Sermons From The Parables:

The Waiting Father Helmut Thielicke, 2015-03-26 The Waiting Father is a collection of sermons by Helmut Thielicke the great German preacher and theologian which offer deep insights into the spiritual message of Jesus's fifteen major parables. They were originally preached in Michaelskirche Hamburg in the mid 1950s. Thielicke approaches the parables in novel ways. In treating the prodigal son for instance he concentrates more on the loving father than the rebellious son emphasising the centrality of forgiveness. Similarly when discussing the pharisee and the publican he shows that the publican is guilty of spiritual pride and arrogance drawing attention to the dangers for the faithful. Both among expositions of the parables and among books for preachers The Waiting Father stands in a class of its own. Great scholars are usually poor preachers and great scholars are rarely good preachers but Thielicke manages to combine distinguished scholarship with fine preaching.

What are You Waiting For? Mark Trotter, 1992 Part of the Protestant Pulpit Exchange this book contains popular preaching material on 10 of Jesus' parables as found in the Gospel of Matthew. Trotter says that the single most important assumption for contemporary preaching on the parables is that parables are metaphors a means to see something we do not yet have the eyes to see. Parables ought to do for us what they did for those who first heard them. *Howard Thurman*

Speaking Parables David Buttrick, 2000-01-01 David Buttrick provides an introduction to the parables with a discussion of particular homiletical issues preachers face in interpreting parables. Speaking Parables includes commentary on thirty three different parables with suggestions for preaching each one. *Outlines on the Parables of Jesus (Sermon Outline Series)* Croft M. Pentz, 1980-07-01 Perfect for a preaching series on the parables Jesus told this handy book can also be used by Sunday school teachers and speakers.

The Parables of Jesus Richard Gribble, 1998 Narrative or story preaching has called attention to Jesus' parables since many of those parables are stories. Is there a preacher especially one who uses the lectionary who does not preach on a parable from time to time? This book conducts an exegesis of scripture provides context for each passage suggests contemporary applications with questions that challenge and gives preachers sample openings for the composition of a sermon homily. Richard Gribble CSC the author of six books and over 100 articles is an assistant professor of history at Stonehill College in North Easton Massachusetts. He has earned degrees from the United States Naval Academy the University of Southern California and the Jesuit School of Theology at Berkeley. In 1995 he earned his Ph.D. from The Catholic University of America. A Roman Catholic priest Gribble served at St John Vianney Parish in Goodyear Arizona from 1988 through 1991. **Preaching the Parables** John R. Brokhoff, 1987-06 The parables of Jesus are timeless stories and with the current popularity of narrative preaching the parables are a familiar topic in the contemporary pulpit. But preaching on the parables is not as easy as it looks at first glance. Should we simply tell the parable in our own words and let it stand on

its own feet or is its lesson most effectively communicated by constructing a sermon around the central theme Or should the preacher spiritualize the parable by probing for allegorical meaning Master homiletician John Brokhoff aids preachers in answering these key questions with rigorous and enlightening background information on parables from Mark and John appearing in Cycle B of the Revised Common Lectionary He offers not only exegesis and interpretation for each passage but also rich material for sermon development suggested outlining approaches and preaching illustrations Parables included are The Doorkeeper Mark 13 32 37 The Good Shepherd John 10 11 18 The True Vine John 15 1 8 A Strong Man Mark 3 20 25 The Miracle Seed Mark 4 26 34 Bread To Eat John 6 35 41 51 Eat The Bread John 6 51 58 A popular preacher teacher and writer John R Brokhoff served as Professor of Homiletics at Candler School of Theology Emory University from 1965 to 1979 Prior to that he pastored Lutheran congregations in Virginia Georgia North Carolina and Pennsylvania Brokhoff is the recipient of the George Washington medal from the Freedom Foundation of Valley Forge Pennsylvania and is the author of many CSS titles including This You Can Believe and Pray Like Jesus *The Parables* Paul Simpson Duke, 2005 Another book on the parables Why Because Paul Duke hears possibilities for preaching the parables that the rest of us miss Duke makes preliminary observations sketches historical context pursues literary structure pauses over how details of the text would fall on the ears of ancient listeners and offers reflections for preaching This book would be an ideal basis for a sermon series

The Parables of Jesus James Montgomery Boice, 1983 Some sections of the Bible give us grand theology Some move us to grateful responses to God But the parables break through mere words and make us ask whether there has indeed been any real difference in our lives In this beloved classic James Boice takes us systematically through the parables of Jesus grouping them into five categories parables of the kingdom salvation wisdom and folly the Christian life and judgment In each section Boice brings Jesus words to bear on life today Through his careful study and clear explanation of each parable born from a sermon series he preached at the Tenth Presbyterian Church in Philadelphia where he pastored for 32 years he helps us understand just what Jesus meant and how our hearts and lives ought to respond Jesus parables are memorable for a reason Discover their power for yourself

that we were but carrying out the wishes of a highly esteemed but departed friend Dr Davidson re wrote six sermons for the press numbered in the following series as XIII XIV XV XX XXIII and XXIV and though we re copied them they are here published just as he left them excepting such corrections as an author would make in a final revision of his own manuscript In preparing the other twenty sermons for publication we have necessarily made some changes and we deem it proper to state what these are We have occasionally omitted single words parts of sentences and though very seldom whole sentences We have occasionally exchanged words for others and reconstructed sentences Sometimes we have had to develop a figure which was merely noted in the MS We have written out small portions of a few of the sermons from the author s notes Yet the changes we have made do not affect the integrity or peculiarities even of the language About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
