**Love's Journey** Dontavius M. Foster,2010-02-08 Summary of Love s Journey In this book I have had more than my share of life s problems and I feel like we all share the same common thoughts in wondering how one s life can be so promising yet deceptive How love and hate co exist in a realm of equal compromise To the edification of good nevertheless evil always seem to follow Life is not to be mistreated so life has to be embraced However love is only surreal to those who treat it like that Therefore we have the power to declare our happiness and decipher who what when where and why people try to keep us miserable like themselves Along this journey love and pain has been produced and we all must go through this chapter of life I feel like its time to let others feel what I have experienced and now realize what has been due to me since my very existence my happiness and to show you all that you too can have peace in whatever situation you may be facing because you cannot stay down forever I have tasted a piece the goodness and I want more Finally to those who have chosen to read this book I hope you find useful information to move on to your destiny your happiness and your eighth wonder of the world You have to want better and hold on to what life has in store for you If it s for you then no one else can take it P S Find your reason for living and there you will find what makes you tick Dontavius M Foster *One Goal, Two Paths and Three Powers*
