Thomas Watson,2023-02-13 Reprint of the original The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost Exploitation as Domination Nicholas Vrousalis,2023 Exploitation is a globally pervasive phenomenon Slavery serfdom and the patriarchy are part of its lineage Temporary and sex workers commercial surrogacy precarious labour contracts sweatshops and markets in blood vaccines or human organs are some contemporary manifestations of exploitation What makes these exploitative transactions unjust And is capitalism inherently exploitative This book offers answers to these two questions Nicholas Vrousalis argues that exploitation is a form of domination self enrichment through the domination of others On the domination view exploitation complaints are not fundamentally about harm coercion or unfairness Rather they are about who serves whom and why Exploitation in a word is a dividend of servitude the dividend the powerful extract from the servitude of the vulnerable Vrousalis claims that this servitude is inherent to capitalist relations between consenting adults whereby capital is monetary control over the labour capacity of others It follows that capitalism the mode of production where capital predominates is an inherently unjust social structure *Over the Threshold* Christine Daniels,Michael V. Kennedy,2014-04-08 *Over the Threshold* is the first in depth work to explore the topic of intimate violence in the American colonies and the early Republic The essays examine domestic violence in both urban and frontier environments between husbands and wives parents and children and masters and slaves This compelling collection puts commonly held notions about intimate violence under strict historical scrutiny often producing surprising results
