Will Hasty, 2006 New essays on the first flowering of German literature in the High Middle Ages and especially during the period 1180-1230 The High Middle Ages and particularly the period from 1180 to 1230 saw the beginnings of a vibrant literary culture in the German vernacular While significant literary achievements in German had already been made in earlier centuries they were a somewhat precarious vernacular extension of Christian Latin culture But the vernacular literary culture of the High Middle Ages was an integral part of broader cultural developments in which the unquestioned validity of traditional authoritative models began to lose its hold A secular culture began to emerge in which positive value began to be attached to the however transitory allegiances pleasures and loves of life In new essays dealing with the most significant literary genres the heroic epics the romances the love lyrics and political poetry and with broader political social and cultural issues control of aggression territorialization this third volume of the Camden House History of German Literature demonstrates how the emergence of a vernacular literary culture in Germany was an important part of a broader cultural transformation in which medieval people began to redefine themselves their relationships to one another and the position of humanity in the scheme of things Contributors Albrecht Classen Nicola McLelland Rodney Fisher Neil Thomas Marion Gibbs and Sidney Johnson Rüdiger Krohn Will Hasty Nigel Harris Susann Samples Sara Poor Michael Resler Rüdiger Brandt Elizabeth A Andersen Ulrich Müller and Franz Viktor Spechtler Ruth Weichselbaumer W H Jackson Charles Bowlus Will Hasty is Professor of German Studies and co founder and co director of the Center for Medieval and Early Modern Studies at the University of Florida      **Child of My Mother** Kenechukwu Onwudinjo, 2015-12-04 Child of my Mother captures the yearnings of the human soul and stirs up emotions that could be shared by anyone It adopts a confrontational approach to multiples of themes Familial warmth threads its way through the poems forming a centre that seeks to hold together mans universal family which includes nature Child of My Mother adopts Igbo communal and all inclusive perspective These interactions entice the reader to participate in the experiences explored They mirror the concerns of the immediate and global community including migrant crises climate change terrorism and reverberating themes of abuse Its confrontational tone provokes a tumult of emotions and ensures that something uncoils inside of the reader Child of My Mother quarries from the abundant imagery of the Igbo cosmology It harvests as much from personal experiences as from images from the rich Igbo cosmology to say what must be said Some of the poems in Child of My Mother echo older Nigerian poets      *Love's Gathering* Heartsender, 2002-06-11 This breakthrough collection of emotions will be uplifting to anyone who believes in the power of love      *Carnival!* Umberto Eco, V. **Unraveling Taboo: Love's Unexpected Pathways** Dr. Anthony Mathews,2024-08-16 In a world where sexuality love greed and money take on new meanings and death lurks around every corner a captivating story unfolds Father a sophisticated and wealthy 60 year old man and his 34 year old son both find themselves enamored with a stunning 27 year old single woman Initially she becomes the lover of the father a known adventurer with a penchant for beautiful young women However when she meets his son she falls deeply in love and marries him perhaps driven by financial motives The tycoon her ex lover and now father in law cannot and will not relinquish his love for her He insists on continuing their intimate relationship even resorting to pressure and ultimatums when she objects Despite the husband's suspicions it is the wife herself who reveals the shocking truth she has been regularly sleeping with his father both before and after their marriage A war erupts between the three as life teaches us to smile through the tears Who do you think will be the first to die Or is the human being simply a poor customer of life Life on earth is a journey filled with people we encounter in all seasons Some accompany us while others remain behind Those who stay with us will witness our happiness smiles sadness and ultimately our death In a world that is absurd full of wonders and where death is ever present life is riddled with disappointment We always need that breath of air to outlet our emotions to breathe heavily and calm ourselves down There is no such thing as one hundred percent security in this life there are always unforeseen events Living is an art and dying is an art as well
