Charles G. Finney, 2018-01-17 Excerpt from Sermons on

Gospel Themes These sermons were preached by Pres Finney at Oberlin during the years 1845 1861 and reported from his lips by myself In taking these reports I aimed to give the heads of the sermons and all the important statements verbatim to retain always the substance Of thought and especially to seize upon the illustrations and present their essential points Taken down in a species Of short hand they were subsequently written out and in every case read to Pres Finney in his study for any corrections he might desire and for his endorse ment Consequently these reports present truthfully the great doctrines preached and in good measure it is believed the method and manner Of his preaching About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Sermons on Gospel Themes* Charles G Finney, 2022-05-02 All Christians and sinners should understand that the whole plan is complete They should understand that the whole of Christ His character His work His atoning death and His ever living intercession belongs to each and every person and simply needs to be accepted There is a full ocean of it There it is You can just as well take it as not You are invited and urged to drink and to drink abundantly This ocean supplies all your need As the Scriptures say He is of God made unto us wisdom righteousness sanctification and redemption 1 Corinthians 1 30 What do you need Wisdom Here it is Righteousness Here it is Sanctification Here you have it It is all in Christ Can you possibly think of anything needful for your salvation moral purity or your usefulness that is not here in Christ Nothing All is provided here But salvation to be real and available must be salvation from sin A religion that does not break the power of sin is a lie If it does not drive out selfishness and lust and if it does not bring about love to God and man joy peace and the fruit of the Spirit it is false and worthless It can be of no use That which does not bring about in us the spirit of heaven and make us godly no matter where it comes from or by what deception it is defended is a lie and if it is fled to as a refuge it is a refuge of lies If it does not produce a heavenly mind expel a worldly mind and detach us from the love of the world it is a lie If it does not produce in us the love required in the Scriptures genuine love and worship of God and also love for His people if it does not produce all those states of mind that fit the soul for heaven then it completely fails of its purpose Few preachers in any age have surpassed Charles Finney in clear and well defined views of conscience and of man s moral convictions Not many have

distinguished the true from the false more closely or have been more skillful in putting their points clearly and prudently Therefore these sermons under God were full of spiritual power

Let the Gospels Preach the Gospel Christopher J. H. Wright, 2017-01-14 Preaching about the cross of Christ is one of the greatest privileges and responsibilities any preacher can have The four Gospel writers who wrote about the cross of Christ and the events leading up to it did so in their own unique way Each interpreting the events through the lens of different Old Testament Scriptures and each emphasising different themes Based on his own sermons preached over a number of years at All Souls Church in London Christopher Wright explores the rich variety and lets the four Gospels preach the Gospel in their own way This is an excellent resource for preachers which is further enriched by the final chapter that provides a personal commentary on how Wright prepared each of the sermons

The Progress of the Gospel, a Theme of Christian Joy. A Sermon, Etc Joshua BRYAN, 1811 How to Prepare Sermons and Gospel Addresses William Evans, 2018-10-16 This volume is not an attempt to present a complete and exhaustive treatment on Homiletics the science and art of preaching for there are already on the market larger and more comprehensive works on the subject This book is

prepared not only for theological students but also to supply the need of such as find themselves denied the privileges of a regular ministerial training but who nevertheless feel themselves called upon to preach or proclaim the gospel of the Lord Jesus Christ Indeed the lectures herein printed are in substance the same as delivered to young men and women preparing themselves for Christian service in a Bible training school This fact accounts for their conversational style which the author has not deemed wise to change Christian laymen even though not preachers in the accepted sense of that term desiring to be able to prepare brief gospel addresses and Bible readings will find the help they need in this volume Those seeking help in the preparation of talks for young peoples societies conventions leagues etc may receive hints and suggestions in this work The book contains theory and practice Part One deals with the method of constructing various kinds of sermons and Bible addresses Part Two is composed of outlines illustrating Part One The closing chapter on Illustrations and Their Use has been found so helpful wherever delivered that it is thought advisable to give it a place in this volume WILLIAM EVANS **The sermon Bible [extr. from sermons on the Bible by various authors]**, 1888 **Sermon Outlines on Great Doctrinal Themes (Wood)** Charles R. Wood, **Sermons for the Christian Year** John Keble, 2004 Sermons for the Christian Year is a selection of sermons by John Keble a friend and colleague of Newman and an influential figure in the Oxford Movement that rediscovered the Catholic roots of Anglicanism The sermons all preached after 1836 when Keble retired from the academic life of Oxford to pastoral work in the country parish of Hursley in Hampshire span the liturgical year Most importantly they are marked by the acute pastoral sense that made Keble beloved and influential in his own day and by his passionate desire that the simplest members of his parish embrace in full the life of Christian holiness The introductory essay by Maria Poggi Johnson sets the sermons in the context of Keble's career and the history of Victorian religion and outlines the main themes of Keble's thought and suggests some ways in which the sermons are relevant to the contemporary Christian or student of religion **The Sermon Bible: Acts vii to I Corinthians xvi**, 1900 Preaching in the new age, 6 lectures Albert Josiah Lyman, 1902 **The Sermon Bible**, 1900
