Representing Middle-earth Robert T. Tally Jr., 2023-12-21 In such classic works as The Hobbit The Lord of the Rings and The Silmarillion J R R Tolkien depicts a vast complex world system Tolkien's Middle earth comes to life with intensely detailed historical geographical and multicultural content which is presented through different poetic forms that combine elements of epic romance myth history and the modern novel This book analyzes Tolkien's project paying attention to narrative form and its relation to social contexts while also exploring his broader philosophical conception of history and the role of individual and collective subjects within it Tolkien's published and posthumous writings the film adaptations and recent scholarship are all examined to provide an enlarged and refined critical perspective of these major works Drawing upon Marxist literary theory and criticism Robert T Tally Jr calls into question traditional views of race class morality escapism and fantasy more generally Through close readings mixed with theoretical speculation Representing Middle earth allows readers see Tolkien's world as well as our own in a new light

Topographies of Popular Culture Maarit Piipponen, Markku Salmel, 2016-08-17 Topographies of Popular Culture departs from the deceptively simple notion that popular culture always takes place somewhere By studying the spatial and topographic imaginations at work in popular culture the book identifies and illustrates several specific

tendencies that deserve increased attention in studies of the popular In combining the study of popular texts with a broad variety of geographical contexts the volume presents a global and cross cultural approach to popular culture s topographies In part Topographies of Popular Culture takes its cue from recent theorisations of spatiality in the field of critical theory and from such global transformations as the processes and after effects of decolonisation and globalisation It contemplates the spatiality of genre and the interactions between the local and the global as well as the increasing circulation and adaptation of popular texts across the globe The ten individual chapters analyse the spaces of popular culture at a scale that extends from an individual s everyday experience to genuinely global questions offering new theoretical and analytical insights into the relation between spatiality and the popular **Transmedia Harry Potter** Christopher E. Bell,2019-08-21

Transmediation the telling of a single story across multiple media is a relatively new phenomenon While there have been adaptations books to films for example for more than a century modern technology and media consumption have expanded the scope of trans mediating practices Nowhere are these more evident than within the Harry Potter universe where a coherent world and narrative are iterated across books films video games fan fiction art music and more Curated by a leading Harry Potter scholar this collection of new essays explores the range of Potter texts across a variety of media

Maverick Movies tells the improbable story of New Line Cinema a company that cut a remarkable path through the American film industry and movie culture Founded in 1967 as an art film distributor New Line made a small fortune running John Waters's Pink Flamingos at midnight screenings in the 1970s and found reliable returns with the Nightmare on Elm Street franchise in the 1980s By 2001 the company competed with the major Hollywood studios and reached global box office success with the Lord of the Rings franchise Blurring boundaries between high and low culture between independent film and Hollywood and between the margins and the mainstream New Line Cinema epitomizes Hollywood's shift in focus from the mass audience fostered by the classic studios to the multitude of niche audiences sought today **Peter Jackson** Alfio Leotta,2015-12-17

The most comprehensive academic examination of Peter Jackson's work and career **Catholic Literature and Film** Nancy Enright,2016-11-21 Catholic Literature and Film Incarnational Love and Suffering is meant to be considered as a work of literary criticism not film adaptation studies In it the author explores six literary works dealing with Catholic themes and the film versions of these works The discussion of the films is at the service of analyzing the texts Underlying all the discussions is an incarnational sacramental view of the texts which links to my interpretation of the film versions of them Catholic and actually any Christian interpretation of literature or film or any other art form is rooted in an iconic and sacramental understanding of imagery as a means of conveying the sacred Catholic spirituality lends itself to this sort of approach as it is deeply rooted in the ability to see sacred things through physical means A key sub theme is romantic love in connection with salvation which Charles Williams one of the Inklings the group of British writers including J R R Tolkien and C S Lewis who met and discussed literature and theology calls the theology of romantic love as well as the sub themes of redemptive suffering and grace My interest in the book is not an analysis of cinematography per se but on the films as vehicles for religious ideas What makes this approach unique is that it doesn't deal with only faith and film as Peter Frazer does very well in his book Images of the Passion The Sacramental Mode in Film for example it also goes beyond the realm of strict literary criticism in its tackling of how religiously oriented works of literature are affected by the transformation into film **The Making of Middle-earth** Christopher A. Snyder,2013-10-22 J R R Tolkien's The Lord of the Rings consistently tops polls as the best loved literary work of all time Now medieval scholar and Tolkien expert Christopher Snyder presents the most in depth exploration yet of Tolkien's source materials for Middle earth from the languages poetry and mythology of medieval Europe and ancient Greece to the halls of Oxford and the battlefields of World War I Fueled by the author's passion for all things Tolkien this richly illustrated book also reveals the surprisingly pervasive influence of Tolkien's timeless fantasies on modern culture **Celebrity Biographies - The Amazing Life Of Orlando Bloom - Famous Actors** Matt Green, Ever wondered how Orlando Bloom rose to stardom Orlando Bloom was born on January 13 1977 in Canterbury England Before Bloom even set foot on earth his family name was well known across the countryside

