The Lost Revolution: Vietnam, 1945-1965. [With an Endpaper Map.] Robert Shaplen, 1966 *The Lost Revolution* Robert Shaplen, 1966 **Vietnam's Lost Revolution** Geoffrey C. Stewart, 2017-03-24 Vietnam's Lost Revolution employs archival material from Vietnam to examine the First Republic of Vietnam's Civic Action program designed to recast the newly independent state as a modern anticommunist nation This book engages with topics like nationalism post colonialism and development in its examination of events that led to the Vietnam War **Routledge Library Editions: Revolution in Vietnam** Various, 2022-07-30 This 7 volume set of previously out of print titles examines both the war for liberation in Vietnam and its political and economic aftermath The economic reforms that began to transform Vietnam from a planned economy to a partially market one are focused on in particular as are the early days of revolutionary conflict *Vietnam 1945* David G. Marr, 2023-09-01 1945 the most significant year in the modern history of Vietnam One thousand years of dynastic politics and monarchist ideology came to an end Eight decades of French rule lay shattered Five years of Japanese military occupation ceased Allied leaders determined that Chinese troops in the north of Indochina and British troops in the South would receive the Japanese surrender Ho Chi Minh proclaimed the Democratic Republic of Vietnam with himself as president Drawing on extensive archival research interviews and an examination of published memoirs and documents David G Marr has written a richly detailed and descriptive analysis of this crucial moment in Vietnamese history He shows how Vietnam became a vortex of intense international and domestic competition for power and how actions in Washington and Paris as well as Saigon Hanoi and Ho Chi Minh's mountain headquarters interacted and clashed often with surprising results Marr's book probes the ways in which war and revolution sustain each other tracing a process that will interest political scientists and sociologists as well as historians and Southeast Asia specialists 1945 the most significant year in the modern history of Vietnam One thousand years of dynastic politics and monarchist ideology came to an end Eight decades of French rule lay shattered Five years of Japanese military occupation ceased Allied leaders *The Vietnam War from the Other Side* Cheng Guan Ang, 2013-07-04 Existing studies of the Vietnam War have been written mostly from an American perspective using western sources and viewing the conflict through western eyes This book based on extensive original research including Vietnamese Chinese and former Soviet sources presents a history of the war from the perspective of the Vietnamese communists It charts relations with Moscow and Beijing showing how the involvement of the two major communist powers changed over time and how the Vietnamese despite their huge dependence on the Chinese and the Soviets were most definitely in charge of their own decision making Overall it provides an important corrective to the many one sided studies of the war and presents a very interesting new perspective **Vietnam's High Ground** J. P. Harris, 2016-09-12 During its struggle for survival from 1954 to 1975 the region known as the Central Highlands was the strategically vital high ground for the South Vietnamese state Successive South Vietnamese governments their American

allies and their Communist enemies all realized early on the fundamental importance of this region Paul Harris's new book based on research in American archives and the use of Vietnamese Communist literature on a very large scale examines the struggle for this region from the mid 1950s tracing its evolution from subversion through insurgency and counterinsurgency to the bigger battles of 1965 The rugged mountains high plateaus and dense jungles of the Central Highlands seemed as forbidding to most Vietnamese as it did to most Americans During 1954 to 1965 the great majority of its inhabitants were not ethnic Vietnamese Ngo Dinh Diem's regime initially supported an American counterinsurgency alliance with the Highlanders only to turn dramatically against it As the war progressed however the Central Highlands became increasingly important It was the area through which most branches of the Ho Chi Minh Trail passed With its rugged jungle clad terrain it also seemed to the North Vietnamese the best place to destroy the elite of South Vietnam's armed forces and to fight initial battles with the Americans For many North Vietnamese however the Central Highlands became a living hell of starvation and disease Even before the arrival of the American 1st Cavalry Division the Communists were generally unable to win the decisive victories they sought in this region Harris's study culminates with an account of the campaign in Pleiku province in October to November a campaign that led to dramatic clashes between the Americans and the North Vietnamese in the Ia Drang valley Harris's analysis overturns many of the accepted accounts about NVA US and ARVN performances **The Vietnam Syndrome** G. Simons, 1997-10-27 This book focuses on the Vietnam Syndrome the effects for the United States of the American defeat in the Vietnam War It argues that a full understanding of the Syndrome requires a proper appreciation of key shaping elements in Vietnamese and American history Attention is given to the racial genocide that attended the birth of the United States to US imperialism and capitalism and to the Cold War framework The nature of America as a plutocracy is emphasised followed by profiles of policy options and three specific issues post war Vietnam El Salvador and Iraq

