Mongoose Anthony Haas, 2008-02 It was a conscious decision while reading Henry Miller's somewhat obscure book called The Time Of The Assassins and then getting into Rimbaud's Illuminations it was a decision to write from my unconscious and Hermitically as well It was a difficult time when I first started on these writings but I'm glad I wrote it down because the past vanishes practically into the vast blue nowhere time is such a sneaky weasel It's been a heck of a ride Gradually though I become less introverted and the poems I think their content and form become more and more public almost a kind of journalism away from the freaky trapped scared and half nutshell crazed Also around the time I started writing these poems I was catching my first real and protracted study of philosophy in particular Nietzsche's The Birth of Tragedy And technically as well as the ideas astounded me really and it really felt great to be able to read and then write hoping to run parallel with philosophy and whatnot This

then these precarious poems where walking the plank is for real is my attempt to climb out of my self the ole mind cage of lonesome fears the shadowland and enter in into the now of the implacable hub of no perspective but that of now If there is a message to these poems its probably just in the inherent fact that one exists lives delves under and to the very heart where mind and soul dance that eternity dance of one any how way and who Race in American Literature and Culture John Ernest,2022-06-16 The book shows how American racial history and culture have shaped and been shaped in turn by American literature **On the Improvement of Society by the Diffusion of Knowledge** Thomas Dick,1833 When the River Flows Out of Its Bed Gaelle Cathy,2011-11 One too many misdemeanors get nineteen year old Eliza Carlisle back from the United Kingdom to finish high school in wealthy Lorien NJ The bad news soon turns into a new challenge for the troubled young woman when she meets Julia a fragile young girl purposely cut off from everyone Determined to uncover the town sized secrets surrounding Julia their relationship grows into a special friendship Unexpected feelings and dangers get in the way Handsome Prince, Come to my Embrace Xiao Mo,2020-02-18 He was originally a traitor to the country and should have died in front of the Darkya Realm He lost his memory and became a substitute wife marrying him On the night of their wedding the man bent over to pinch her chin his ruthless gaze containing a few hints of ridicule and coldness He raised his eyebrows and chuckled What are you afraid of Isn t that what you want A woman who wants to capture him With a candle in his bridal room he tore apart the beautiful red bridal dress she was wearing and stomped on the ground together with her dignity Her unintentional survival had caused her to become embroiled in a bloody crisis making her a debt of hatred In order to let everyone around her live on in peace she was willing to let him have their way but her heart slowly sank It was only when he personally poured that bowl of bitter abortion medicine into her mouth that she fell into despair When the truth was revealed she knelt in front of him tears streaming down her face Her frail eyes were filled with the bitterness of many years Let me go A piece of paper had broken her love but it had aroused his feelings Dancing Tango Kathy Davis,2015-01-02 Argentinean tango is a global phenomenon Through interviews and ethnographical research in Amsterdam and Buenos Aires Kathy Davis shows why a dance from another era and another place appeals to men and women from different parts of the world and how they become caught up in the tango salon culture
