Los Angeles Times Of California Museums:

The Los Angeles Times Book of California Museums William R. Wilson, 1984 Los Angeles Magazine , 1996-04 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian Culture in the American Southwest Keith L. Bryant, 2014-09-01 If the Southwest is known for its distinctive regional culture it is not only the indigenous influences that make it so As Anglo Americans moved into the territories of the greater Southwest they brought with them a desire to reestablish the highest culture of their former homes opera painting sculpture architecture and literature But their inherited culture was altered challenged and reshaped by Native American and Hispanic peoples and a new vibrant cultural life resulted From Houston to Los Angeles from Tulsa to Tucson Keith L Bryant traces the development of high culture in the Southwest Humans create culture but in the Southwest Bryant argues the land itself has also influenced that creation Incredible light natural grandeur and a geography at once beautiful and yet brutal molded societies that sprang from unique cultural sources The peoples of the American Southwest share a regional consciousness an experience of place that has helped to create a unified but not homogenized Southwestern culture Bryant also examines a paradox of Southwestern cultural life Southwesterners take pride in their cultural distinctiveness yet they struggled to win recognition for their achievements in high culture A dynamic tension between those seeking to re create a Western European culture and those desiring one based on regional themes and resources continues to stimulate creativity Decade by decade and city by city Bryant charts the growth of cultural institutions and patronage as he describes the contributions of artists and performers and of the elites who support them Bryant focuses on the significant role women played as leaders in the formation of cultural institutions and as writers artists and musicians The text is enhanced by more than fifty photographs depicting the interplay between the people and the land and the culture that has resulted Sacred Sites Susan Suntree, 2020-06 A history that is equal parts science and mythology Sacred Sites offers a rare and poetic vision of a world composed of dynamic natural forces and mythic characters The result is a singular and memorable account of the evolution of the Southern California landscape reflecting the riches of both Native knowledge and Western scientific thought Beginning with Western science poet Susan Suntree carries readers from the Big Bang to the present as she describes the origins of the universe the shifting of tectonic plates and an evolving array of plants and animals that give Southern California its unique features today She tells of the migration of humans into the region where they settled and how they lived Complementing this narrative and reflecting Native peoples view of their own history and way of life Suntree recounts the creation myths and songs that tell the

story of the First People and of unforgettable shamans and heroes Featuring contemporary photographs of rarely seen landmarks along with meticulous research Sacred Sites provides unusual insight into how natural history and mythology and scientific and intuitive thinking combine to create an ever deepening sense of a place and its people Beta Space ,2011

Vija Celmins Ian Alteveer,2018-12-11 The beautiful catalogue that accompanies the critically acclaimed exhibition currently on view at the Metropolitan Museum Best known for her striking drawings of ocean surfaces begun in 1968 and revisited over many years both in drawings and paintings Vija Celmins b 1938 has been creating exquisitely detailed renderings of natural imagery for more than five decades The oceans were followed by desert floors and night skies all subjects in which vast expansive distances are distilled into luminous meticulous and mesmerizing small scale artworks For Celmins this obsessive redescribing of the world is a way to understand human consciousness in relation to lived experience The first major publication on the artist in twenty years this comprehensive and lavishly illustrated volume explores the full range of Celmins s work produced since the 1960s drawings and paintings as well as sculpture and prints Scholarly essays a narrative chronology and a selection of excerpts from interviews with the artist illuminate her methods and techniques survey her early years in Los Angeles where she was part of a circle that included James Turrell and Ken Price and trace the development of her work after she moved to New York City and befriended figures such as Robert Gober and Richard Serra

