 profound texts in the New Testament The Apostle John wrote three epistles at the close of the first century to counteract the
 heresy of Gnosticism and to focus on what it meant to know God by walking in His light He contrasted the Christian life in
 stark opposites light and darkness love and hatred truth and lies life and death In *Living in the Light* Derrick McCaron

 Moreover the evidence of salvation is seen by loving others abiding in the truth and obedience to God s commands *Living in
 the Light* is a verse by verse commentary on the epistles of John This volume is ideal for believers who are looking to go
 deeper in their discipleship with Christ With an emphasis on practical application and precise exposition this book will

 CHANGE YOUR LIFE** How would you describe your relationship with the Lord Would you like for that relationship to grow
 deeper If so the verses in John 15 117 provide insights for improving your bond with God and reasons why it is important to
 increase your connection with Him Jesus taught the lessons of this Scripture passage just hours before He was betrayed by

Judas Can you imagine He knew what was before Him yet He still wanted to explain all He could about life on earth before His death The lessons of The Vine and the Branches were of great significance to Him Thus you need to learn as much as you can about their meanings You probably already understand who the vine represents and who the branches characterize However do you know what happens to the branches that do not produce fruit what fruit the branches are supposed to produce what happens to the branches that do not abide in the vine what you need to do in order to abide in the vine The answers to these questions and more can be found in this book Included in the study are personal experiences and practical ideas that will help in understanding and applying the principles Jesus is teaching In addition biblical heroes whose sins were forgiven and biblical characters who committed unforgivable sins demonstrate branches that abide in the vine and branches that fall away from the vine You do not want to be a branch that produces no fruit and you definitely do not want to be a dead branch There is the old saying that ignorance is bliss According to Jesus in the John 15 verses ignorance is not an excuse for not producing fruit Learn and apply His precepts Become an abiding branch and live a bountiful life filled with God s joy
