Lord Rogue:

Rogue's Pawn: An Adult Fantasy Romance Jeffe Kennedy, 2022-07-05 Be careful what you wish for When I walked out on my awful boyfriend wishing to be somewhere anywhere else I never expected to wake up in Faerie And as a scientist I find it even harder to believe that I now seem to be a sorceress A pretty crappy sorceress it turns out because every thought that crosses my mind becomes suddenly and frighteningly real including the black dog that has long haunted my nightmares Now I m a captive a pawn for the fae lord Rogue and the feral and treacherous Faerie court all vying to control me and the vast powers I don t understand Worse Rogue the closest thing I have to a friend in this place is intent on seducing me He s the most beautiful man I ve ever seen enthralling tempting and lethally dangerous He s as devastatingly clever as he is alluring and he tricks me into promising him my firstborn child which he intends to sire I don t dare give into him I may not have the willpower to resist him He s my only protection against those who would destroy me Unless I can learn to use my magic

The Chronicles of Enguerrand de Monstrelet Enguerrand de Monstrelet, 1853 The Chronicles of Enguerrand de Monstrelet Enguerrand de Monstrelet, 2016-09-30 Enguerrand de Monstrelet was a French chronicler He was born in Picardy most likely into a family of the minor nobility In 1436 and later he held the office of lieutenant of the gavenier i e receiver of the gave a kind of church rate at Cambrai and he seems to have made this city his usual place of residence He was for some time bailiff of the cathedral chapter and then provost of Cambrai He was married and left some children when he died Little else is known about Monstrelet except that he was present not at the capture of Joan of Arc but at her subsequent interrogation with Philip the Good duke of Burgundy Continuing the work of Froissart Monstrelet wrote a Chronique which extends to two books and covers the period between 1400 and 1444 when according to another chronicler Mathieu d Escouchy he ceased to write But following a custom which was by no means uncommon in the Middle Ages a clumsy sequel extending to 1516 was formed out of various chronicles and tacked onto his work Monstrelet s own writings dealing with the latter part of the Hundred Years War are valuable because they contain a large number of documents which are certainly and reported speeches which are probably authentic The author however shows little power of narration his work although clear is dull and is strongly tinged with the pedantry of its century the most pedantic in French history His somewhat ostentatious assertions of impartiality do not cloak a marked preference for the Burgundians in their struggle with France Among many editions of the Chronique may be mentioned the one edited for the Soci t de l histoire de France by M Douet d Arcq Paris 1857 1862 which however is not very good See A Molinier Les Sources de l histoire de France tomes iv and v Paris 1904

The Rogue's Prize Katherine Bone,2018-08-28 An unlikely alliance may be the key to the ultimate prize Captain Henry Guffald is no ordinary sea captain As a member of Nelson s Tea he regularly takes on dangerous missions under the guise of a British naval officer in an effort to stop Napoleon s reign of terror domestically and abroad And this time he s been ordered to sail to Spain and rescue a comrade who was captured by one of Napoleon s strongest allies Not only does his friend s life hang in the balance but he is carrying crucial intel that cannot fall into enemy hands Failing is not an option and after a recently botched mission it s also Henry s last chance to prove himself to Admiral Nelson But succeeding is not such an easy task especially when his plan is foiled by a beautiful female pirate Lady Adele Seaton would no sooner give up the sea s call to rove than sit at home like a proper woman of the ton So when news arrives that her brother has been imprisoned in Spain she quickly develops a strategy to rescue him and sets sail to intercept the first Royal Navy ship she encounters Ready to put her plan in motion Adele is a brilliant tactician but not everything can be predicted She certainly doesn t expect to meet her match in a navy captain determined to outwit her at every turn Now Henry and Adele must join forces to save her brother and keep the secrets of the Crown just that secret But sparks fly between more than just their swords and their passion might very well be their undoing