Bloom's mother was a respected foreign language teacher who provided linguistic tutoring for international students studying in Great Britain. Bloom's father Harry was an internationally renowned author whose lifelong battle against the apartheid in South Africa had won him global recognition and appreciation from his academic peers. Die Landschaft interpretieren: Interdisziplinäre Ansätze Werner Kreisel, Peter H. Marsden, Tobias Reeh, 2021. There is no generally valid recognised definition of what landscape actually is. On the basis of its relatedness to the environment, to aesthetics, territory, society, politics, economics, geography, planning, ethnology and philosophy, the concept of landscape is considered to be a composite notion shaped by a thousand years of Central European ideas and of literary and art history. In other words, the very term landscape is ambiguous and it is used in different ways both in the scholarly world and everyday speech. The aim of this volume is to present various possible approaches to the phenomenon of landscape. Far from laying any claim to be exhaustive or comprehensive, we have simply tried to do justice to the overarching interdisciplinary approach of the Zentrum für Landschaftsinterpretation und Tourismus. ZELT Centre for Landscape Interpretation and Tourism by singling out and addressing individual instances of this fascinating multifaceted phenomenon.

Music in Action Film James Buhler, Mark Durrand, 2020-11-16. Music in Action Film is the first volume to address the central role of music and sound in action film, arguably the most dominant form of commercial cinema today. Bringing together 15 essays by established and emerging scholars, the book encompasses both Hollywood blockbusters and international films from classic works such as *The Seven Samurai* to contemporary superhero franchises. The contributors consider action both as genre and as a mode of cinematic expression in chapters on evolving musical conventions, politics, representation and identity, musical affect and agency, the functional role of music and sound design in action film and production technologies. Breaking new critical ground yet highly accessible, this book will be of interest to students and scholars of music and film studies.

Contemporary Tourism Chris Cooper, C. Michael Hall, 2022-11-01. Now in its fifth edition, *Contemporary Tourism* an international approach presents a new and refreshing approach to the study of tourism, looking at the far-reaching effects that the COVID pandemic has had on the industry and how it has been forced to change or not subsequently.

Film Marketing into the Twenty-First Century Nolwenn Mingant, Cecilia Tirtaine, Joël Augros, 2015-10-28. How do you sell British humour to a French audience? Could piracy actually be good for the film business? Why are *The Hobbit*'s revolutionary technologies not mentioned in some adverts? Exploring these questions and many more, *Film Marketing into the Twenty-First Century* draws on insights from renowned film academics and leading industry professionals to chart the evolution of modern film marketing. The first part of the book focuses on geographical considerations, showing how marketers have to adapt their strategies locally as films travel across borders. The second covers new marketing possibilities offered by the Internet as Vine, Facebook and other participative websites open new venues for big distributors and independents alike. Straddling practical and theoretical concerns and

