Separate Ways The Heart Of Britain:

The Great Deception Christopher Booker, Richard North, 2005-01-01 The Great Deception shows how the most ambitious political project of our time has for more than 50 years been based on a colossal confidence trick the systematic concealment from the people of Europe of what the aim of this project has always been since its inception in the late 1940s Updated to include the recent developments in Europe including the referendum and the upcoming votes in France and Holland As it reveals for the first time the true story behind the long term plan to build a politically united Europe the authors show how all previous attempts to reconstruct the history of this project whether written by Europhiles or Eurosceptics have got it wrong at almost every step along the way With all the suspense of a detective story drawing on thousands of books papers and official documents many of which have only become publicly available in the past few years the book traces how a handful of determined visionaries set out more than half a century ago to weld the countries of Europe into a single political state

The Wilson Governments 1964-1970 Reconsidered Glen O'Hara, Helen Parr, 2014-01-02 This book provides a fascinating re assessment of our view of the Wilson governments of 1964 1970 This new text draws on newly available sources across the range of British government and for the first time looks at the whole range of political and state activity This critical appraisal provides a fascinating case study of British government in action in this key period of British History This book was previously published as a special issue of the leading journal Contemporary British History It is an excellent resource for students of governance foreign policy economics and social policy

The Balancing Act Atsuko Ichijo, 2017-01-10 This is a careful examination of the historical formation of Britain and of key moments in its relations with the European powers The author looks at the governing discourses of politicians the mass media and the British people The rhetoric of sovereignty among political elites and the population at large is found to conceive of Britain's engagement with Europe as a zero sum game A second theme is the power of geographical images island Britain in feeding the idea of the British nation as by nature separate and autonomous It follows that the EU is seen as other and involvement in European decision making tends to be viewed in terms of threat This is naive as nation states are not autonomous economically militarily or politically Only pooling sovereignty can maximize their national interests Atsuko Ichijo is Senior Researcher in European Studies at Kingston University

Entangled Identities Willfried Spohn, 2016-12-05 Providing a comprehensive and comparative analysis of the way national and European identities are intertwined in old and new member states of the European Union this volume assembles nine country case studies Each country has experienced different processes of state formation nation building and democratization thus they have each developed different forms of national identity and different patterns of interaction between national and European identities The case studies illuminate the similarities and differences in how national and European identities have evolved among the nine countries Rich in empirical data the volume examines the historical entanglement of national and European collective identities and is therefore well suited for courses

on European studies including European integration and enlargement international relations and sociology **British national identity and opposition to membership of Europe, 1961-63** Robert Dewey, 2013-07-19 This book provides a comprehensive analysis of the opponents of Britain's first attempt to join the European Economic Community EEC between the announcement of Harold Macmillan's new policy initiative in July 1961 and General de Gaulle's veto of Britain's application for membership in January 1963 In particular this study examines the role of national identity in shaping both the formulation and articulation of arguments put forward by these opponents of Britain's policy To date studies of Britain's unsuccessful bid for entry have focused on high political analysis of diplomacy and policy formulation In most accounts only passing reference is made to domestic opposition This book redresses the balance by providing a more complete depiction of the opposition movement and a distinctive approach that proceeds from a low political viewpoint As such the book emphasises protest and populism of the kind exercised by among others Fleet Street crusaders at the Daily Express pressure groups such as the Anti Common Market League and Forward Britain Movement expert pundits like A J P Taylor Sir Arthur Bryant and William Pickles as well as constituency activists independent parliamentary candidates pamphleteers letter writers and maverick MPs In its consideration of a group largely overlooked in previous accounts the book provides essential insights into the intellectual structural populist and nationalist dimensions of early Euroscepticism The book will be of significant interest to both scholars and students of national identity Britain's relationship with Europe and the Commonwealth pressure groups and party politics and the trajectory of the Eurosceptic phenomenon **Euroscepticism in Contemporary British Politics** Anthony Forster, 2003-09-02 Anthony Forster argues that euroscepticism in addition to being a political stance displays the seeds of becoming a new faith Through a detailed analysis of British post war politics he shows the development of a core set of beliefs a history of persecution displays of moral rectitude in opposing Europe and the power of scepticism to change existing beliefs This challenging new history of euroscepticism will be a valuable resource for undergraduate students of politics and European studies The 1975 Referendum on Europe - Volume 1 Mark Baimbridge, 2016-11-07 Provides an analysis of the relationship between the UK and the EU treating the key overarching issues in the 1975 referendum and looking ahead to the prospect eventually of further referendums on the subjects of EMU and a European constitution **Harold Wilson and Europe** Melissa Pine, 2007-10-24 NJR BLURB IN RAW FORM The second British application to join the European Communities EC was made during Harold Wilson's second Labour government It ended in failure with French President Charles de Gaulle's veto in November 1967 This book traces the development of Britain's policy towards the EC from the veto to the end of Wilson's government in June 1970 It is based upon recently released British archival resources and begins with the puzzle of how it was possible for Edward Heath's Conservative government to open negotiations for membership just twelve days after taking office The book suggests that Wilson's earlier diplomacy was vital for the Conservatives successful negotiation of British entry by 1973 Despite the 1967

