

A misty landscape with a large tree reflected in water. The scene is serene and atmospheric, with soft light and a calm body of water. The text is overlaid on the upper left portion of the image.

Love your enemies, do  
good to those who  
hate you, bless those  
who curse you, pray  
for those who mistreat  
you.

Allan, 2025-01-01 Do you doubt whether there s more to the world than what we can see in the natural At Ethan s house Aaron struggled to understand why Ethan had helped him The reasons sounded crazy like nothing he d ever heard of before His friend s unique behaviour had created within Aaron a hunger to hear more He hadn t deserved Ethan s help In a small city in northwestern Ontario a close knit family of believers finds themselves challenged to unconditionally love an enemy who seeks to kill one of their own But is their enemy truly lost to them or to God Along the way these brothers and sisters in Christ discover that they have more in common with this man than it initially appears despite the powerful unseen forces involved For in this world there are two rival families one whose purpose is to destroy and the one whose purpose is to restore everything back to the original design of creation **Love Your Enemies** Sharon Salzberg, Robert

**Love Your Enemies (A History of the Tradition and Interpretation of Its Uses)** John Piper,2012-06-30 Love Your Enemies This is one of the few statements Jesus made that is readily accepted by believers and skeptics alike Its authenticity is not seriously questioned and yet it is a revolutionary command Giving attention to various critical theories John Piper presents evidence that the early church earnestly advocated for non retaliatory love extending it to those who practiced evil in the world Such love was key to the church s own ethical tradition or paraenesis Piper illuminates the Synoptics and

passages in Romans as well as 1 Thessalonians and 1 Peter with non canonical evidence investigating the theological significance of Jesus's love command Originally published as 38 in the Society for New Testament Studies Monograph Series this is John Piper's doctoral dissertation from the University of Munich It is a serious work of Christian scholarship by a long time respected author and pastor This repackaged edition features a new extensive introduction and will be of interest to scholars students and lay people who have training in New Testament studies "Love Your Enemies" John Piper, 1992-01 Jesus commanded Christians to love their enemies in Luke 6:27 but Christians have struggled with this teaching Piper says that behind Jesus' words lies an ancient ethical instruction and its message demonstrates that we are not to choose whom to love **Traditional Christian Ethics** David W. T. Brattston, 2014-10-01 Traditional Christian Ethics features two exhaustive alphabetical lists of affirmative commandments and prohibitions from the earliest Christian ethics as found in writers before the mass apostasy of 249-251 AD The affirmatives or positives list consists of what Christians are were commanded or encouraged to do The other list is of negatives or prohibitions i.e. what Christians are were discouraged from doing similarly arranged The source material for the work encompasses far more than the ten volume Ante Nicene Fathers edited by Roberts and Donaldson It also draws from all writings of the period Christian Jewish and pagan available in English or French translation plus a few Latin translations Some translations have been published only in scholarly journals and some only in the twenty first century Volumes Two and Three form a single exhaustive alphabetical list of affirmative commandments or precepts including mental attitudes i.e. what Christian ethics commanded or encouraged according to writers on Christian ethics before 250 AD Using earlier drafts of this set of books Dr Brattston's articles and booklets synthesizing early and contemporary Christianity have been published by a wide variety of denominations and ministries in every major English speaking country He hopes readers will use them as a starting point for writing articles papers and sermons of their own *Loving Our Enemies* James H. Forest, Jim Forest, 2014 Not everything Jesus taught must be regarded as a commandment Counsels on voluntary poverty or celibacy for instance have been seen as an option for a small minority of Christ's followers The same cannot be said about the love of enemies This does not fall in the if you would be perfect category It is instead basic Christianity which Jesus taught through direct instruction through parables and by the example given with his own life And yet it is undoubtedly the hardest commandment of all one that runs counter to our natural inclinations It is as Jim Forest shows a commandment that calls for prayer discernment and constant practice Along with reflections drawn from scripture the lives of the saints and modern history Forest offers nine disciplines of active love including praying for enemies turning the other cheek forgiveness and recognizing Jesus in others that make the love of enemies if not an easier task then a goal worth striving toward in our daily lives Love Your Enemies Lisa Sowle Cahill, 1994 The author examines the theological bases of just war theory and pacifism especially in the light of the concept of God as that motif illuminates Christian discipleship Differences between the theory of just war and the practice of pacifism

