No More, Release the Subconscious Blocks that Prevent your Weight Loss Marylin Stompler,2007 Losing weight is not just about dieting or exercising as proved by the countless number of failed diets and exercise programs First you need to identify and let go of the many mental emotional subconscious and spiritual blocks also called M E S S blocks that prevent you from losing weight These blocks are the limiting beliefs thoughts or fears that prevent your weight loss *Bod 4 God* Steve Reynolds,2010-10 The media labeled Steve Reynolds The Anti Fat Pastor after he lost more than 100 pounds and launched a stunningly successful weight loss program in his church and community In Bod 4 God Pastor Steve reveals the four keys that have unlocked the door to health and fitness for him and for countless others who have dedicated their bodies to God Steve had been overweight all of his life he weighed over 100 pounds in the first grade After playing football during high school and college he vowed never to exercise or run laps again That was one promise he kept ballooning to 340 pounds and staying there for years Now in Bod 4 God he shares the simple lifestyle changes both inside and out that led to his incredible weight loss and he invites readers to change their lives forever by committing their bodies to Gods glory In addition Steve shows local churches how to impact the health of their entire community by hosting Losing to Live Events such as weight loss competitions and team driven fitness campaigns **How to Lose Weight for the Last Time** Katrina Ubell,2022-09-20 The missing piece to the most sought after health goal How to Lose Weight for the Last Time offers brain based solutions for dropping pounds and keeping them off without suffering or sacrifice As a pediatrician Katrina Ubell MD always struggled with her weight she was either 40 pounds overweight or struggling to lose that weight Although she d regularly counsel parents on the importance of keeping their kids healthy and fostering good eating habits Dr Ubell as a busy professional was never able to do the same for herself Like everyone else she tried many different diets and programs but would always regain the weight In 2015 Dr Ubell cracked the code for making weight loss permanent and developed a program targeted at busy physicians like herself who often de prioritize their own wellness As a weight loss coach Dr Ubell

has helped over 1 000 busy physicians and professionals find and stay at a healthy weight with her brain based program and is now ready to bring this program to the general public Dr Ubell s program doesn t involve any unrealistic diets plans special foods supplements or even rigorous exercise protocols instead she uses a deep understanding of the brain and behavior patterns to get results Through her work she has been able to uncover and speak into the universal obstacles that stand in our way of losing and keeping off weight

Gabriel Method Jon Gabriel,2009-11-13 Jon Gabriel lost over 100 kilos without dieting or surgery and amazingly his body shows almost no sign of ever having been morbidly obese His totally unique and groundbreaking approach to losing weight is backed by solid cutting edge obesity research from over four years of full time investigation of the roles of biochemistry neurobiology quantum physics and human consciousness in weight loss The result is a method that defies common sense wisdom and yet achieves dramatic lasting benefits Celebrity obesity survivors like Muhammad Ali s daughter Khaliah and Robin Moran star of The Discovery Channel s show Super Obese are strong advocates of Jon s Weightloss approach which has also been featured on A Current Affair and Today Tonight in Australia as well as on numerous radio shows and newspaper articles internationally In addition to telling Jon s own story of his amazing transformation the book reveals why diets don t work and explains a truly unique and revolutionary diet free way to lose weight It s based on the fact that your body has an internal logic that determines how fat or thin you will be at any given time The way to lose weight is not to struggle or to force yourself to lose weight but to understand this internal logic and work with it so that your body wants to be thinner When your body wants to be thinner weightloss is inevitable and becomes automatic and effortless You simply crave less food you crave healthier foods your metabolism speeds up and you become very efficient at burning fat just like a naturally thin person And that s the real transformation to transform yourself into a naturally thin person so that you can eat whatever you want whenever you want and still be thin fit and vibrantly healthy
