The Ministry of God's Word Watchman Nee, 1994-09-01 The most important work of God on earth is the speaking out of His word through man In the Old Testament God's word was released through the ministry of the prophets and in the New Testament it was released through the ministry of the Lord Jesus and later through the apostles Even though God is pleased to allow us to speak His word the greatest measure of our usefulness as a minister of the Word is not the amount of our Bible knowledge or even the ability to eloquently present the truth rather it is the degree to which our inward parts have been molded and shaped by the Holy Spirit The Ministry of God's Word contains a series of messages given by Watchman Nee in 1948 and 1949 after nearly thirty years of ministry These messages are deep profound subjective and full of light revealing both the depth of his experience and extent of our need to open to the Holy Spirit's inward operation

Churchology Henry Leon McNeil, 2019-05-14. This book was written primarily to autonomous Christian churches and those who serve and worship at them. Many areas covered were reflection of the author's views based on his fifteen years of pastoral experience. Major emphasis was placed on church order. The author wants to make the church aware of what should be the process of calling a pastor, instituting a system of discipline, how to institute various types of regulations. Churchology is designed to define church and pastoral prerogatives, pulpit etiquette and various protocols. Many of the topics are designed to aid the beginning minister. Finally, in the section entitled Systemic Poverilization, McNeil deals with social issues that all should be aware of and have knowledge about. Jesus dealt with such issues and so should we. This book has something for everybody.
