Mama's Voice Esther Bganya, 2015-03-31 *Mama's Voice* is the product of a middle aged Christian psychiatrist and mother who journals her life observations and experiences hoping to pass on some life lessons to her children What started off as random journaling of thoughts ended up being a published book released as a birthday present for her children The book is written in a random manner with life lessons ranging from self esteem bad habits addictions snobbery conflict money selfishness greed and codependent relationships through to family dramas The author attempts to capture some important life lessons with a touch of humor and rawness that depicts the real life dramas Both pleasurable and painful life observations and experiences are unapologetically expressed with a rawness that does not coat it with sweet candy It's about real life seen through the eyes of a mother going through a midlife crisis and questioning most things she had taken for granted The messages are given as direct instructions to her children in second or third person voices and riddles The messages are just as random as they entered the author's thoughts This is a light read for both the middle aged and young who are questioning a few things in their worldview Like the philosopher in the book of

Ecclesiastes the author grapples with certain life issues until she finally realizes that she cannot fix the world and she gives up control The forty five year old author starts off by writing a letter to her thirteen year old self and ends the book with her modified version of the Ten Commandments and a futuristic letter to her eighty five year old self **Look At Me** Glenda Rice, I am Always Here With You Himanshu Rai,2019 Kartik fell in love with Ashima the very first time he saw her She was everything he had ever imagined in his dream girl his Angel As their friendship bloomed into deep love culminating into marriage he became her Teddy her confidant and an eternal support But in trying to be with her Kartik made a choice that broke his father s heart and hopes As Kartik and Ashima gear up to step into the next phase of their relationship life seems like an overload of joy and love He is confident his love for Ashima will win over all odds even his father Little did he know that things were going to change drastically forever Why does Ashima marry someone else Why does Kartik accept it silently And why is life so unpredictable This is a story of deep love that knows no bounds relationships that break all barriers and a promise I am Always Here with You Northern Exposure Joyce Livingston,2013-09-01 Life has been hard for Victoria Whitmore but at long last things are beginning to fall into place As she has long desired Victoria is going to open a gift shop with her mother But when Mom suddenly falls in love with a man she meets on a cruise Victoria s dreams collapse How could her mother abandon her How could she drop everything and move to Alaska As things turn out Victoria s new step brother Buck is even more of a threat to her precious plans She has to admit that Buck is everything she could want in a husband But how can she trust another man after all that has happened to her And how can she lay aside her anger at God Just as she begins to deal with these issues life takes a strange twist Can Victoria s new love and trust survive in the face of a terrible surprise **Libertie** Kaitlyn Greenidge,2022-03-15 Named One of the Most Anticipated Books of 2021 by O The Oprah Magazine The New York Times The Washington Post Time The Millions Refinery29 Publishers Lunch BuzzFeed the Rumpus BookPage Harper s Bazaar Ms Goodreads and more An elegantly layered beautifully rendered tour de force that is not to be missed Roxane Gay author of Hunger The critically acclaimed and Whiting Award winning author of We Love You Charlie Freeman returns with Libertie an unforgettable story about one young Black girl s attempt to find a place where she can be fully and only herself Coming of age in a free Black community in Reconstruction era Brooklyn Libertie Sampson is all too aware that her purposeful mother a practicing physician has a vision for their future together Libertie is to go to medical school and practice alongside her But Libertie drawn more to music than science feels stifled by her mother s choices and is hungry for something else is there really only one way to have an autonomous life And she is constantly reminded that unlike her light skinned mother Libertie will not be able to pass for white When a young man from Haiti proposes to Libertie and promises she will be his equal on the island she accepts only to discover that she is still subordinate to him and all men As she tries to parse what freedom actually means for a Black woman Libertie struggles with where she might find it for herself and for generations to come Inspired by the life of one of the first Black female doctors in the United States and rich with
