Sermon Outlines On The Psalms:

Sermon Outlines on the Psalms John Phillips, 2012-03-05 Effective sermon exposition is based not only on the preacher's understanding of the text of Scripture but also upon a clear and concise communication of that meaning to God's people. A clear and concise outline is indispensable for communicating with confidence and conviction. **Preaching and Teaching Outlines from the Psalms** Dr. Tom Wallace, 2001 These outlines give preachers and teachers an insider's look into the beloved Book of Psalms. Each chapter is complete in itself and ready for your own presentation but when read consecutively you will have dozens of Sunday sermons and studies to present to your people from publisher description. **Sermon Outlines on the Psalms** Charles R. Wood, 1985-12-01 *Sermon Outlines on Selected Psalms* Charles R. Wood, 2000-01-03 The busy pastor, Bible student, or teacher will find many seeds in these outlines that can lead to sermons or lessons filled with a deeper understanding of the truth of God's Word. *The Book of Psalms* Al Bryant, These sermon outlines on various topics were chosen for their strong scriptural support and solid expository structure. They will enhance pulpit ministry and encourage those in the pew. **Preaching Through the Psalms** C. H. Spurgeon, Barry L. Davis, 2013-04-16 In the estimation of many preachers down through the years, Charles H. Spurgeon is the greatest preacher to ever stand behind a pulpit in the post New Testament era. The massive volume of his sermon material is itself astounding and without compare, but when you consider the content of his messages, he stands head and shoulders above the rest. Spurgeon was a preacher's preacher, and those of us who stand behind the sacred desk would do well to learn from him. Spurgeon would join the Apostle Paul in exhorting us to Preach the word, be instant in season, out of season; reprove, rebuke, exhort with all long suffering and doctrine. For the time will come when they will not endure sound doctrine, but after their own lusts shall they heap to themselves teachers, having itching ears. And they shall turn away their ears from the truth and shall be turned unto fables. 2 Timothy 4:2-4 KJV. We have compiled this wonderful collection of sermon outlines and preaching tips on the Psalms to help you do exactly that. Contained in the following pages, you will find the sermon material that Spurgeon himself found most useful to those in ministry. It was originally a part of Spurgeon's vast commentary on the Psalms, *The Treasury of David*. We have taken all of the sections specifically designed to help preachers and put it in this one extremely practical volume. If you are preaching on one Psalm, doing a series through the Psalms, or merely wanting to learn more about the Psalms, this will become your most valuable resource. There is more material here for preaching on the Psalms than any other book that I am aware of. Please feel free to use any of the following material in your preaching or teaching ministry. Use it as is or feel free to adapt it to your own style. **Sermon Outlines on the Psalms** Alexander MacLaren, 1966 *Sermon Outlines on the Psalms* Derl G. Keefer, 2002 Sermons for the busy pastor needing a place to start in sermon preparation or additional thoughts to add substance to Sunday's message. Each book in the series provides 25 to 30 outlines. While these outlines are designed to be used in series preaching, most can be adapted for stand-alone sermons. Every sermon outline is directed to the

needs of today's congregants to challenge, inspire and motivate to service for Christ and His Kingdom. As the pastor develops these outlines through further research and personal illustrations, the resulting sermons will become effective channels for spiritual life and growth.

Preaching Christ from Psalms Sidney Greidanus, 2016-11-10 In this penultimate volume of his series on preaching Christ from the Old Testament, Sidney Greidanus offers expert guidance for busy pastors on preaching Christ from Psalms. Beginning with a general introduction on how pastors can interpret and preach from the biblical psalms and why they should, Greidanus proceeds by discussing twenty-two psalms in the Revised Common Lectionary Year A, supplying the building blocks necessary to preach from Psalms at Christmas, Easter, Pentecost and other major days and seasons of the church year. In addition to laying out basic homiletical, theological approaches suitable for each selected psalm, these chapters also provide verse-by-verse exposition, bridges to Christ in the New Testament and ideas for placing the psalmist's words into contemporary context.
