Taoist and Confucian terminology showing Christianity's creative encounter with Chinese culture This volume presents them in bilingual editions annotated and commented with introductions The first English critical edition since 1951 is essential for scholars in theology Church history sinology and comparative religion **Creatures of the Same God** Andrew Linzey, 2009

I don't know why you're spending all your time on this They're only animals for heaven's sake That was the reaction of one of Andrew Linzey's fellow students at King's College London when he was studying theology in the 1970s Since then the now Rev Dr Andrew Linzey has been arguing that animals aren't only anything but rather that they matter to God and should do so to us In this collection of essays Linzey counters with his customary wit erudition and insight some contemporary and perhaps surprising challenges to animal rights from ecotheologians the Church and politicians He contends that far from the sometimes shallow judgments of those who think animals unworthy of theological consideration the Christian tradition has a wellspring of sources and resources available to taking animals seriously Instead of being marginal to the Christian experience Linzey concludes animals can take their rightful place alongside human beings as creatures of the same God There is a long forgotten spiritual tradition that two children both named Jesus were born in Bethlehem to two sets of parents named Joseph and Mary This tradition is supported by the different accounts of the nativity and life of Jesus Christ in the gospels of Matthew and Luke Although the Church chose to ignore this tradition something of it survived in early Christian art and symbolism The full tradition was preserved only in the literature of esoteric sects such as Gnosticism which remained outside the official teachings of institutionalized Christianity **Exploring Church History** Derek Cooper, 2014 Cooper invites readers to consider the significance of church history in the lives of individuals and communities today Rather than offering an exploration of bygone eras and outdated events Cooper brings history to life by emphasizing how past events individuals and movements shape how we understand the world around us *The Wisdom Jesus* Cynthia Bourgeault, 2008-08-12 A new view of Jesus as a Buddha-like wisdom teacher who taught the transformation of consciousness with traditional contemplative practices you can do yourself If you put aside what you think you know about Jesus and approach the Gospels as though for the first time something remarkable happens Jesus emerges as a teacher of the transformation of consciousness The Wisdom Jesus provides a new perspective on Christ and an expansive interpretation of His message Cynthia Bourgeault creates a masterful guide to Jesus's vision and the traditional contemplative practices you can use to experience the heart of his teachings for yourself **The Interpretation of Tang Christianity in the Late Ming China Mission** Matteo Nicolini-Zani, 2023-04-24 The book contains the first annotated English translation of the Correct Explanation of the Tang Stele Eulogy on the Luminous Teaching 1644 by the Jesuit Manuel Dias Jr and other late Ming Chinese Christian sources interpreting the venerable ancestor of the Jesuit mission namely the mission of the Church of the East in Tang China Based on this documentation the book reconstructs the process of appropriation by Jesuit missionaries and their Chinese converts of ancient traces of Christianity that were discovered in China in the first half of the

seventeenth century such as the Xi an stele 781 and other Christian relics **The Story of a Stele** Michael Keevak,2008-02-01 The authors start with a prologue The Story of a Stone which covers its discovery the century of kircher 18th century problems and controversies and the return of the missionaries and finish with an epilogue The Da Qin Temple

Early Christian Remains of Inner Mongolia Tjalling H. F. Halbertsma,2015-07-28 Drawing on recent discoveries this study reconstructs the material culture of the Christian ng t in Inner Mongolia As much of this material no longer survives in the field it provides an insight into the rise and disappearance of a Christian culture in Asia **Training Laborers for His Harvest** Baiyu Andrew Song,2015-04-01 In this project Baiyu Andrew Song explores the mentorship of China s first ordained indigenous evangelist Liang Fa 1789 1855 by Scottish Presbyterian missionary William Milne 1785 1822 in the early nineteenth century The biblically and contextually informed model of mentorship Milne employed is examined in detail which is placed in the historical setting of Milne and Liang s time This project is particularly important in that it pioneers historical study in the area of the early protestant church history in China specifically in regard to William Milne Essays in Contextual Theology Steve Bevens,2018-06-12 Essays in Contextual Theology is a collection of essays that reflect on the doing of contextual theology from several perspectives After a general introductory essay subsequent essays reflect on topics such as contextual theology and prophetic dialogue criteria for orthodoxy the nature of tradition the role of culture the dynamics of conversion and the way theology is being done in World Christianity The collection closes with an autobiographical essay tracing the author s journey to becoming a global theologian
