Love Works Like This Moving From One Kind Of Life To Another:

You Can't Make This Stuff Up Lee Gutkind,2012-08-14 From the Godfather behind Creative Nonfiction and founder and editor of Creative Nonfiction Magazine a how to guide for every aspect of creative nonfiction *Disability and/in Prose* Brenda Jo Brueggemann,Marian E. Lupo,2013-09-13 Through a series of critical essays this book concerns the relationships and possibilities in and between prose and disability It covers a diverse range from the role of the disability memoir the effect of disablement on soldiers phantom limb syndrome and the suspicion of faking it that sometimes surrounds **The Oxford Companion to Fairy Tales** Jack Zipes,2015-09-10 In over 1 000 entries this acclaimed Companion covers all aspects of the Western fairy tale tradition from medieval to modern under the guidance of Professor Jack Zipes It provides an authoritative reference source for this complex and captivating genre exploring the tales themselves the writers who wrote and reworked them and the artists who illustrated them It also covers numerous related topics such as the fairy tale and film television art opera ballet the oral tradition music advertising cartoons fantasy literature feminism and stamps First published in 2000 130 new entries have been added to account for recent developments in the field including J K Rowling and Suzanne Collins and new articles on topics such as cognitive criticism and fairy tales digital fairy tales fairy tale blogs and websites and pornography and fairy tales The remaining entries have been revised and updated in consultation with expert contributors This second edition contains beautifully designed feature articles highlighting countries with a strong fairy tale tradition covering Britain and Ireland France Germany Italy Japan North America and Canada Portugal Scandinavian countries Slavic and Baltic countries and Spain It also includes an informative and engaging introduction by the editor which sets the subject in its historical and literary context A detailed and updated bibliography provides information about background literature and further reading material In addition the A to Z entries are accompanied by over 60 beautiful and carefully selected black and white illustrations Already renowned in its field the second edition of this unique work is an essential companion for anyone interested in fairy tales in literature film and art and for anyone who values the tradition of storytelling Memoir G. Thomas Couser,2012-01-19 A compact pithy guide to the most popular form of life writing Memoir An Introduction provides a primer to the ubiquitous literary form and its many subgenres Mad Muse Jeffrey Berman,2019-09-03 Many of the well respected scholarly studies of autobiographical writing have little or nothing to say about mental illness This book uncovers the mysterious relationship between mood disorders and creativity through the lives of seven writers demonstrating how mental illness is sometimes the driving force behind creativity Playing House Lauren Slater,2015-07-14 Acclaimed author Lauren Slater ruminates on what it means to be family Lauren Slater s rocky childhood left her cold to the idea of ever creating a family of her own but a husband two dogs two children and three houses later she came around to the challenges trials and unexpected rewards of playing house In these autobiographical pieces Slater presents snapshots of domestic life populating them with the gritty details and jarring realities of sharing home life and body in the curious institution called

family She asks difficult questions and probes unsettling truths about sex love and parenting In these pages Slater introduces us to her struggles with her mother her determination to make a home of her own her compromises in deciding to marry her conflicts manifesting as an affair on the eve of her wedding her initial struggle to connect with her newborn child and the dilemmas of mothering with a mental illness She writes openly about her decision to abort her second pregnancy and her later decision to have a second child after all She tells us about the searing decision to have elective double mastectomy and how her love for her husband was magically rekindled after she saw him catch fire in a chemical accident It s not all mastectomies and chemical fires though Slater digs into the everyday challenges of family living from buying a lemon of a car and fighting back menacing weeds to gaining weight and being jealous of the nanny Beautifully written often humorous and always revealing these stories scrutinize the complex questions surrounding family life offering up sometimes uncomfortable truths *Mad at School* Margaret Price,2011-02-17 Explores the contested boundaries between disability illness and mental illness in higher education

Goldstein,2012-11-13 Women rabbis are changing the face of Judaism Discover how their interpretations of the Prophets Writings and Megillot can enrich your perspective The Haftarah is a potent tool for understanding the values ethics and moral lessons contained in the Torah readings In this first of its kind volume more than eighty women rabbis from the Reform Conservative and Reconstructionist movements offer fresh perspectives on the beloved texts that make up the Haftarah the Prophets and Writings and the Five Megillot Based on readings that are rich in imagery some poetic some narrative some dark and brooding their commentaries include surprising insights on the stories of Deborah and Yael David and Goliath David and Bathsheva and the witch of Endor among many others Themes such as Jerusalem as woman the story of Jonah and the fish and other prophetic images are informed and challenged by this groundbreaking work A rich resource a major contribution to modern biblical commentary and the ideal companion to The Women s Torah Commentary The Women s Haftarah Commentary will inspire all of us to gain deeper meaning from the Hebrew scriptures and a heightened appreciation of Judaism

Birth Control Allison Yarrow,2023-07-18 Supported by ample data and suffused with anger an award winning journalist convincingly recasts this country s maternal health care system as needlessly dehumanizing New York Times Book Review Modern medicine should make pregnancy and childbirth safer for all But in Birth Control award winning journalist Allison Yarrow reveals how women are controlled traumatized injured and even killed because of the traditionalist practices of medical professionals and hospitals Ever since doctors stole control of birth from midwives in the 19th century women have been steamrolled by a male dominated medical establishment that has everyone convinced that birthing bodies are inherently flawed and that every pregnancy is a crisis that it alone can solve Common medical practices and procedures violate human rights and the law yet take place daily Misogyny and racism not scientific evidence and support shape the overwhelming majority of America s four million annual births Drawing on extensive reporting expert interviews an original survey of 1 300 mothers and her own personal experiences Yarrow documents how modern maternal health care is insidiously purposefully designed to take power from women to the detriment of their physical and mental health not just during labor but for years after She then shows a better way exploring solutions both cutting edge and ancient to finally return power and control to birthing people Full of urgent insights and heartfelt emotion Birth Control is an explosive call to action

Mediating Memory Bunty Avieson,Fiona Giles,Sue Joseph,2017-10-16 The argument has been made that memoir reflects and augments the narcissistic tendencies of our neo liberal age The Literature of Remembering Tracing the Limits of Memoir challenges and dismantles that assumption Focusing on the history theory and practice of memoir writing editors Bunty Avieson Fiona Giles and Sue Joseph provide a thorough and cutting edge examination of memoir through the lenses of ethics practice and innovation By investigating memoir across cultural boundaries in its various guises and tracing its limits the editors convincingly demonstrate the plurality of ways in which memoir is helping us make sense of who we are who we were and the influences that shape us along the way
