Losing Paradise:

The Emergence of Judaism Jacob Neusner, 2004-01-01 This introductory textbook on the history of Judaism written by one of the foremost scholars in the field is ideal for college freshmen and high school seniors The book includes chapters on the Pentateuch and the definition of Israel the Torah and the Mishnah and Judaism's way of life the Talmud and Judaism's worldview and the definition and nature of God in Judaism The book concludes with a discussion of why Judaism has succeeded through centuries of competition with Christianity and Islam and a chapter on exemplary figures in the emergence of Judaism The book also includes a bibliography glossary of terms and many important primary documents including the Mishnah the Tosefta the Talmud of the Land of Israel the Talmud of Babylonia Genesis and Genesis Rabbah the Fathers Abot and the Fathers according to Rabbi Nathan

Green Wealth Kevin F. Noon, Judith A. Ward, 2021-07-22 Only a fraction of this country's land can be farmed or developed What happens to the land that is not economically viable Until a few years ago the value of such property would have remained flat with little prospect of appreciating Today however the Federal government has created a huge incentive to turn this land into moneymaking assets Green Wealth explains how newly enacted laws can benefit those who invest in environmentally reconstituted land development The Feds along with many state governments now allow for the creation of individual environmental banks which are established by converting unproductive property into new wetlands endangered species reserves water storage reservoirs and a host of other types of environmentally protected land Credits are then issued to the landowners credits that can be sold to developers seeking to build on previously protected properties As building continues in one place new environmentally sound acreage is created in another Now you can perform an environmentally responsible service and make a highly profitable investment at the same time

Capitalism and Desire Todd McGowan, 2016-09-20 Despite creating vast inequalities and propping up reactionary world regimes capitalism has many passionate defenders but not because of what it withholds from some and gives to others Capitalism dominates Todd McGowan argues because it mimics the structure of our desire while hiding the trauma that the system inflicts upon it People from all backgrounds enjoy what capitalism provides but at the same time are told more and better is yet to come Capitalism traps us through an incomplete satisfaction that compels us after the new the better and the more Capitalism's parasitic relationship to our desires gives it the illusion of corresponding to our natural impulses which is how capitalism's defenders characterize it By understanding this psychic strategy McGowan hopes to divest us of our addiction to capitalist enrichment and help us rediscover enjoyment as we actually experienced it By locating it in the present McGowan frees us from our attachment to a better future and the belief that capitalism is an essential outgrowth of human nature From this perspective our economic social and political worlds open up to real political change Eloquent and enlivened by examples from film television consumer culture and everyday life Capitalism and Desire brings a new psychoanalytically grounded approach to political and social theory

Uncircumscribed Mind Charles W. Durham, Kristin

A. Pruitt, 2008 Includes sixteen essays that represent how challenging stimulating and far ranging are the efforts to read Milton critically and deeply This collection deals with the issue of evil world of Milton s masque and the many worlds of his epic Paradise Lost **Post-Structuralism and the Question of History** Derek Attridge, Geoff Bennington, Robert Young, 1987 Recent developments in literary theory such as structuralism and deconstruction have come under attack for neglecting history while historically based approaches have been criticized for failing to take account of the problems inherent in their methodological foundations This collection of essays is unique in that it focuses on the relation between post structuralism and historical especially Marxist literary theory and criticism The volume includes a deconstructive reading of Marx essays that relate history to the philosophical and institutional context and a number of studies of particular texts literary and non literary which pose the question of history and literary theory with particular force **The Home World**, 1882 **Milton's Late Poems** Lee Morrissey, 2022-08-25 Upending conventional scholarship on Milton and modernity Lee Morrissey recasts Paradise Lost Paradise Regained and Samson Agonistes as narrating three alternative responses to a world in upheaval adjustment avoidance and antagonism Through incisive engagement with narrative form and genre Morrissey shows how each work considered specifically as a fiction grapples with the vicissitudes of a modern world characterised more by paradoxes ambiguities subversions and shifting temporalities than by any rigid historical periodization The interpretations made possible by this book are as invaluable as they are counterintuitive opening new definitions and stimulating avenues of research for Milton students and specialists as well as for those working in the broader field of early modern studies Morrissey invites us to rethink where Milton stands in relation to the greatest products of modernity and in particular to that most modern of genres the novel **The Complete Idiot's Guide to Spiritual Healing** Susan Gregg, 2000 Promotes awareness of mind body spirit connection and provides techniques for healthier living *The New Milton Criticism* Peter C. Herman, Elizabeth Sauer, 2012-04-12 The New Milton Criticism seeks to emphasize ambivalence and discontinuity in Milton s work and interrogate the assumptions and certainties in previous Milton scholarship Contributors to the volume move Milton s open ended poetics to the centre of Milton studies by showing how analysing irresolvable questions religious philosophical and literary critical transforms interpretation and enriches appreciation of his work The New Milton Criticism encourages scholars to embrace uncertainties in his writings rather than attempt to explain them away Twelve critics from a range of countries approaches and methodologies explore these questions in these new readings of Paradise Lost and other works Sure to become a focus of debate and controversy in the field this volume is a truly original contribution to early modern studies **Journal of an Ordinary Grief** Mahmoud Darwish, 2012-02-29 Winner of the 2011 PEN Translation Prize A collection of autobiographical essays by one of the greatest poets to come from Palestine Indispensable reading for anyone interested in the roots and ramifications of the Israeli and Palestinian conflict Muhawi s own prose and meticulous footnotes are impeccable An inspired and scholarly piece of research Words Without Borders

Every beautiful poem is an act of resistance writes Mahmoud Darwish In these probing essays Darwish a voice of the Palestinian people and one of the most transcendent poets of his generation interrogates the experience of occupation and the meaning of liberation Calling upon myth memory and language these essays delve into the poet s experience of house arrest his encounters with Israeli interrogators and the periods he spent in prison Meditative lyrical and rhythmic Darwish gives absence a vital presence in these linked essays Journal is a moving and intimate account of the loss of homeland and for many of life inside the porous walls of occupation no ordinary grief
