

Septimius Severus The African Emperor

Anthony Richard Birley

Septimius Severus The African Emperor:

Septimius Severus Anthony R Birley,2002-06-01 In this the only biography of Septimius Severus in English Anthony R Birley explores how Roman or otherwise this man was and examines his remarkable background and career Severus was descended from Phoenician settlers in Tripolitania and his reign AD 193 211 represents a key point in Roman history Birley explores what was African and what was Roman in Septimius background given that he came from an African city He asks whether Septimius was a typical cosmopolitan bureaucrat a new Hannibal on the throne of Caesar or principle author of the decline of the Roman Empire Septimius Severus Anthony Richard Birley,1999 In this the only biography of Septimius Severus in English Anthony R Birley explores how Roman or otherwise this man was and examines his remarkable background and career Severus was descended from Phoenician settlers in Tripolitania and his reign AD 193 211 represents a key point in Roman history Birley explores what was African and what was Roman in Septimius background given that he came from an African city He asks whether Septimius was a typical cosmopolitan bureaucrat a new Hannibal on the throne of Caesar or principle author of the decline of the Roman Empire *Septimius Severus* Anthony Richard Birley,1989 *The African Emperor* Anthony Birley,1988 Septimus Severus was descended from Phoenician settlers in Tripolitania North Africa and was emperor of Rome AD 193 211 Using archaeological discoveries from the 1960s onwards together with literary sources the author shows how African and Roman this man was and explores the meaning of his background and career **Septimius Severus** Anthony Birley,1972 The African Emperor Simon Elliott,2025-09-11 Septimius Severus was Rome s black emperor Born in the blistering heat of a North African spring in Leptis Magna AD 145 he died in the freezing cold of a northern British winter in York in AD 211 A giant of an emperor whose career can be counted in superlatives Severus was in power at the height of Rome s might He led the largest army to ever campaign in Britain comprising 50 000 men part of a Roman military establishment which peaked at 33 legions under his rule Born into the richest family in the richest part of the Roman Empire Severus monumentalised his rule across the empire He visited and often fought in every region Where he did he left a mighty legacy in the built environment for example in Rome where much of the Forum Romanum and most of the imperial palaces are Severan In North Africa his hometown of Leptis Magna is all Severan as are the Roman cities at the Atlas mountains In London the land walls that still define the City s Square Mile were delineated under his rule Visitors to the under croft at York Minster can stand where he died Septimius Severus was one of the greatest warrior emperors a hard man who almost died in battle several times and whose attitude is reflected in his deathbed advice to two sons Be of one mind with your family enrich the soldiers and despise the rest **Emperor Septimius Severus** Ilkka Syväne,2023-05-31 One ancient source called Severus the most warlike of all men who had lived up to that moment in time The rise of Septimius Severus to power started the dominance of the military in Roman affairs and it was because of this that Septimius s advice for his sons was nothing less than Be harmonious enrich the soldiers and scorn all other men Ilkka Syvanne explains in detail

how the African Septimius Severus achieved his position how he won his wars and battles and how he used his newly gained power to secure his family's position He reveals how he reformed the state and its military and how he used these remodeled forces in wars of conquest to prove his worth as emperor to both the soldiers and the populace This biography offers the first complete overview of the policies events and military campaigns of Severus' reign in the fullest detail allowed by the sources It also explains how and why these contributed to the military crisis of the third century and discusses the legacy he left for his son Caracalla who followed him in both his good and bad traits *Septimius Severus and the Roman Army* Michael Sage, 2020-06-30 The assassination of Emperor Commodus in 192 sparked a civil war Septimius Severus emerged as the eventual victor and his dynasty the Severans ruled until 235 He fought numerous campaigns against both internal rivals and external enemies extending the Empire to the east adding Mesopotamia the south in Africa and the north beyond Hadrian's Wall The military aspects of his reign including his reforms of the army are the main focus of this new study After discussing his early career and governorship of Pannonia Michael Sage narrates his war with Pescennius Niger the siege of Byzantium and the campaign in northern Mesopotamia that added it as a province The much more difficult campaign against Clodius Albinus in Gaul is also studied in detail as is that in North Africa The narrative concludes with an account of the last campaign in Britain and Severus' death The final chapters analyze Septimius' reforms of the army and assess their impact on events of the next seventy years until the accession of Diocletian His greatest weakness was his love for his family Like Marcus Aurelius he loved his children too much They failed to maintain what he had bequeathed them **Septimius Severus** Yāsāmīn Zahrān, 2000 Septimius Severus was one of the most unusual and colorful emperors in the history of the Roman Empire Born in Leptis Magna today's Libya he was the first truly African ruler of Rome He brought the empire to the peak of its power and founded the mighty Severan dynasty of soldier emperors He died alone and exhausted in AD 211 In this meticulously researched biography Yasmine Zahran tells the emperor's life story as a first person memoir dictated from his bed The result is an intriguing narrative of the life of a remarkable man Storming The Heavens Antonio Santosuosso, 2018-03-09 In the closing years of the second century B C the ancient world watched as the Roman armies maintained clear superiority over all they surveyed But social turmoil prevailed at the heart of her territories led by an increasing number of dispossessed farmers too little manpower for the army and an inevitable conflict with the allies who had fought side by side with the Romans to establish Roman dominion Storming the Heavens looks at this dramatic history from a variety of angles What changed most radically Santosuosso argues was the behavior of soldiers in the Roman armies The troops became the enemies within their pillage and slaughter of fellow citizens indiscriminate their loyalty not to the Republic but to their leaders as long as they were ample providers of booty By opening the military ranks to all the new army abandoned its role as depository of the values of the upper classes and the propertied Instead it became an institution of the poor and drain on the power of the Empire Santosuosso also investigates other topics such as the monopoly of military power

