My Journey with Church Folk Bernestine McGhee Ed.D., 2019-08-27 Here are basically three reasons for writing this book 1 To leave a legacy 2 To present some personal church experiences 3 To introduce actions on differing crimes against society I have many thoughts and reflections on how I have been treated by church folk One Sunday a mentor approached me and handed me a journal saying Here you will need this to keep record of your journey One day you will look back and wonder how you accomplished so much For a while I was journaling on a regular basis Then it dawned on me to take notes or journal in church so I could study more later After looking back and reflecting I was inspired to write a book It is a way to share some awareness of church activities that can really leave you feeling disappointed The revolution presently going on revealed unlawful acts including some that have been questioned and shut down such as job and sexual harassment along with fraternity initiation crimes In my opinion these are shameful acts against society Our advanced and global world must not

ignore these actions Speak out be heard even if it is your church folk **More Church Folk** Michele Andrea Bowen,2024-09-24 From bestselling author Michele Andrea Bowen the uproarious sequel to her hit novel Church Folk It is now 1986 and the preachers of the Gospel United Church are preparing for their much anticipated Triennial General Conference The last time readers encountered the good Rev Theophilus Simmons he was a newlywed and the pastor of a modest sized congregation in Memphis Now he s the father of three and running a congregation in St Louis His best friend Rev Eddie Tate is now with a fast growing church in Chicago but he is getting real frustrated with the way things are run in the Gospel United Church Marcel Brown and his father Ernest along with Sonny Washington and Bishop Larsen Giles have had two decades to perfect their slimy methods of tapping church funds and other misdeeds Now they ve found a secret weapon that will allow them to make fast money and accomplish what they failed to do 20 years ago buy off enough power to dominate the entire denomination put their cronies in key spots and ransack the church like it is the spoils of war It won t be long before the two opposing sides face off church folk style **Church Folk** Michele Andrea Bowen,2001-05-15 Set in 1960s Mississippi this novel is a powerful tale of love faith and finding your voice Theophilus Henry Simmons is young single sexy and just about the finest black man any wishful mother and daughter have ever seen in Charleston Mississippi He s also a pastor And when he starts courting the quiet homespun Essie Lee Lane and she accepts his marriage proposal a few of the church folk decide to teach Essie what it really means to be a pastor s wife and show her how little she knows about them But as Theophilus gains prominence in his denomination Essie evolves from a mousy parishioner into an independent and Godly woman Now sporting an afro and driving her new purple Cadillac Essie teaches the church folk what it really means to stand by your man and your beliefs **Help!
