Love Your Neighbor:

How to Love Your Neighbor Without Being Weird Amy Lively, 2015-04-28 I want to love my neighbor but I don't know how. Most of us feel guilty about Christ's command to love our neighbor but let's be honest we don't even know most of the people living around us. How can we love people we don't even know? Besides, doesn't it count as loving our neighbor when we send money to missionaries and put out yard signs for our church? Are we supposed to just knock on our neighbors' doors and tell them about Jesus? They'll think I'm weird. *How to Love Your Neighbor Without Being Weird* helps you overcome fears about getting to know your neighbors and sharing your faith. You'll learn simple practical ways to get to know your neighbors using your God-given personality. As you venture out of the comfort of your living room and into the lives of your neighbors, you'll form authentic friendships, create a safer community, and find fulfillment in obeying Christ's 2nd command. Loving your neighbor isn't a random command; it's God's perfect plan. A very timely book for a very isolated culture, Amy Lively offers practical help and guidance in the neglected practice of hospitality. Dr. Dennis Rainey, president of FamilyLife, says this ministry is changing lives. Amy has followed God's leading into an untapped area of people that need Jesus. What a simple idea of reaching out to your neighborhood, the area that God placed you in for His purposes. Amy's ideas and excellent resources have offered a no-excuse zone for this ministry. The Lord said, "Love me and love your neighbor." He chose Amy to show us the way. Thank you for this amazing resource. Chrissy Dunham, director of women's ministry at Prestonwood Baptist Church, Plano, Texas. Amy knows God has given each of us a corner of the world to share the love of Jesus and the hope found in His Word. Her book equips women spiritually and practically to answer this call and open their hearts and homes to friends and neighbors. Wendy Blight, Proverbs 31 Ministries speaker and author, says Amy's brilliant approach to engaging our neighbors is natural, fun, and life-changing. She provides every single thing you will need, including courage. This book and practice is a must for everyone desiring to honor and obey the Lord. Debbie Stuart, church and leadership development director, Women of Faith. Amy gives us the keys to really connect with those who live around us, not with an agenda but with a heart toward real relationships. A must read for anyone who believes that love of thy neighbor really starts at your front door. Kathi Lipp, coauthor of *The Cure for the Perfect Life* and author of *The Husband Project*. With hundreds of friends on social media, why are we so lonely? In her amazing book, Amy Lively identifies the heart need for deep connection that's not being met through a screen and offers a simple solution: Actually meet the people who live near you. Amy's openness to share her successes and failures at reaching out will inspire you to try it yourself. Glynnis Whitwer, author of *Everyday Confetti*, executive director of communications, Proverbs 31 Ministries. Amy shows us step by step how to conquer our fears, connect with our neighbors, and have fun too. Highly recommend. Cindy Bultema, speaker, Bible teacher, and author of *Red Hot Faith*. What does love your neighbor as yourself really mean? In this book, Amy Lively will give you the tips, tools, and techniques you need to love your neighbor in your own unique way. Jennifer Rothschild, author of *Lessons I Learned in the Dark*, founder of Fresh Grounded.

Thomas D. Williams, 2005-03 Over the past half century the language of human rights has gained such dominance in moral civic and ecclesiastical discourse that ethical and social questions are increasingly framed in terms of rights Yet the vast literature dealing with human and civil rights focuses almost exclusively on the juridical and practical ramifications of rights rather than the philosophical moral and foundational aspects As a result the proliferation of rights claims and catalogs has not been accompanied by a reasoned case for the existence of human rights or rational criteria for distinguishing true moral entitlement from spurious claims *Who Is My Neighbor* makes an original compelling case for human rights as moral entitlements grounded in the dignity of the human person Drawing upon insights of Thomistic Personalism Thomas D Williams sets forth in clear vigorous prose the anthropological philosophical and theological bases for asserting that the human person must always be loved as an end and never used as a mere means Williams grants ample space to critics of rights theory and systematically answers their arguments by showing how rightly understood human rights dovetail with classical ethical theory and traditional formulations of justice and natural law Williams suggests that rights language not only does no violence to classical ethics but serves to highlight certain fundamental truths about the human person essential to right human relations *Love Your Neighbor* Norman L. Geisler, Ryan P. Snuffer, 2007-07-09 *Love Your Neighbor* is a concise introduction to Christian ethics It begins with a look at the biblical basis for morality defines and describes various philosophical approaches to the subject of ethics then connects biblical morality with the idea of absolute truth in philosophy The book then moves from its philosophical basis to a practical application of Christian ethics considering a wide range of social biomedical and personal

issues It does not take a partisan or denominational approach to these issues but squarely faces them with an open mind and open Bible The book is based on sound biblical and philosophical reasoning and does not tell readers what to think but encourages them to think biblically and critically through these issues **Who Is My Neighbor?** Wayne Gordon, 2010-10-20

