

True Love Waits

**I love you and I know you love me too
Were both in the right track but not in the right time
We have to fortify what we feel towards each other
Because the present emotion that we comprise are not enough
To fight the gigantic barriers between us
Saying I do and till I die are easy as adding one plus one
But to put it into action is as hard as searching for
lost needle in the sea
Perhaps to be invulnerable in what ever storm we**

**encounter is uncertain
So I suppose, meanwhile we should put ourselves in adversity
To be readily and prepared enough
To travel and face the chaotic life
Being brought to us by the ALMIGHTY ALLAH
As of this moment admittedly it pains us
But we have to suffer first before us
Can taste the glory of love together,
other wise well never....**

This story is based on a true love story that spanned almost two decades The names and places have been changed to protect the privacy of the individuals involved in this affair The chronological sequence of events has been maintained for continuity All the stories and experiences are based on facts This book is about a love story that was kept secret for 18 years and perhaps should've remained a secret The first book related to this love story was a book of poems entitled Somewhere Sometime Somehow Love Poems and Short Stories published in 2008 by this author and Xlibris For the perceptive reader of this book one can trace the ups and downs of our

love relationship These 18 years were filled with robust love and passion for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart Perhaps it was a one sided love affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other Love Can Happen After Marriage Too Shivakant Kushwaha,2022-07-02 Yes I m Yatra Yes the same that takes you to a destination with your partner the journey to take your parents to a pilgrimage the journey that guides a stray the journey that makes someone successful but saw If you go the journey is just alone without any partner the journey has no value without any partner Shiva the one who introduced me to himself the one who gave me the hope of living the one who attained it was like finding some god for me I will start everything from the beginning I met him married him but for two years of marriage we were only good friends then one day he adopted a child due to the arrival of the Netri the physical distance of both of us also starts decreasing then Yukta came into our life with her first smile One day I came to know that you have caught her in never curable disease I came to her and came to know about Riya both Shiva and Riya loved each other very much but when I met Riya So she had a lot of hatred for Shiva in her mind she did not even want to see Shiva s After reading Shiva s diary I came to know that his last wish is that Riya should come and tell him that Yes I still love you as much as I was before When I was going to Riya I was in my mind There was only one question Why did these two parting **Shall We Wait** ADLIYA SHAFI, This book is mainly about the anticipation if we should wait or move on if a relationship with anyone is somewhat gone wrong wait or move on is a main factor shaping ur future life same here the books reveals the opinions of many people Leave Love with Me William Lawton,2023-09-19 Desire for beauty is at the heart of human existence Some find this meaning out of their religious or spiritual perspective Some find it at the edge of their traditions And others find it outside any recognizable tradition This book speaks especially to the second and third groups of people Desire releases us to explore difference and to honor alternatives Desire shapes our lives in unique ways It centers our energies for personal and relational change where difference can be debated and variety permitted We might transcend circumstances that limit us Desire is more than meaningfulness it is captivation of mind and spirit to life s possibility In my discovery desire is an abandonment to beauty *Sree Krishna; The Lord of Love* Baba Premananda Bharati,2023-10-23 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision *Faith Love and Word* Apostle Prophetess Helen Clement,2014 I call faith love and the word my three musketeers Our confidence and assurance is knowing we can always come to God by faith through Christ Jesus Faith in the Lord Jesus Christ
