Hegemony and Fantasy in Irish Drama, 1899-1949 P. Murphy, 2015-12-04 Hegemony and Fantasy in Irish Drama 1899 1949 offers a theoretically innovative reconsideration of drama produced in the Irish Renaissance as well as an engagement with non canonical drama in the under researched period 1926 1949 **Symphony of Life** Leticia Gossdenovich Feldman Ed.D Ph, 2013-07-03 Temples fail statues decay mausoleums perish Eloquent phrases declaimed are forgotten But good books are immortal William Vernon **My Love Affairs with Life** Ann Tremain Linthorst, 2012-03 Devastated by the death of Jan her husband of thirty seven years author Ann Tremain Linthorst felt compelled to find a fresh sense of the meaning of her own life A longing for a new love affair surprisingly launched her on an inward journey through her past She found her many life adventures recast as spiritual epiphanies In My Love Affairs with Life A Spiritual Memoir Linthorst takes us along on her daily nature walks her year of seminary study in Scotland and a family pilgrimage to medieval English cathedrals She shares seminal insights from novels by C S Lewis and Charles Williams and the poetry of Mary Oliver Linthorst introduces us to the spiritual teachers who brought healing and transformation and opens up about the funny and painful romance that led to her marriage to Jan a Jesuit priest from Holland Throughout My Love Affairs with Life A Spiritual Memoir Linthorst allows herself to be shown where God has consistently met her in beauty and love Enter into the very process of spiritual self discovery and find a fresh perspective on your own life story O Mistress Mine Richard John Samuel Stevens, 1790 *Love and the Novel* G. Paizis, 1998-09-07 The popularity of romance fiction is such that it constitutes nearly one quarter of new paperback fiction printed in the world Its success depends on its ability to reflect and articulate the reader s aspirations for a better life and stands at the same time as a testament to her alienation This fresh look at the romantic fiction seeks to discover the reason for its appeal by combining analysis of the poetics of the genre with a study of the real reader s intervention **The Abhijnanasakuntalam of Kalidasa** M. R. Kale, 2010-01-01 The Abhijnanasakuntalam is an unparalleled work of the great poet and playwright Kalidasa the brightest star in the firmament of Indian poetry No other component of this poet displays more the richness of poetical genius the warmth and play of fancy the profound knowledge of the human heart that this masterly production The present edition is unique in several essentials The editor has adopted the most popular and appropriate version of the text He has put the variants in the footnotes He has added a short Sanskrit commentary copious notes an exhaustive introduction and several useful appendices The English translation of the text is literal as well as idiomatic It is hoped that this edition will meet the long felt requirement of university students and the general reader alike Rasikapriya Of Keshavadasa , 1990-12-31 revealed by a realised Teacher Vimala Thakar It is also a story about the *Meeting Once More* Elise M. Pr  bin, 2013-05-06 Examines the impact of adoptees on their birth country and birth families A great mobilization began in South Korea in the 1990s adult transnational adoptees began to return to their birth country and meet for the first time with their birth parents sometimes in televised

encounters which garnered high ratings What makes the case of South Korea remarkable is the sheer scale of the activity that has taken place around the adult adoptees return and by extension the national significance that has been accorded to these family meetings Informed by the author's own experience as an adoptee and two years of ethnographic research in Seoul as well as an analysis of the popular television program *I Want to See This Person Again* which reunites families Meeting Once More sheds light on an understudied aspect of transnational adoption the impact of adoptees on their birth country and especially on their birth families The volume offers a complex and fascinating contribution to the study of new kinship models migration and the anthropology of media as well as to the study of South Korea

Writing Lovers Méira Cook, 2005-04-22 In writings by the French post structuralists rhetorical tropes such as speechlessness fragmentation and deflection testify to the writer's difficulty in broaching the subject of love Similarly Cook shows that love poetry proceeds out of a profound failure of language resulting from the opacity of discourse its lack of neutrality or the fugitive transparency of reference Writing Lovers also explores race ethnicity age and sexual identity within the context of the passionate excesses of amatory discourse