Some Aesthetic Decisions Virginia Heckert,Judy Fiskin,John Divola,2011 A monograph of the work of Los Angeles based artist Judy Fiskin Includes duotone reproductions of 288 photographs made by Fiskin from 1973 to 1995 as well as an introduction an interview with the artist a chronology and a bibliography Provided by publisher *South of Pico* Kellie Jones,2017-03-09 Named a Best Art Book of 2017 by the New York Times and Artforum In *South of Pico* Kellie Jones explores how the artists in Los Angeles s black communities during the 1960s and 1970s created a vibrant productive and engaged activist arts scene in the face of structural racism Emphasizing the importance of African American migration as well as L A s housing and employment politics Jones shows how the work of black Angeleno artists such as Betye Saar Charles White Noah Purifoy and Senga Nengudi spoke to the dislocation of migration L A s urban renewal and restrictions on black mobility Jones characterizes their works as modern migration narratives that look to the past to consider real and imagined futures She also attends to these artists relationships with gallery and museum culture and the establishment of black owned arts spaces With *South of Pico* Jones expands the understanding of the histories of black arts and creativity in Los Angeles and beyond

Pacific Standard Time Martin-Gropius-Bau (Berlin, Germany),2011 This comprehensive richly illustrated book explores postwar American art from a new perspective Southern California Grounded in more than a decade of research *Pacific Standard Time* analyzes L A s art scene from the end of World War II to the beginning of the 1980s demonstrating the pioneering role Southern California artists played in the twentieth century s most influential art movements Page 4 of cover

The King and Queen of Malibu David K. Randall,2016-02-25 A true story of the battle for paradise men and women

fighting for a slice of earth like no other New York Times Book Review Frederick and May Rindge the unlikely couple whose love story propelled Malibu's transformation from an untamed ranch in the middle of nowhere to a paradise seeded with movie stars are at the heart of this story of American grit and determinism He was a Harvard trained confidant of presidents she was a poor Midwestern farmer's daughter raised to be suspicious of the seasons Yet the bond between them would shape history The newly married couple reached Los Angeles in 1887 when it was still a frontier and within a few years Frederick the only heir to an immense Boston fortune became one of the wealthiest men in the state After his sudden death in 1905 May spent the next thirty years fighting off some of the most powerful men in the country as well as fissures within her own family to preserve Malibu as her private kingdom Her struggle one of the longest over land in California history would culminate in a landmark Supreme Court decision and lead to the creation of the Pacific Coast Highway The King and Queen of Malibu traces the path of one family as the country around them swept off the last vestiges of the Civil War and moved into what we would recognize as the modern age The story of Malibu ranges from the halls of Harvard to the Old West in New Mexico to the beginnings of San Francisco's counter culture amid the Gilded Age and culminates in the glamour of early Hollywood all during the brief sliver of history in which the advent of railroads and the automobile traversed a beckoning American frontier and anything seemed possible

Art and the City Sarah Schrank, 2011-01-01 Art and the City explores the contentious relationship between civic politics and visual culture in Los Angeles Struggles between civic leaders and modernist artists to define civic identity and control public space highlight the significance of the arts as a site of political contest in the twentieth century

Out of Sight William Hackman, 2015-04-14 A social and cultural history of Los Angeles and its emerging art scene in the 1950s 60s and 70s The history of modern art typically begins in Paris and ends in New York Los Angeles was out of sight and out of mind viewed as the apotheosis of popular culture not a center for serious art Out of Sight chronicles the rapid fire rise fall and rebirth of L A's art scene from the emergence of a small bohemian community in the 1950s to the founding of the Museum of Contemporary Art in 1980 Included are some of the most influential artists of our time painters Edward Ruscha and Vija Celmins sculptors Ed Kienholz and Ken Price and many others A book about the city as much as it is about the art Out of Sight is a social and cultural history that illuminates the ways mid century Los Angeles shaped its emerging art scene and how that art scene helped remake the city

The Frontier of Leisure Lawrence Culver, 2012-06-07 Tracing the history of Southern California from the late 19th century through the late 20th century this book reveals how this region did much more than just create lavish resorts like Santa Catalina Island and Palm Springs it literally remade American attitudes towards leisure

