Love Your World:

Meditation Kelly Chance Beckman,2011 **And God Answered....** Rod Guerrero,2013-11 We often allow ourselves to get defeated in sadness depression despair loneliness and ultimately self destruction These are terrible places to be But there is a way out of those places and that is through God s love and trust along with belief in yourself In **And God Answered** author Rod Guerrero offers a discussion of how to turn negative thoughts into positive energy Presented as a back and forth conversation between Guerrero and God this study provides a serious and thoughtful discussion of topics relevant to the lives of all beings that inhabit and share our world Guerrero maintains that to be mired in negativity is an exhausting waste of energy and that life is meant for joy and not struggle We can fill our lives with love peace and prosperity by building on the inexhaustible supply of love that exists in all of us You can unleash that authentic power within you and set yourself free Including original poems **And God Answered** communicates that any negativity can be bridged over to the positive by stilling your thoughts and communing with God to redirect your thoughts and create as you desire **Power Coupling** Katherine McClelland,2019-09-03 An experienced partnership coach takes readers on a journey from practical tools for balancing life and love to discovering their inner power and passion Katherine McClelland has spent decades coaching individuals and couples toward living the lives of their dreams Now in **Power Coupling** she shares a step by step guide to help readers bring balance to their personal and professional lives while igniting their inner passions These tools and ideas help readers get in touch with their true sources of power so they can derive strength from their partnerships even in times of strain or crisis Within **Power Coupling** readers learn The 3 critical principles successful people use to make their efforts powerful and efficient Strategies for patient and kind communication in any role or setting How to focus on one area of life at a time while staying connected to all the things that matter most And so much more **Trailblazers 4' 2006 Ed. , In the Image of God** Shirley Mayhood,2022-05-02 We were created in the image of our Creator It was a perfect and loving relationship but when Adam and Eve chose evil over that relationship with their Creator that image of God we were created with was lost to us In our world today many Christians are more attuned to the world than to God s Word Many seem to have the attitude that because they are in the world they must be like the world But this world is not anything like God and Christians need to come to the certain knowledge that they are in the world but not of the world We as God s kids are not to live in the image of a lost world careening into a dark and bottomless pit of pure evil Jesus Christ became our atoning sacrifice so that you and I can return to that original image of God that we were created to be This ought to be our goal in life to be like God to do our very best to live in the image of God This book is a daily devotional of biblical attitudes characteristics of Jesus Christ the deep meaning and example of God s amazing precepts and loving actions God gave us a book to show us His right and loving law but when Jesus came He condensed all of the Father s law into just two Jesus said to him You shall love the Lord your God with all your heart with all your soul and with all your mind This is the first and great commandment And the second is like it

You shall love your neighbor as yourself On these two commandments hang all the Law and the Prophets Matthew 22 37 40 It is my sincere hope that this book of devotions will help all who read it to know God better to love Him more and to understand what the true image of God means 451 Uncommon Vessels Sara Whitten,2022-03-22 Have you ever felt like there was something more meant for your life There is Let s journey to the heart of Scripture to discover how to live in the chance taking destiny fulfilling peace filled mess making love driven way for which we were designed These ten life changing truths take normal living and flip it upside down Unearth new truths about your specific calling and answers for your stuck places with prayerful encounters designed to ask God those hard questions and hear him answer Prepare to be renewed from the inside out and as a result to become uncommon vessels for greater purposes **Virtue Ethics, Old and New** Stephen Mark Gardiner,2005 There are grounds for saying that contemporary work in virtue ethics is if not quite in its theoretical infancy at least not far out of diapers And this suggests that we should be gentle and nurturing allowing it time to flourish before coming to any definitive verdict on its merits However it is hard to deny that modern day virtue ethics is part of a long sophisticated and fairly continuous tradition Not only does the approach have origins almost as ancient as philosophy itself but its history also includes extensive work by such philosophical luminaries as at least Socrates Plato Aristotle the Stoics Aquinas and perhaps Hume and Nietzsche And this suggests that we should already be in a good position to assess its appeal from the Introduction In *Virtue Ethics Old and New* ten philosophers seek to enrich the contemporary understanding and development of virtue ethics through a detailed examination of some key contributions from its past Their essays demonstrate the continuing relevance of the history of moral philosophy to contemporary debates **Knowing Who I Am** Nianell,2012-10-15 Wherever she goes the popular South African recording artist and celebrity Nianell offers this important inspiring message Every one of us should love ourselves When we learn how to love ourselves unconditionally we will be able to experience a life worth living and also inspire and touch the people around us Then we not only make a difference in our own lives but also in the lives of others In her first book *Knowing Who I Am* Nianell tells how she has learned to love herself She takes the reader on a journey through her life from being a shy withdrawn schoolgirl to becoming the acclaimed singer songwriter she is today Like most people Nianell has had to face challenges and she offers an honest and unpretentious account of her personal experience of suffering the struggle to belong love womanhood being a mother of triplets and being a star Her personal stories many shared with the public for the first time illustrate how she discovered who she really is and how she came to the point of accepting herself and her worth Nianell s descriptions of her experiences will touch your heart inspire you and help you realize the value of accepting and loving yourself as you are *Knowing Who I Am* is an enjoyable combination of biography and inspiration It is a reading and growing experience that will remain with you long after you have finished the book The eBook comes with a special link so you can download some of Nianell s most inspiring songs

From Scapegoats to Lambs Charles L. Brown Jr.,2021-07-21 Unlike so many murders of unarmed black and brown

bodies by police officers the viral video recording of George Floyd's modern day lynching set into motion a Kairos moment in time the impact of which is still being felt over a year later How Why did God usher in this season of transformation now Can God's Word teach us how to reverse engineer communal violent scapegoating What role can each of us play to eradicate police brutality From Scapegoats to Lambs How God's Word Speaks to George Floyd's Murder audaciously confronts these issues stemming from Charles L Brown Jr's unflinching belief that God's Word is uniquely qualified to preach to and through the legacy of the suffering of black and brown bodies and that the Lord has a way of humbling the powerful and empowering the humiliated In adopting what he calls hood hermeneutics Brown joins the ranks of a growing number of unapologetic black Christian intellectuals unashamedly challenging the Church to mine the text with ferocious passion until it speaks compellingly to the struggle of those violently scapegoated *Cogito* Antoine Bacha, Liliana Franco, 2007-08 While in captivity by Palestinian terrorists Antoine began hearing what he described as a loving caring voice that showed him to rise above his terrible pain and misery by connecting to his creator's spirit The voice also told him among other things that he would meet an unusual woman who would share in his spiritual journey He did not know that the woman would also experience the very same kind of intuitive lessons from the voice as he did Inspired by the loving spirit of the voice that speaks through both of them Antoine and Liliana now share that message with the world Their journey takes them from the horrible imprisonment by cruel terrorists through the anxieties we all face in everyday life into an ongoing journey toward spiritual liberation