veto the Wilson government continued to focus on Western Europe to the diminution of previously important relationships with the United States the Commonwealth and the European Free Trade Association The book is focused on Wilson and examines his personal role in European policy demonstrating his control over the application his management of cabinet and his efforts to win over key European allies It suggests that a key enabling factor for the pursuit of accession was the complacency of most ministers with the exception of key foreign office ministers On the continent British diplomacy was crucial in creating an environment conducive to the eventual lifting of the French veto and success of the British application It first facilitated meaningful collaboration with some EC member states Second it prevented harmful developments in the Communities that might otherwise have made British accession more difficult Wilson was crucially important to this policy and personally strove to ensure its success Labour's defeat at the 1970 general election meant that the policy was carried to fruition by Heath and the Conservatives but Wilson's efforts paved the way to eventual British membership **Separate**

Ways Peter Shore, 2000 As the European Union gains in influence and momentum this book questions Britain's interest in European integration **Great Deception** Christopher Booker, 2005-04-28 As the European Union moves towards adopting the constitution which will mark its final emergence as a United States of Europe The Great Deception shows how the most ambitious political project of our time has for more than 50 years been based on a colossal confidence trick the systematic concealment from the peoples of Europe of what the aim of this project has always been since its inception in the late 1940s

Social and Political Theatre in 21st-Century Britain Vicky Angelaki, 2017-02-23 In a context of financial crisis that has often produced a feeling of identity crisis for the individual the theatre has provided a unifying forum treating spectators as citizens This book critically deals with representative plays and playwrights who have stood out in the UK and internationally in the post recession era delivering theatre that in the process of being truthful to the contemporary experience has also redefined theatrical form and content Built around a series of case studies of seminal contemporary plays exploring issues of social and political crisis the volume is augmented by interviews with UK and international directors artistic directors and the playwrights whose work is examined As well as considering UK stage productions Angelaki analyses European North American and Australian productions of post 2000 plays by writers including Caryl Churchill Mike Bartlett Dennis Kelly Simon Stephens Martin Crimp Debbie Tucker Green Duncan Macmillan Nick Payne and Lucy Prebble At the heart of the analysis and of the plays discussed is an appreciation of what interconnects artists and audiences enabling the kind of mutual recognition that fosters the feeling of collectivity As the book argues this is the state whereby the theatre meets its social imperative by eradicating the distance between stage and spectator and creating a genuinely shared space of ideas and dialogue taking on topics including the economy materialism debt culture the environment urban protest social media and mental health Social and Political Theatre in 21st Century Britain demonstrates that such contemporary playwriting invests in and engenders moments of performative reciprocity and spirituality so as to present the audience with

a cohesive collective experience Peter Shore Kevin Hickson, Harry Taylor, Jasper Miles, 2020-02-13 Peter Shore worked under Hugh Gaitskell serving in successive Labour Cabinets under first Harold Wilson and subsequently James Callaghan He wrote the 1964 1966 and 1970 general election manifestos for the party and stood in both the 1980 and the 1983 party leadership elections He would go on to be known as one of the Labour Party's most important thinkers He had a long political career at the upper levels of the Labour Party and was close to successive leaders Despite this he was also independent minded as evidenced by the 1976 IMF crisis and his long standing opposition to European integration As well as this key debate the authors also address crucial issues within the Labour movement from macroeconomic management to the extent to which the party can be a force for socialism This remarkable new study offers a comprehensive and timely reappraisal of the man and his record examining the context within which he operated his approach and responses to changing social and economic norms his opposition to Britain's membership of what is now the EU and how he was viewed by peers from across the political spectrum Finally it examines the overall impact of Peter Shore on the development of British politics With contributions from leading experts in the fields of political theory and from Shore's own contemporaries this book is an important new assessment of one of Labour's most interesting political thinkers in twentieth century British politics The Parliamentary Debates (Hansard). Great Britain. Parliament. House of Lords, 2000 **Anti-Catholicism in Britain and**

Ireland, 1600-2000 Claire Gheeraert-Graffeuille, Geraldine Vaughan, 2020-08-24 This edited collection brings together varying angles and approaches to tackle the multi dimensional issue of anti Catholicism since the Protestant Reformation in Britain and Ireland It is of course difficult to infer from such geographically and historically diverse studies one single contention but what the book as a whole suggests is that there can be no teleological narration of anti Catholicism its manifestations were episodic more or less rooted in common worldviews and its history does not end today