in the hands of a few the connection between the armed forces and the cherished values of the state the manipulation of the lower classes so that they would accept the view of life control and power dictated by the oligarchy and the subjugation and dehumanization of subject peoples whether they be Gauls Britons Germans Africans or even the Romans themselves

Emperors and Usurpers in the Later Roman Empire Adrastus Omissi, 2018-06-18 One of the great maxims of history is that it is written by the victors and nowhere does this find greater support than in the later Roman Empire Between 284 and 395 AD no fewer than 37 men claimed imperial power though today we recognize barely half of these men as legitimate rulers and more than two thirds died at their subjects hands Once established in power a new ruler needed to publicly legitimate himself and to discredit his predecessor overt criticism of the new regime became high treason with historians suppressing their accounts for fear of reprisals and the very names of defeated emperors chiselled from public inscriptions and deleted from official records In a period of such chaos how can we ever hope to record in any fair or objective way the history of the Roman state Emperors and Usurpers in the Later Roman Empire is the first history of civil war in the later Roman Empire to be written in English and aims to address this question by focusing on the various ways in which successive imperial dynasties attempted to legitimate themselves and to counter the threat of almost perpetual internal challenge to their rule Panegyric in particular emerges as a crucial tool for understanding the rapidly changing political world of the third and fourth centuries providing direct evidence of how in the wake of civil wars emperors attempted to publish their legitimacy and to delegitimize their enemies The ceremony and oratory surrounding imperial courts too was of great significance used aggressively to dramatize and constantly recall the events of recent civil wars the narratives produced by the court in this context also went on to have enormous influence on the messages and narratives found within contemporary historical texts In its exploration of the ways in which successive imperial courts sought to communicate with their subjects this volume offers a thoroughly original reworking of late Roman domestic politics and demonstrates not only how history could be erased rewritten and repurposed but also how civil war and indeed usurpation became endemic to the later Empire

The Eastern Roman Empire under the Severans Julia Hoffmann-Salz, Matthäus Heil, Holger Wienholz, 2024-06-17 The year of the four emperors in AD 193 shows the cosmopolitan interconnectedness of the Roman Empire yet scholarship has long framed the Severan dynasty in a narrative of descent stressing their North African and in particular their Syrian origins The contributions of this volume question this conventional approach and instead examine more closely actual Severan policy in the Near East to detect potential local connections that determined this policy as well as how local communities and elites reacted to it The volume thus explores new beginnings and old connections in the Roman Near East

Encyclopedia of Blacks in European History and Culture Eric Martone, 2008-12-08 Blacks have played a significant part in European civilization since ancient times This encyclopedia illuminates blacks in European history literature and popular culture It emphasizes the considerable scope of black influence in and contributions to European culture The first blacks arrived in