are highlighted in the overview of the history of Christian thought on the subject and the inclusiveness of the ideal of the kingdom for pacifism is emphasized     *'Love Your Enemies'* John Piper,1979     **Beautify the Meek** Joan Evans Walden,2014-11-12 God gives us all a story to tell during sad times happy times and glad times We make endure many struggles in life but we know the outcome is none other than victory We must fight the good fight Some of you may not have found your way but I pray that you find wisdom from one of the writings or poems that were laid on my heart to convey Just know that you are somebody special and God has a plan for your life If you are on the detour road be happy that you can map your way back by way of the cross I can only be true to myself and thank the Almighty God for the revelation that He has chosen to impart through my delivery to you Remember the blessings of the Lord are forever present Just reach outward and upward and grab them every day God loves you and I do too     **Happiness!.** Kelly Chance Beckman,2011     *Love Your Enemies Like They Are a VIP in the Kingdom of God!* Jennifer Griggs,2018-12-06 Love is the foundation of the Kingdom of God It is the one character trait that should be demonstrated to all mankind It is hard to love those who hurt us or cause pain to our loved ones Jesus commands us to love our enemies the same as we love our family and friends It requires a sacrifice of your own feelings and it is essential to walking and living in the Kingdom You may be struggling with loving your neighbors or your enemies and need to know how to get beyond your difficulty This book is a great resource and provides revelation for those who want to walk in obedience to God s commands and live fulfilled in the Kingdom of God As you deepen your relationship with Christ and grow in wisdom and knowledge of the Kingdom you can learn to love When you realize how easy it is you will be inspired to share this resource with others     **Healing Your Soul** Dr. Samuel White, III,2016-02-26 Healing Your Soul starts with a systematic approach to understanding the soul and its ailments Dr White does an extraordinary job of defining spiritual sickness the symptoms treatment and finally the doctors orders which is the Word of God as the ultimate prescription or medication for healing our souls This book lays the foundation for discovering that spiritual healing for spirit soul and body is available and is a gift from God Gwen Graddy Dansby MD FACP Dr Whites genuineness is what makes Healing Your Soul so refreshing His honesty concerning his own need for spiritual healing creates a sacred space for the reader to be open honest and self reflective It is an invitation to trust God and experience his power in new and fresh ways Dr Michael Williams Executive Minister of the American Baptist Churches of Michigan Healing Your Soul encourages us to develop and covet our own personal relationship with God in order to cope with latent sometimes blatant and uncomfortable sins Grenae Dudley White PhD LP Healing Your Soul cuts to the core of sin temptation and the lack of self care which often plagues the fabric of most inner ontological thinking Dr White shares his struggles and successes on how his meditation became his medication for the soul This is an absolute must read book Rev Dr Edwin H Holmes President of the Michigan Progressive Baptist Convention     *"Agapate tous echthrous."* *"Love your enemies."* *A discourse, etc* Robert Wallis BELT,1845     The Conclusion of the New Testament Witness Lee,1985     **Paul's Non-Violent Gospel** Jeremy

Gabrielson,2014-08-28 Rather than viewing the Apostle Paul s many references to peace and non retaliation as generalized ethical principles drawn from Paul s background Jeremy Gabrielson argues that peace and non retaliation should be understood in relation to Paul s history of being a violent persecutor of Jesus followers After his Damascus road experience Paul zealously announced the gospel and abandoned his violent ways His apostolic vocation included calling and equipping assemblies of people whose common in life was ordered by a politics characterized by peaceableness This political dimension of Paul s gospel in continuity with the earliest evidence we possess regarding Jesus and his disciples stands in stark contrast to the politics of both the contemporary Roman imperial power and those who would seek to replace Rome by violent means

**The Neighbor** Slavoj Žižek, Eric L. Santner, Kenneth Reinhard, 2010-06-08 In *Civilization and Its Discontents* Freud made abundantly clear what he thought about the biblical injunction first articulated in Leviticus 19 18 and then elaborated in Christian teachings to love one s neighbor as oneself Let us adopt a naive attitude towards it he proposed as though we were hearing it for the first time we shall be unable then to suppress a feeling of surprise and bewilderment After the horrors of World War II the Holocaust Stalinism and Yugoslavia Leviticus 19 18 seems even less conceivable but all the more urgent now than Freud imagined In *The Neighbor* three of the most significant intellectuals working in psychoanalysis and critical theory collaborate to show how this problem of neighbor love opens questions that are fundamental to ethical inquiry and that suggest a new theological configuration of political theory Their three extended essays explore today s central historical problem the persistence of the theological in the political In *Towards a Political Theology of the Neighbor* Kenneth Reinhard supplements Carl Schmitt s political theology of the enemy and friend with a political theology of the neighbor based in psychoanalysis In *Miracles Happen* Eric L. Santner extends the book s exploration of neighbor love through a bracing reassessment of Benjamin and Rosenzweig And in an impassioned plea for ethical violence Slavoj Žižek s *Neighbors and Other Monsters* reconsiders the idea of excess to rehabilitate a positive sense of the inhuman and challenge the influence of Levinas on contemporary ethical thought A rich and suggestive account of the interplay between love and hate self and other personal and political *The Neighbor* will prove to be a touchstone across the humanities and a crucial text for understanding the persistence of political theology in secular modernity
