Love To Cherish:

Jessie Bernard Reader Jessie Bernard, Michael S. Kimmel, Yasemin Besen, 2015-11-17 Jessie Bernard was one of the foremost early feminist sociologists and public intellectuals in women's studies. In *The Jessie Bernard Reader*, Michael S. Kimmel and Yasemin Besen have compiled her most intriguing and influential work on marriage, the family, sexuality, and changing women's roles in the United States. Bernard's pioneering works bridged the gap between academic social science and public advocacy for gender equality. Her books were landmarks in demarcating the effects of the separation of spheres. Among her most celebrated arguments was that couples experienced two different marriages: his and hers, and that his was better than hers. This volume will inspire a new generation of scholars, a generation that inherits the gains for which Bernard struggled her entire career. *Hit* Mary Edwards Walker, M.D., 2019-02-05 Autobiography of the first American woman

surgeon, the only woman to earn the Congressional Medal of Honor and an early radical equity feminist. **God Understands Divorce** Barry D. Ham, 2012-01-17 How to survive the life, death, and rebirth of marriage. Forgiveness removes any walls between you and God. Forgiveness is vertical as well as horizontal. Myles Munroe excerpt from *Single, Married, Separated, and Life After Divorce*. *God Understands Divorce* is a comprehensive compilation of real-life marriage situations that explain how quickly relationships can deteriorate, how to bring life back to terminally ill marriages, and how to let go. Whether you are divorced or thinking about it, you will discover how and why God understands divorce, how to cope and become refreshed and respected. A variety of real-life scenarios designed to change your perspective. An interactive, friendly conversation to help revive the best part of you. The eight steps to reconciliation. Critical marital issues discussed include Infidelity and Impotence, Drug and Alcohol Abuse, Personal Growth, Finances, and Parenting. Personal Happiness, Intolerance, Physical and Emotional Abuse, Incompatibility. *God Understands Divorce* brings you full circle back into the loving arms of a loving God. **Staying One** Clinton W. McLemore, Anna M. McLemore, 2017-02-21 Marriage is the most demanding and potentially rewarding relationship for many adults. Learning to navigate its challenges can be difficult. *Staying One* is a practical guide that not only teaches the spiritual 'what' and 'why' of marriage but also provides advice and practice in the 'how.' Intended to save readers from the pain of learning the hard way, it illustrates and explains biblically sound approaches to building a healthy and fulfilling marriage that lasts. These include things married people should and shouldn't say to each other. *Staying One* will prove useful to pastors in their pre-marital counseling and to the couples they are ministering to. It will serve as powerful source material for marriage enrichment workshops, retreats focused on marriage, and church-based growth groups and adult education classes. The book will prove of special interest to engaged couples, newlyweds, those wanting to revitalize their marriages, and married people on the brink of divorce. A key feature is that each chapter concludes with a response from the author's wife, reflecting a woman's point of view. We also offer a Workbook for use in completing the twenty hands-on activities contained in *Staying One*, as well as a comprehensive Leader's Guide for those facilitating.