Chronicles of Old Los Angeles James Roman, 2015-03-01 There's more to Los Angeles than lights camera action discover the city yourself with six guided walking driving tours of L A's historic neighborhoods illustrated with color photographs and period maps From the city's early days marked by missionaries robber barons orange groves and oil wells to the invention of the movie camera Chronicles of Old Los Angeles explains how the Wild

Drawing Now Laura J. Hoptman, 2002 Published to accompany the exhibition held at the Museum of Modern Art QNS New York 17 October 2002 6 January 2003 **Olympic Legacies: Intended and Unintended** J A Mangan, Mark

Dyreson, 2013-10-18 For more than a century the Olympics have been the modern world's most significant sporting event Indeed they deserve much credit for globalizing sport beyond the boundaries of the Anglo American universe where it originated into broader global realms By the 1930s the Olympics had become a global mega event that occupied the attention of the media the interest of the public and the energies of nation states Since then projected by television funded by global capital and fattened by the desires of nations to garner international prestige the Olympics have grown to gargantuan dimensions In the course of its epic history the Olympics have left numerous legacies from unforgettable feats to monumental stadiums from shining triumphs to searing tragedies from the dazzling debuts on the world's stage of new cities and nations to notorious campaigns of national propaganda The Olympics represent an essential component of modern global history The Olympic movement itself has since the 1990s recognized and sought to shape its numerous legacies with mixed success as this book makes clear It offers ground breaking analyses of the power of Olympic legacies positive and negative and surveys the subject from Athens in 1896 to Beijing in 2008 and indeed beyond This book was published as a special issue of the *International Journal of the History of Sport* *Congressional Record* United States. Congress, 1974 **Improvised**

Continent Richard Cándida Smith, 2017-08-25 How does a country in the process of becoming a world power prepare its citizens for the responsibilities of global leadership In *Improvised Continent* Richard Cándida Smith answers this question by illuminating the forgotten story of how over the course of the twentieth century cultural exchange programs some run by the government and others by philanthropies and major cultural institutions brought many of the most important artists and writers of Latin America to live and work in the United States *Improvised Continent* is the first book to focus on cultural exchange inside the United States and how Americans responded to Latin American writers and artists Moving masterfully between the history of ideas biography institutional history and politics and international relations and engaging works in French German Spanish and Portuguese Cándida Smith synthesizes over seventy years of Pan American cultural activity in the United States The stories behind Diego Rivera's murals the movies of Alejandro G I rritu the poetry of Gabriela Mistral the photography of Genevieve Naylor and the novels of Carlos Fuentes these works and artists along with many others challenged U S citizens about their place in the world and about the kind of global relations the country's interests could allow *Improvised Continent* provides a profoundly compassionate portrayal of the Latin American artists and writers who believed their practices might create a more humane world **The Legendary Estates of Beverly Hills** Jeffrey

Hyland, 2025-09-02 A re edition of the authoritative Los Angeles estates book featuring the homes gardens and lifestyles of many of the city s original great architects and residents This deluxe volume offers a meticulously researched and lavishly illustrated history of fifty magnificent estates in three of America s most prized residential districts Beverly Hills Bel Air and Holmby Hills Lush color photographs as well as a trove of historical images take readers beyond the front gates for an exceptional view of the mansions grounds and gardens of these sumptuous estates and tell the history of Los Angeles s rise from rugged paddocks and farmland to famed metropolis Each house is explored both for its historical and architectural importance for here are the epitome of residences and gardens reflecting the famed Italianate and California Mediterranean styles by all the leading architects of Southern California including Wallace Neff James Dolena Gordon Kaufmann Robert Farquhar Roland Coate and Paul Williams They built for clients such as Gary Cooper Buster Keaton Harold Lloyd and Bing Crosby whose own stories reflect the intrigue and foibles of Hollywood society The book s final chapter Gone but Not Forgotten pays homage to great estates that have been destroyed or lost to history The Evacuation and Relocation of Persons of Japanese Ancestry During World War II Harlan D. Unrau, 1996
