Photograph of Horatio Herbert Kitchener, 1st Earl Kitchener

Field Marshal Horatio Herbert Kitchener, 1st Earl Kitchener, was a senior British Army officer and colonial administrator of Irish origin. Kitchener rose to prominence due to his participation in the Second Boer War, a conflict fought between the British Empire and the two Boer Republics over the Empire's influence in Southern Africa, and his pivotal role in the early stages of the First World War. Kitchener made a critical contribution to the eventual Allied victory by anticipating a long war and creating Britain's first mass army. Still, the expanding nature of the conflict burdened him with an overwhelming workload that undermined his performance as Secretary of State for War.

Life of Lord Kitchener Sir George Arthur, 2013-09. This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book without typos from the publisher. Not indexed. Not illustrated. 1920 edition. Excerpt: CHAPTER XIV Kitchener's delicate duty during the latter months of 1884 was to keep up communication with Gordon whose rather fretful messages more than excusable under the strain and sense of desolation made difficulties a little more difficult. Gordon for instance curiously failed to make allowance for the risks and chances to which the messengers and missives were exposed. Thus September 24 he complains that the only messengers who ever reach him are his own whom he had sent out from Khartum that the British officers seem to grudge the least expense in giving him information or else that they think it of no importance. He wonders that men like Kitchener should not have more brains than to write merely I hope you are well or ask silly questions such as Kitchener's to Stewart: What can I do for you? 1. He is vexed that Kitchener's reference was of course to personal necessities and comforts. Kitchener in after years told his nephew how he managed to send a message to Gordon asking what he wanted meaning sponge tooth brush and so on. The answer he received was a long tirade against the Government asking for troops. Eventually Kitchener got a parcel of necessities through to him carefully wrapped up in the latest papers. Gordon missing this fact threw away the wrapping complained of getting no news and looked upon it as a piece of luck when a servant came to him two days later with the papers. They are like gold he wrote and gave us far more information than any of the letters. Did K send them by accident or on purpose? Chaf xiy.

Dismembering the Male Joanna Bourke, 1996-05-15. Some historians contend that femininity was disrupted, constructed, and reconstructed during World War I but what happened to masculinity? Using the evidence of letters, diaries, and oral histories of members of the military and of civilians as well as contemporary photographs and government propaganda, *Dismembering the Male* explores the impact of the First World War on the male body. Each chapter explores a different facet of the war and masculinity in depth. Joanna Bourke discovers that those who were dismembered and disabled by the war were not viewed as passive or weak like their civilian counterparts but were the focus of much government and public sentiment. Those suffering from disease were viewed differently, often finding

themselves accused of malingering Joanna Bourke argues convincingly that military experiences led to a greater sharing of gender identities between men of different classes and ages Dismembering the Male concludes that ultimately attempts to reconstruct a new type of masculinity failed as the threat of another war and with it the sacrifice of a new generation of men intensified *Life of Lord Kitchener, Vol. 1 of 3 (Classic Reprint)* Sir George Arthur, 2015-07-11 Excerpt from Life of Lord Kitchener Vol 1 of 3 I would ask the indulgence of the public who may regret that the story of Lord Kitchener's life should not have been entrusted to a biographer of experience for shortcomings which may mar this book My sincere thanks are due to many friends who have lent me letters and excellent advice and I am under a special debt of gratitude to Major General Lord Edward Gleichen and Major General Sir Frederick Maurice for valuable help in describing operations in Egypt and the Sudan and in the Great War I would also record my thanks for the facilities offered me by Sir Reginald Brade the Secretary of the War Office whose own untiring efforts to lighten Lord Kitchener's labours have been matched by an unswerving loyalty to his memory About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Anglo-Boer War (1899-1902)** André Wessels, 2010-09-01 Based on many years of research with regard to the Anglo Boer War this book is essential reading for anyone who would like to know more about the most devastating conflict that has thus far been waged between white people in Southern Africa However with due course this war also involved more and more black brown and to some extent Asian people The Best Books: F, History and historical biography.
