Lords Prayer Text In Tradition:

The Lord's Prayer Gerald O'Collins,2007 In *The Lord's Prayer* the author explains what the prayer meant to Jesus himself and to his first followers and he also describes what the Our Father has continued to mean over the centuries and what it means today Like the story of his birth death and resurrection the prayer Jesus shared with his disciples has gone out to all nations and cultures *The Lord's Prayer* summarises the message of the kingdom and of the Gospel **BOOK JACKET**

The Lord's Prayer (Touchstone Texts) William M. IV Wright,2023-02-28 Since the beginning of Christianity the Lord's Prayer has occupied an important place in the lives of Jesus's disciples for it is the prayer Jesus himself taught them Like other biblical prayers the Lord's Prayer contains words people offer to God But since this prayer is from Jesus and is part of Scripture it is also God's Word to people When we say this prayer not only are we speaking to God but God is also speaking to us Highly regarded New Testament scholar William Wright shows how this classic text can speak afresh to the life of the church today He integrates critical exegesis theological exposition and Christian spirituality to explicate the theological substance of the Lord's Prayer His goal is to help readers come to know God and love God and others more deeply through a focused study of this important Christian prayer The Touchstone Texts series addresses key Bible passages making high quality biblical scholarship accessible to the church The series editor is Stephen B Chapman Duke Divinity School **The Lord's Prayer** Kenneth W. Stevenson,2004 *The Lord's Prayer A Text in Tradition* is a quite unique title which studies the use and interpretation of the Lord's Prayer from the earliest times to the present day It draws together the work of scholars of the biblical patristic medieval reformation and modern periods *The Lord's Words* Michael Theobald,2025-11-11 The great Johannine speeches of Jesus in the fourth gospel exert an unbroken magic on their listeners They accomplish this by use of vivid imagery e.g bread vine shepherd way and their many repetitions of crucial insights What seems at first monotonous actually draws one into a deep spiral of knowledge Apart from a few exceptions interpreters of John's gospel agree The historical Jesus did not speak as John styles his Jesus If the goal is to reconstruct the message and words of the historical Jesus one will have to turn to the synoptic gospels *The Lord's Words* develops a new explanation model for the genesis of the Johannine Jesus speeches These speeches are based on core words from the Johannine church tradition which the evangelist received reflected in the monologues and dialogues of the gospel and so worked out his speech compositions The study is not as in an older branch of research the apologetic attempt to connect John to a presumed Jesus tradition by tracing the development of the words of the Lord Rather the book focuses upon the literary and theological hermeneutics of the evangelist in dealing with those good words At the same time the book pursues the goal of uncovering the origins of the high Johannine Christology *Wisdom Christology* investigating the trauma of the Johannine Christians schism from the Jewish synagogue *Texts and Traditions* Peter Doble,Jeffrey Kloha,2014-07-24 The methodology of New Testament textual criticism the critical evaluation of readings and the history and texts of early Christianity is the focus of the influential work

of J K Elliott *Texts and Traditions* offers eighteen essays in his honour The essays by colleagues and students from his long career reflect Elliott's wide interest and impact From questions of the purpose and practice of textual criticism to detailed assessment of New Testament literature and the readings of its manuscripts to provocative studies of the reception of Jesus and the New Testament in the second century this volume will be of value to those studying the New Testament and Early Christianity

Tradition of the Text Gerard J. Norton, Stephen Pisano, 1991 *Jewish Traditions in Early Christian Literature, Volume 5 The Didache* H.W.M. van den Sandt, David Flusser, 2002-01-01 This volume demonstrates that we should understand nascent Christianity and early Judaism as sharing to a large extent the same traditions It throws fresh light on the Jewishness of the Two Ways teaching in Didache 1-6 as it presents a cautious reconstruction of the Jewish prototype of the Two Ways and traces the Jewish life situation in which the instruction could flourish In the field of liturgical studies a significant contribution is made to the discussion of Didache 7-10 It improves our understanding of the Jewish provenance and historical development of Baptism and Eucharist The book also presents an intriguing look into the ministry of itinerant apostles and prophets Didache 11-15 considering the larger environment of Jewish religious and cultural history