including case studies that take us from Nollywood to Peru this book provides an accessible introduction to the key issues at stake for film marketing in a global era **Fans, Blockbusterisation, and the Transformation of Cinematic Desire** Carolyn Michelle, Charles H. Davis, Ann L. Hardy, Craig Hight, 2017-11-24 This book explores the evolution of audience receptions of Peter Jackson's Hobbit trilogy 2012-14 as an exemplar of the contemporary blockbuster event film franchise Drawing on findings from a unique cross cultural and longitudinal study the authors argue that processes and imperatives associated with Hollywood blockbusterisation shaped the trilogy's conditions of production format content and visual aesthetic in ways that left many viewers progressively disenchanted The chapters address public and private prefigurations of the Hobbit trilogy modes of reception new cinematic technologies and the Hobbit hyperreality paradox gender representations adaptation and the transformation of cinematic desire and the role of social and cultural location in shaping audience engagement and response This book will appeal to audience researchers Q methodologists scholars and students in film and media studies Tolkien scholars and Hobbit fans and critics alike *Mediated Nostalgia* Ryan Lizardi, 2014-11-06 Considering the current rash of film remakes vintage video game downloads and box sets of bygone television shows media today is obsessed with nostalgia Instead of presenting a past that functions as an adaptive mirror with which we can compare our contemporary situation the past is instead presented as an individualized version that transfixes us as uncritical citizens of our own culture Mediated Nostalgia Individual Memory and Contemporary Mass Media argues that the cultural implication of a cross media eternal return to nostalgia is an increasing reliance on defining who we are as people and societies by what media we consumed as children The unblinking eye toward the past knows no progress or at the very least does not employ the past to compare and adaptively engage with the present or future Examining film literature television and video games Ryan Lizardi tackles the idea of why that strong sense of nostalgia is such a popular tactic for the media industry and why it is problematic *Why We Love Middle-earth* Shawn E Marchese, Alan Sisto, 2023-09-12 For Fans of the Tales of Tolkien Middle earth and More a great resource for readers and film viewers who are new to Tolkien and curious about all things Middle earth Corey Olsen The Tolkien Professor and president of Signum University 1 New Release in British Irish Literary Criticism and Encyclopedias Learn about the man who wrote The Lord of the Rings in this Middle earth treasury Full of answers to common questions asked by readers to learn about Middle earth and the fandom this book about Tolkien celebrates Why We Love Middle earth The Lord of the Rings omnibus for all Who wrote The Lord of the Rings What details are in the movies books and other stories and how do they tie together Intrigued by Amazon's new show The Lord of the Rings The Rings of Power What's the story as Tolkien told it Dive into Middle earth's expansive lore with Why We Love Middle earth a fandom book about Tolkien's work The perfect companion for any Middle earth traveler Written by beloved Tolkien commenters of The Prancing Pony Podcast Shawn E Marchese and Alan Sisto Why We Love Middle earth is the ultimate guide to the fandom Newcomers and existing fans of Tolkien will revel in the dragon's hoard of information inside

Making Copyright Work for the Asian Pacific Susan Corbett, Jessica Lai, 2018-10-22 This book provides a contemporary overview of developing areas of copyright law in the Asian Pacific region While noting the tendency towards harmonisation through free trade agreements the book takes the perspective that there is a significant amount of potential for the nations of the Asian Pacific region to work together find common ground and shift international bargaining power Moreover in so doing the region can tailor any regional agreements to suit local needs The book addresses the development of norms in the region and the ways in which this can occur in light of the specific nature of the creator owner user paradigm in the region and the common interests of Indigenous peoples

Dislike-Minded Jonathan Gray, 2021-06-22 Explains why audiences dislike certain media and what happens when they do The study and discussion of media is replete with talk of fans loves stans likes and favorites but what of dislikes distastes and alienation Dislike Minded draws from over two hundred qualitative interviews to probe what the media s failures wounds and sore spots tell us about media culture taste identity representation meaning textuality audiences and citizenship The book refuses the simplicity of Pierre Bourdieu s famous dictum that dislike is only snobbery Instead Jonathan Gray pushes onward to uncover other explanations for what it ultimately means to dislike specific artifacts of television film and other media and why this dislike matters As we watch and listen through gritted teeth Dislike Minded listens to what is being said and presents a bold case for a new line of audience research within communication media and cultural studies
