Lost Battalion Railway Of Death:

Lost Battalion Kyle Thompson, 2004-11 Thompson pens a gripping personal account of how he as a teenage soldier from rural Texas became a member of the 2nd Battalion 131st Field Artillery the Lost Battalion and became one of the thousands of allied prisoners forced to build the bridge over the River Kwai during World War II Original [A Thousand Cups of Rice](#) Kyle Thompson, 1994 *A Thousand Cups of Rice* by Kyle Thompson is an intimate account of what happened to this American teenager when he and his battalion of field artillery men were captured early in the war and spent three and one half years under the heel of Imperial Japanese Army This small group of mostly Texas National Guardsmen along with hundreds of thousands of Allied POWs and Asian coolie laborers were forced to undergo inhuman mental and physical stress while constructing the 265 mile Death Railway through the jungles of Burma and Thailand and before it was completed in late 1943 more than 100 000 of them had been killed or died of horrible diseases The heartless Asian monsoon contributed to these deaths but mostly they were caused by long hours of hard labor an extreme shortage of food and little or no medical treatment for the numerous jungle diseases that struck these laborers *Hell under the Rising Sun* Kelly E. Crager, 2008-01-22 Late in 1940 the young men of the 2nd Battalion 131st Field Artillery Regiment stepped off the trucks at Camp Bowie in Brownwood Texas ready to complete the training they would need for active duty in World War II Many of them had grown up together in Jacksboro Texas and almost all of them were eager to face any challenge Just over a year later these carefree young Texans would be confronted by horrors they could never have imagined The battalion was en route to bolster the Allied defense of the Philippines when they received news of the Japanese bombing of Pearl Harbor Soon they found themselves ashore on Java with orders to assist the Dutch British and Australian defense of the island against imminent Japanese invasion When war came to Java in March 1942 the Japanese forces overwhelmed the numerically inferior Allied defenders in little more than a week For more than three years the Texans along with the sailors and marines who survived the sinking of the USS Houston were prisoners of the Imperial Japanese Army Beginning in late 1942 these prisoners of war were shipped to Burma to accelerate completion of the Burma Thailand railway These men labored alongside other Allied prisoners and Asian conscript laborers to build more than 260 miles of railroad for their Japanese taskmasters They suffered abscessed wounds near starvation daily beatings and debilitating disease and 89 of the original 534 Texans taken prisoner died in the infested malarial jungles The survivors received a hero's welcome from Gov Coke Stevenson who declared October 29 1945 as Lost Battalion Day when they finally returned to Texas Kelly E Crager consulted official documentary sources of the National Archives and the U S Army and mined the personal memoirs and oral history interviews of the Lost Battalion members He focuses on the treatment the men received in their captivity and surmises that a main factor in the battalion's comparatively high survival rate 84 percent of the 2nd Battalion was the comradery of the Texans and their commitment to care for each other This narrative is grueling yet ultimately inspiring *Hell under the Rising*

Commonwealth of Australia Kalman Dubov, 2021-11-24 The continent of Australia has an ancient and modern history
Aborigines arrived at this continent an estimated 40 000 to 60 000 years ago living a hunter gatherer existence while
developing unique ways to live and thrive on this land That idyllic life ended in 1770 when the great British explorer James
Cook discovered the continent Just eighteen years later in 1788 the First Fleet of convict ships from England established a
colony at Botany Bay near today's city of Sydney The settlement grew and developed while additional convict ships and
settlers came to this continent to make a new home and life for themselves As the number of settlers increased there was a
corresponding series of attacks on the Aborigines Massacres took many lives while European diseases for which the
Aborigines had no immunity decimated these ancient communities I review this tragic interaction between these two diverse
cultures which continues today I also explore the Stolen Generation the racist and genocidal policy of forcibly removing
Aboriginal children from their parents and community then giving these children to white parents to be raised in an
atmosphere intolerant to the Aboriginal culture and history An estimated 100 000 children were taken in this manner
remembered nationally and annually as Sorry Day In addition an estimated 500 000 white children were taken from parents
and given to others While forcibly negating and outlawing native cultures has taken place in many countries where dominant
values are identified as superior to the older and subjugated culture the forcible removal of hundreds of thousands of white
children from parents reflects a policy that begs to be examined in depth I also review the establishment of a Royal
Commission that examined sexual predatory attacks on children both in the Roman Catholic Church by diocesan and order
priests brothers while these children were wards of these religious institutions by order of the federal government I also
explore the percentages of prelates who acted in this criminal manner This issue has been faced in several other countries
with resulting questions regarding the role Catholic priests and their bishops have in teaching religious values while
protecting their charges from sexual abuse The Jewish community too has been charged in this scourge Two religious schools
in Melbourne were charged with knowledge of such attacks taking place in these schools but the rabbinic leadership neither
reported the abuse to civil authorities nor made efforts to stop it In this regard I explore the Jewish law inhibiting such
reporting to secular authorities In fact the historic and traditional Jewish community standard prefers to protect the predator
and not protect the victimized child This standard is gradually changing as progressive awareness is made into the corrosive
atmosphere surrounding a victimized child and the enormous psychological and emotional costs endured by the child for the
remainder of his or her life The theme of sexual abuse is also present with regard to Malka Leifer This woman was charged
with over seventy counts of criminal behavior while having a senior administrative and teaching role in a leading ultra

Orthodox religious school for girls She became a cause célèbre with international intrigue between Australia and Israel when she escaped Australian shores for refuge in Israel Years of legal wrangling ensued by many Israeli courts including the Supreme Court each examining the increasing furor if this woman should be extradited to face criminal charges in Australia Malka Leifer was only recently returned to Australia now finally awaiting her moment of facing her accusers in open court This volume also reviews and analyzes each war Australians fought in from the Second Boer War First World War Second World War Korean and Vietnam Wars the wars in Iraq and Afghanistan These conflicts culminated with the ANZUS Treaty with a military cooperation agreement between the United States Australia and New Zealand The United States identified New Zealand as standing against the West when it promulgated its anti nuclear zone New Zealand identified with smaller Pacific island nations that condemned nuclear testing on remote Pacific islands and the resulting fallout with consequent health issues they face because of such testing I was on the Holland American Grand Voyage while visiting Australian ports I review the different Australian ports the Amsterdam came to such as Darwin Brisbane and Sydney I review each of these cities both as the country developed and modernly with these cities taking on more developed economic power