The Vietnam War on Film David Luhrssen,2019-05-10 Vietnam War on Film illustrates how to employ film as a teaching tool It also stands on its own as an account of the war and the major films that have depicted it Even for many people who experienced the Vietnam War first hand memories of that conflict have often been shaped by the popular films that depicted it The Quiet American The Green Berets The Deer Hunter Coming Home Platoon Full Metal Jacket and Apocalypse Now among others Vietnam War on Film examines how the war is portrayed through a selection of ten iconic films that represent the war through dramatization and storytelling as opposed to through documentary footage The book includes an introduction to the war s history and a timeline of events followed by ten chapters each of which focuses on a specific Vietnam War movie Chapters offer a uniquely detailed level of historical context for the films weighing their depiction of events against the historical record and evaluating how well or how poorly those films reflected the truth and shaped public memory and discourse over the war A final section of resources provides a comprehensive annotated bibliography of print and electronic sources to aid students and teachers in further research

The Encyclopedia of the Vietnam War Bloomsbury Publishing,2011-05-20 Now in its second edition this comprehensive study of the Vietnam War sheds more light on the longest and one of the most controversial conflicts in U

S history The Vietnam War lasted more than a decade was the longest war in U S history and cost the lives of nearly 60 000 American soldiers as well as millions of Vietnamese many of whom were uninvolved civilians The lessons learned from this tragic conflict continue to have great relevance in today s world Now in its second edition The Encyclopedia of the Vietnam War A Political Social and Military History adds an entire additional volume of entries to the already exhaustive first edition making it the most comprehensive reference available about one of the most controversial events in U S history Written to provide multidimensional perspectives into the conflict it covers not only the American experience in Vietnam but also the entire scope of Vietnamese history including the French experience and the Indochina War as well as the origins of the conflict how the United States became involved and the extensive aftermath of this prolonged war It also provides the most complete and accurate order of battle ever published based upon data compiled from Vietnamese sources This latest release delivers even more of what readers have come to expect from the editorship of Spencer C Tucker and the military history experts at ABC CLIO

People's War (RLE Modern East and South East Asia) J.L.S. Girling, 2017-09-19 This book first published in 1969 casts a critical eye over the problem of insurgency The author sees insurgency not just as a matter of technique military tactics or organizational skill nor as the result of force and fraud but as people s war the conditions in which the mass of the people become involved voluntarily or otherwise on either side He quotes Nasution s statement The guerrilla movement is only the result not the cause of the problem People s war brings the peasantry hitherto ignorant apathetic or rejected into the political process For war is the continuation of politics by other means In Asia this was essentially a peasant s war arising when peasant grievances interests or demands cannot be met under the existing legitimate but urban or landowner orientated system of rule It shows little understanding to blame outside intervention when peasant and nationalist unrest leads to revolt The Chinese Communists did not owe success to Soviet aid the Vietminh to Chinese assistance or the Vietcong to North Vietnamese intervention The conclusion applies to governments as to insurgents no amount of outside aid can win the war for them if they themselves are incapable and the people on whom they depend for support have no will to fight This book based on first hand experience of the area and on study of original sources offers 1 an analysis of people s war in China Indochina and Vietnam 2 a critique of US policy in Laos and Vietnam and 3 a comparison with counter measures in Malaya the Philippines and Indonesia It is both original and constructive