Europe as slaves and later as laborers and soldiers and black immigrants today along with others are transforming Europe into multicultural states This indispensable set expands our knowledge of blacks in Western civilization More than 350 essay entries introduce students and other readers to the white European response to blacks in their countries the black experiences and impact there and the major interactions between Europe and Africa the Caribbean and the United States that resulted in the settling of blacks in Europe The range of information presented is impressive with entries on noted European political literary and cultural figures of black descent from ancient times to the present major literary works that had a substantial impact on European perceptions of blacks black holidays and festivals the struggle for civil equality for blacks the role and influence of blacks in contemporary European popular culture black immigration to Europe black European identity and much more Offered as well are entries on organizations that contributed to the development of black political and social rights in Europe representations of blacks in European art and cultural symbols and European intellectual and scientific theories on blacks Individual entries on Britain Spain Portugal France Italy Germany the Netherlands Russia Central Europe Scandinavia and Eastern Europe include historical overviews of the presence and contributions of blacks and discussion of country's role in the African slave trade and abolition and its colonies in Africa and the Caribbean Suggestions for further reading accompany each entry A chronology resource guide and photos complement the text

Ancient Greece and Rome Keith Hopwood, 1995 Sir Thomas Fairfax not Oliver Cromwell was creator and commander of Parliament's New Model Army from 1645 to 1650 Although Fairfax emerged as England's most successful commander of the 1640s this book challenges the orthodoxy that he was purely a military figure showing how he was not apolitical or disinterested in politics The book combines narrative and thematic approaches to explore the wider issues of popular allegiance puritan religion concepts of honour image reputation memory gender literature and Fairfax's relationship with Cromwell Black Tom delivers a groundbreaking examination of the transformative experience of the English revolution from the viewpoint of one of its leading yet most neglected participants It is the first modern academic study of Fairfax making it essential reading for university students as well as historians of the seventeenth century Its accessible style will appeal to a wider audience of those interested in the civil wars and interregnum more generally

Dissertations on the prophecies, which have remarkably been fulfilled ... The ninth edition Thomas NEWTON (Bishop of Bristol.), 1826

Dissertations on the Prophecies Thomas Newton, 1827

Encyclopedia of Women in the Ancient World Joyce E. Salisbury, 2001-05-16 An extensive and fascinating collection of stories featuring both famous and everyday women giving a well rounded view of the lives of women in the ancient world When did women first become rulers athletes soldiers heroines and villains They always were observed historian Judith Salisbury From Mesopotamian priestesses and poets to Egyptian queens and consorts there was never a time when women did not participate in all aspects of society Salisbury tells the stories of 150 women from the ancient world ranging from the very famous such as Cleopatra VII immortalized by Hollywood to the barely remembered such as the Roman

poet Nossis Writing for a general audience Salisbury begins by painting each woman into her historical context then recounts each woman s story describing the choices she made as she looked for happiness wealth power or well being for herself and her family stories much like our own In entries on general themes clothing cosmetics work sexuality prostitution gynecology Salisbury analyzes the commonalties in the lives of these women of antiquity from a cross cultural perspective *Perpetua* Barbara K. Gold,2018-09-17 Perpetua was an early Christian martyr who died in Roman Carthage in 203 CE She has attracted great interest for her narrative written in prison just before she went to her death in the amphitheater Her story is steeped in mystery and every aspect of her life and death has generated much controversy **Italy Illuminated** Biondo Flavio,2005 Biondo Flavio was a pioneering figure in the Renaissance discovery of antiquity and popularized the term Middle Age to describe the period between the fall of the Roman Empire and the revival of antiquity in his own time Italy Illuminated is a topographical work exploring the Roman roots of Italy **Conflict in Ancient Greece and Rome** Sara Elise Phang,Iain Spence Ph.D.,Douglas Kelly Ph.D.,Peter Londey Ph.D.,2016-06-27 The complex role warfare played in ancient Greek and Roman civilizations is examined through coverage of key wars and battles important leaders armies organizations and weapons and other noteworthy aspects of conflict Conflict in Ancient Greece and Rome The Definitive Political Social and Military Encyclopedia is an outstandingly comprehensive reference work on its subject Covering wars battles places individuals and themes this thoroughly cross referenced three volume set provides essential support to any student or general reader investigating ancient Greek history and conflicts as well as the social and political institutions of the Roman Republic and Empire The set covers ancient Greek history from archaic times to the Roman conquest and ancient Roman history from early Rome to the fall of the Western Roman Empire in 476 CE It features a general foreword prefaces to both sections on Greek history and Roman history and maps and chronologies of events that precede each entry section Each section contains alphabetically ordered articles including ones addressing topics not traditionally considered part of military history such as noncombatants and war and gender followed by cross references to related articles and suggested further reading Also included are glossaries of Greek and Latin terms topically organized bibliographies and selected primary documents in translation