Euroscepticism, 2016-08-29 The accelerated pace of European integration since the early 1990s has been accompanied by the emergence of increasingly prominent and multiform oppositions to the process The term Euroscepticism has appeared with growing frequency in a range of political media and academic discourses Yet the label is applied to a wide range of different and occasionally contradictory phenomena Although originally associated with an English exceptionalism relative to a Continental project of political and economic integration the term Euroscepticism is now also identified with a more general questioning of European Union institutions and policies which finds diverse expressions across the entire continent This volume of European Studies brings together an interdisciplinary team of contributors to provide one of the first major multinational surveys of the growth of these Eurosceptic tendencies Individual chapters provide detailed examinations of developments in France Germany the Netherlands the United Kingdom Ireland Sweden Austria the Czech Republic Poland and Switzerland Overall the volume draws a distinctive portrait of contemporary Euroscepticism situating the phenomenon not only relative to the progress of European integration but also in relation to broader questions concerned with the

evolution of party politics and the reshaping of national identities *Keep On Keepin' On!* Mick Martin, 2025-05-27 Northern bloody soul it s been my life Two bad knees one screwed hip and a vicious dorsal bunion a messed up family bones of my arse broke but I d do it all again in a trice Eugene and Maxine s teenage romance first ignited on the dance floor but life has spun them in and out of each other s arms ever since Now Eugene spends his weekends DJing still living for the music while struggling all week to keep his Northern Soul themed discount home improvement and white goods emporium from going under Just when he thinks things couldn t possibly get worse Maxine reappears with one more request one that will change everything Their son has just gotten out of jail and he needs Eugene s help Cue Storm Liam A laugh out loud soul rich cash poor story of a dysfunctional Northern Soul family just trying to keep it together on a run down northern high street This edition of *Keep On Keepin On* was published to coincide with the run at Unit 4 5 Market Centre Crewe and subsequent UK tour in May 2025

Mussolini's Early Diplomacy Alan Cassels, 2015-03-08 In October 1922 Mussolini became the constitutional head of the Italian government by late 1926 he had imposed a Fascist dictatorship on Italy Professor Cassels who argues that Mussolini s policies in the 1930s the era of the Rome Berlin axis were foreshadowed by those of the 1920s traces the stages by which Mussolini took control of Italy s foreign relations Within the period 1922 1927 Mussolini biased against democratic states moved away from Italy s wartime alliance with Britain and France to a policy in favor of authoritarian force France became the moral rival and the Anglo Italian entente calculated to insure British good will soon cooled as Mussolini sought to realize an Italian empire in the Mediterranean basin Italy s career diplomats who at first had tried to restrain Mussolini s adventurism by 1927 were totally in the background Mussolini emerges therefore as a more radical and far less conventional Italian statesman than he is usually depicted in other historical studies Originally published in 1970 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Suez Keith Kyle, 2011-01-30 This title includes a new Foreword by WM Roger Louis On 26 July 1956 the British Empire received a blow from which it would never recover On this day Egypt s President Gamal Abdul Nasser nationalized the Suez Canal Company one of the gems of Britain s imperial portfolio It was to be a fateful day for Britain as a world power Britain France and Israel subsequently colluded in attacking Egypt ostensibly in the case of Britain and France to protect the Suez Canal but in reality in an attempt to depose Nasser The US opposition to this scheme forced an ignominious withdrawal leaving Nasser triumphant and marking a decisive end to Britain s imperial era In this the seminal work on the Suez Crisis Keith Kyle draws on a wealth of documentary evidence to tell this fascinating political military and diplomatic story Including new introductory material this revised edition of a classic work will be

essential reading for anyone interested in the history of the twentieth century military history and the end of empire

Undisciplined Heart Jane Katjavivi, 2010 When Jane Katjavivi becomes involved in London in support of change in Southern Africa she meets and marries a Namibian activist in exile Moving with him to Namibia at the time of Independence in 1990 she faces a new life in a starkly beautiful country She starts to publish Namibian writing and opens a bookshop In Windhoek she develops friendships with a group of strong independent women who have also come from other countries and are engaged in different ways to overcome the divisions of the past Over coffee drinks and food they support each other through times of happiness and sadness through juggling careers and family and through illness and death When her husband is made Ambassador to the Benelux countries and the European Union and later Berlin Jane has to build a new identity as the wife of an ambassador and come to terms with her own ill health without her friends around her to support her Set against the backdrop of the historical political and social development of newly independent Namibia *Undisciplined Heart* tells the story of Jane's love for her family friends and her adopted country in a gentle and honest way that reflects the joys and tragedies of life

Heart of Dart-ness Ned Boulting, 2018-11-29 In *Heart of Dart-ness* TV's Ned Boulting sets out to answer the forty something year old question What exactly is darts Is it a sport a freak show a side show a pantomime a riot or a party From Purfleet to Minehead Milton Keynes to Frankfurt Ned embarks on a journey back to the beginning of the modern game He tracks down some of the household names who graced childhood television screens and are still among us names such as Andy Fordham whose fifty bottles of Pils a day habit led to his near death on the oche Cliff Lazarenko whose prodigious drinking was the stuff of legend even among his not exactly abstemious peer group Phil Taylor the greatest of all time as well as the Europeans Michael van Gerwen and Raymond van Barneveld Is it entertainment or exploitation To answer that question as well as every other he learns that all roads lead to the *Heart of Dart-ness* and the biggest character the game has ever produced Eric Bristow Perhaps darts is after all just exactly what it sets out to be an anti sport sport a two fingered salute to the establishment a piss up in a brewery the ultimate escape The best night out