An expert in the law once asked Jesus what he must do to inherit eternal life and his question initiated a very interesting conversation The Law says to love your neighbor as yourself Jesus pointed out so the next logical question is Who is my neighbor Rather than offering an exhaustive list of neighbors and non neighbors Jesus told a story the Parable of the Good Samaritan Out of that famous parable Dr Wayne Gordon draws more than forty characteristics of the man who was beaten robbed and left for dead on the road to Jericho the character Jesus created to show Christians how to recognize their neighbors Dr Gordon brings that character vividly to life in Who Is My Neighbor and helps readers use Jesus parable as a reference point for their interactions in their community and the world And as readers catch Jesus vision of neighborliness they will also find practical suggestions for meeting needs and changing the lives of those around them that is their neighbors

The Neighbor Slavoj Žižek, Eric L. Santner, Kenneth Reinhard, 2010-06-08 In Civilization and Its Discontents Freud made abundantly clear what he thought about the biblical injunction first articulated in Leviticus 19:18 and then elaborated in Christian teachings to love one's neighbor as oneself Let us adopt a naive attitude towards it he proposed as though we were hearing it for the first time we shall be unable then to suppress a feeling of surprise and bewilderment After the horrors of World War II the Holocaust Stalinism and Yugoslavia Leviticus 19:18 seems even less conceivable but all the more urgent now than Freud imagined In The Neighbor three of the most significant intellectuals working in psychoanalysis and critical theory collaborate to show how this problem of neighbor love opens questions that are fundamental to ethical inquiry and that suggest a new theological configuration of political theory Their three extended essays explore today's central historical problem the persistence of the theological in the political In Towards a Political Theology of the Neighbor Kenneth Reinhard supplements Carl Schmitt's political theology of the enemy and friend with a political theology of the neighbor based in psychoanalysis In Miracles Happen Eric L. Santner extends the book's exploration of neighbor love through a bracing reassessment of Benjamin and Rosenzweig And in an impassioned plea for ethical violence Slavoj Žižek's Neighbors and Other Monsters reconsiders the idea of excess to rehabilitate a positive sense of the inhuman and challenge the influence of Levinas on contemporary ethical thought A rich and suggestive account of the interplay between love and hate self and other personal and political The Neighbor will prove to be a touchstone across the humanities and a crucial text for understanding the persistence of political theology in secular modernity

The Second Commandment James A. Ross, 2017-11-28 Then one of them who was a lawyer asked him a question trying to tempt him and said Master what is the great commandment in the law Jesus said to him you will love the Lord your God with all your heart and with all your soul and with your entire mind This is the first and great commandment And the second is like the first you will love your neighbor as yourself On these two commandments hangs all of the law and the prophets Matthew 22:35-40 Loving God is not a difficult task for most believers The hard part is learning to love our neighbors Jesus said offenses must come but how do we as Christians learn to love others when they have offended or hurt us We have the fruit of the spirit for tasks such as this It is said the root in us produces the fruit in us but it is the depth of the root that produces the sweetness of

the fruit The Scripture teaches us that the good ground brings forth 30 60 or a 100 fold With this in mind how do we nourish a Christ centered root that travels to the depth of our being which produces a 100 fold return Loving our neighbor is only superseded by loving God John said in 1 John 3 23 And this is his commandment That we should believe in the name of his Son Jesus Christ and love one another as he gave us commandments to do This should be placed high in our Christian priorities John also said how can we love God who we cannot see if we do not love our brothers who we can see As Christians we cannot leave this vital commandment left undone if we have any desire to mature in our faith The Second Commandment guides us in strengthening ourselves in love compassion and forgiveness and that our ability to love the unlovely becomes a high priority in our faith