The Qur'an and the Aramaic Gospel Traditions Emran El-Badawi, 2013-12-17 This book is a study of related passages found in the Arabic Qur'an and the Aramaic Gospels i.e. the Gospels preserved in the Syriac and Christian Palestinian Aramaic dialects It builds upon the work of traditional Muslim scholars including al-Biqd ca 808-1460 and al-Suyuti 911-1505 who wrote books examining connections between the Qur'an on the one hand and Biblical passages and Aramaic terminology on the other as well as modern western scholars including Sidney Griffith who argue that pre-Islamic Arabs accessed the Bible in Aramaic The Qur'an and the Aramaic Gospel Traditions examines the history of religious movements in the Middle East from 180-632 CE explaining Islam as a response to the disunity of the Aramaic speaking churches It then compares the Arabic text of the Qur'an and the Aramaic text of the Gospels under four main themes the prophets the clergy the divine and the apocalypse Among the findings of this book are that the articulator as well as audience of the Qur'an were monotheistic in origin probably bilingual culturally sophisticated and accustomed to the theological debates that raged between the Aramaic speaking churches Arguing that the Qur'an's teachings and ethics echo Jewish Christian conservatism this book will be of interest to students and scholars of Religion History and Literature

Liturgy and Interpretation Kenneth Stevenson, 2013-01-07 Kenneth Stevenson is one of the UK's leading liturgical scholars with an international reputation Much of his work is in the borderlands of theology worship and history The essays in this book are worked examples of the importance of interpretation and liturgy particularly in the light of the growing impact in recent years of reception history and how this interacts not only with biblical scholarship but with worship and doctrine as well Interpretation and Liturgy is a big subject and one that is unlikely ever to go away It is part of the twofold movement of divine initiative and human aspiration or to put it yet more directly what some would immediately call the inspiration of the Holy Spirit others would call the religious imagination and

others again would call both United in Prayer Peter E. Roussakis, 2019-06-10 Christians everywhere are uniquely linked together by a simple prayer which binds our hearts in Christian love the Lord's Prayer In the Lord's Prayer Jesus Christ provided His disciples with meaningful instructions about how to pray Praying this model prayer with one accord contributes to the binding together of our hearts in God's love The Lord's Prayer is sacred for Christians Through it in times of trial as well as ease we may turn to God for help and support This book provides a deeper study of this prayer of prayers with an overview of its scriptural context inclusions and order and an introduction to the Jewish Setting of the prayer The book concludes with the theme of Christians being united through learning and praying the Lord's prayer together The Causes of the Corruption of the Traditional Text of the Holy Gospel John William Burgon, 2020-07-17 Reproduction of the original *The Causes of the Corruption of the Traditional Text of the Holy Gospel* by John William Burgon *Jesus Tradition in the Apostolic Fathers* Stephen E. Young, 2011 This dissertation reevaluates the tradition of Jesus sayings in the Apostolic Fathers in light of the growing recognition of the impact of orality upon early Christianity and its writings At the beginning of the last century it was common to hold that the Apostolic Fathers made wide use of the canonical Gospels While a number of studies have since called this view into question many of them simply replace the theory of dependence upon canonical Gospels with one of dependence upon other written sources No full scale study of Jesus tradition in the Apostolic Fathers has been published which takes into account the last four decades of new research into oral tradition in the wake of the pioneering work of Milman Parry and Albert Lord Based on this new research the present dissertation advances the thesis that an oral traditional source best explains the form and content of the explicit appeals to Jesus tradition in the Apostolic Fathers that predate 2 Clement In the course of the discussion attention is drawn to the ways in which the Jesus tradition in the Apostolic Fathers informs our understanding of the use of oral tradition in Christian antiquity **Your Kingdom Come** William Thompson-Uberuaga, 2018-05-16 So many Christians pray the Lord's Prayer It is almost second nature This book is meant to help these people pray it more deeply and lovingly Ecumenical and even striving to be global in nature this book explores what the Scriptures teach us about this prayer how the Christian tradition has approached this prayer in its long history and how many of our contemporary concerns challenge the way we can pray this prayer and also how the prayer can provide insights for those same concerns People of all persuasions believers and nonbelievers none and followers of the world's great religions will also find many of their concerns given serious consideration in this book If you think nothing new can be said about the Our Father this book may surprise you A New Perspective on Jesus James D. G. Dunn, 2005-03 A renowned scholar calls for a change of direction for the study of Jesus in the 21st century *The Lord's Prayer and the Sermon on the Mount in Matthew's Gospel* Charles Nathan Ridlehoover, 2019-12-26 Charles Nathan Ridlehoover examines the Lord's Prayer in Matthew's Gospel focusing on the prayer's centrality and showing how this centrality affects our reading of the Sermon on the Mount and subsequently the prayer itself Ridlehoover argues that the Lord's Prayer is structurally lexically and

