India with the intention of spending the next four years on a wandering retreat following the ancient practice of holy mendicants His goal was to throw off his titles and roles in order to explore the deepest aspects of his being He immediately discovered that a lifetime of Buddhist education and practice had not prepared him to deal with dirty fellow travelers or the screeching of a railway car He found he was too attached to his identity as a monk to remove his robes right away or to sleep on the Varanasi station floor and instead paid for a bed in a cheap hostel But when he ran out of money he began his life as an itinerant beggar in earnest Soon he became deathly ill from food poisoning and his journey took a startling turn His meditation practice had prepared him to face death and now he had the opportunity to test the strength of his training In this powerful and unusually candid account of the inner life of a Buddhist master Yongey Mingyur Rinpoche offers us the invaluable lessons he learned from his near death experience By sharing with readers the meditation practices that sustain him he shows us how we can transform our fear of dying into joyful living Praise for *In Love with the World* Vivid compelling This book is a rarity in spiritual literature Reading the intimate story of this wise and devoted Buddhist monk directly infuses our own transformational journey with fresh meaning luminosity and life Tara Brach author of *Radical Acceptance* and *True Refuge* *In Love with the World* is a magnificent story moving and inspiring profound and utterly human It will certainly be a dharma classic Jack Kornfield author of *A Path with Heart* This book makes me think enlightenment is possible Russell Brand **The Life of Milarepa** Gtsan-smyon He-ru-ka,1977 Includes Translator s notes p 204 221

Death and Reincarnation in Tibetan Buddhism Tanya Zivkovic,2014 Contextualising the seemingly esoteric and exotic aspects of Tibetan Buddhist culture within the everyday embodied and sensual sphere of religious praxis this book centres on the social and religious lives of deceased Tibetan Buddhist lamas It explores how posterior forms corpses relics

reincarnations and hagiographical representations extend a lama's trajectory of lives and manipulate biological imperatives of birth and death. The book looks closely at previously unexamined figures whose history is relevant to a better understanding of how Tibetan culture navigates its own understanding of reincarnation, the veneration of relics, and different social roles of different types of practitioners. It analyses both the minutiae of everyday interrelations between lamas and their devotees, specifically noted in ritual performances, and the enactment of lived tradition and the sacred hagiographical conventions that underpin local knowledge. A phenomenology of Tibetan Buddhist life, the book provides an ethnography of the everyday embodiment of Tibetan Buddhism. This unusual approach offers a valuable and a genuine new perspective on Tibetan Buddhist culture and is of interest to researchers in the fields of social cultural anthropology and religious Buddhist and Tibetan studies.