thematically central to the Sermon on the Mount and the means through which disciples of Jesus are empowered to live out the kingdom righteousness it defines. In turn the Sermon on the Mount clarifies what the answer to the petitions of the Lord's Prayer might look like in the life of the disciple of Jesus. Whilst the centrality of the Lord's Prayer has been noted by previous commentators this centrality and its intended purpose has not hitherto been defined or examined in great depth. Ridlehoover fills this gap with a closely argued and in depth study ranging from methodology and the structure of the prayer itself to examining the Father's forgiveness and evil petitions and the relevance of word and deed for hearers and doers. Ridlehoover's examination of the relationship between the Sermon and Prayer advances studies in compositional criticism and intratextuality. *Apologetic Discourse and the Scribal Tradition* Wayne Campbell Kannaday, 2004. Annotation: It is commonly acknowledged that the original manuscripts of Matthew, Mark, Luke and John did not survive the exigencies of history. What modern readers refer to as the canonical Gospels are in fact compositions reconstructed from copies transmitted by usually anonymous scribes. *Apologetic Discourse and the Scribal Tradition* examines an important facet of the fascinating but seldom reported story of the interests that shaped the formation of the text of the New Testament. With an informed awareness of the dynamic discourse between pagan critics and early defenders of early Christianity and careful scrutiny of more than one hundred variant readings located in the literary tradition of the New Testament text, the author drafts a compelling case that some scribes occasionally modified the text of the Gospels under the influence of apologetic interests.

Origins of Old Germanic Studies in the Low Countries Kees Dekker, 1999-01-12. This volume deals with the study of Old Germanic languages in the Low Countries in the seventeenth century. The work of the philologist and lawyer Jan van Vliet 1622-1666 has been taken as a starting point for a discussion of the intellectual background and philological methodology of seventeenth century investigations into the earliest recorded forms of the Germanic languages. Van Vliet's activities provide an extraordinary example of the earliest attempts to approach Old Germanic languages from a comparative point of view. The cosmopolitan tradition of philological studies in the Dutch Republic as well as Van Vliet's great admiration of Francis Junius 1590-1677, the founding father of Germanic philology, formed the basis for his ideas about vernacular languages. His work allows us a unique insight in the pioneering seventeenth century studies in Germanic philology.

Language and Religion Robert Yelle, Courtney Handman, Christopher Lehrich, 2019-02-19. This volume draws on an interdisciplinary team of authors to advance the study of the religious dimensions of communication and the linguistic aspects of religion. Contributions cover poetry, iconicity and iconoclasm in religious language, semiotic ideologies in traditional religions and in secularism, and the role of materiality and writing in religious communication. This volume will provoke new approaches to language and religion.

The Oral Gospel Tradition James D.G. Dunn, 2013-10-03. The traditions about Jesus and his teaching circulated in oral form for many years, continuing to do so for decades following the writing of the New Testament Gospels. James Dunn is one of the major voices urging that more consideration needs to be given to the oral use

and transmission of the Jesus tradition as a major factor in giving the Synoptic tradition its enduring character **The Church of Antioch and the Eucharistic Traditions (ca. 35-130 CE)** Amiel Drimbe, 2020-10-12 The author has chosen 1 to analyse the Eucharistic traditions of earliest Christianity and 2 to trace their use within the church of Antioch focusing on the following key texts 1 Cor 11 23 25 Matt 26 26 29 Did 9 1 10 6 and Ignatius Phil 4 1 Therefore connecting the four Eucharistic texts to the early church of Antioch constitutes the main objective of this study Introduction