A Commentary on Ovid's Metamorphoses Gianpiero Rosati, 2024-02 The first complete commentary in English on Ovid's *Metamorphoses* covering textual interpretation poetics imagination and ideology

The Mirror Margaret Safo (Mrs.), 2006-11-04

The Druid of Harley Street E. Graham Howe, 2012-03-13 In early 20th century Britain interest in psychoanalysis was high leading to the formation of the famous Tavistock Clinic in 1920 E Graham Howe was one of the clinic's founders and the first to publish articles on psychotherapy At the same time he was attacked by the scientific psychiatry and psychoanalysis communities because he took concepts derived from spiritual practice and existential phenomenology and applied them to an understanding of psychotherapy Howe's writings included more than a dozen books and countless articles on a broad range of subjects from schizophrenia to Asian spiritual practices Through these works he exerted a profound influence on intellectuals such as R D Laing Alan Watts and Henry Miller to name a few Howe also wrote in a simple and clear style making his work accessible to the general public The *Druid of Harley Street* samples the best of his essays offering timely insights for followers of Jung Roberto Assagioli and Mark Epstein students of somatic therapies and spiritual and meditation practitioners The book also offers a fascinating glimpse of a great mind the notable people in his life and the heady times in which he lived

Late Life Jazz Ken Crossland, Malcolm Macfarlane, 2013-06-17 When people hear the name Clooney they automatically think of George Clooney one of Hollywood's biggest stars But it was his aunt Rosemary who first catapulted the name into bright lights with a string of hit songs in the 1950s and a starring role alongside Bing Crosby in the immortal *White Christmas* Drawing on interviews with family members managers promoters and the jazz musicians who worked with her as well as contemporary newspaper articles and reviews *Late Life Jazz* tells the unsung story of one of America's finest singers Rosemary Clooney Ken Crossland and Malcolm Macfarlane trace Rosemary's life from her hardscrabble beginnings in Maysville Kentucky through her first performances singing with the Barney Rapp Band in

Cincinnati through her rise to pop stardom in the early 1950s when she topped the Hit Parade with songs such as *Come On a My House Tenderly* and *Half As Much*. By the time the 1960s arrived however personal turmoil fueled by depression and an addiction to prescription medication almost destroyed Clooney's career and her life. She underwent years of therapy and recuperation before she was able to perform again in the early 1970s. Few expected her to be anything more than a baroness of nostalgia but Rosemary had other ideas. Rejuvenated by a series of concerts alongside her friend and mentor Bing Crosby she found a new medium in the midst of America's finest jazz musicians building a second career and with it a reputation as one of the finest interpreters of the Great American Songbook. Vividly written and painstakingly researched *Late Life Jazz* explores the rise fall and final triumph of Clooney the First Aunt Rosemary jazz singer par excellence. Hamlet: Critical Essays Joseph G. Price, 2014-02-03 A comprehensive collection of the best writing about this Shakespearian play both as dramatic literature and theatrical performance this book is an excellent resource companion to the text. This collected wisdom was originally published in 1986. It contains pieces of commentary from as far back as the late 18th Century but also highly acclaimed critical pieces from more recent years organised into six general themes. Poison, Play, and Duel Nigel Alexander, 2022-11-30 First published in 1971 *Poison Play and Duel* explores the dominant symbols of the language and action of *Hamlet*. The Ghost first reveals that Claudius murdered his brother by poison and this act of poisoning is then dramatically presented before the King. The ultimate consequence of the poison in jest performed by the actors is the poisoned play with rapiers between Laertes and Hamlet. This representation of violence and the vengeful response to violence creates the moral and the psychological problems of Hamlet. Critics naturally question and disagree about the way that Hamlet plays his role in this play because the role of Hamlet is a theatrical device designed to bring all human actions into debate and question. It is hardly surprising that audiences have seen mirrored in Hamlet their own most fundamental and inescapable problems. Nigel Alexander shows how Shakespeare like Raphael Titian and other Renaissance artists developed and adapted the imagery inherited from the Christian and classical past. The battle within the soul the choice of life the hunt of passion the triple face of prudence and the dance of the graces are given dramatic habitation in Hamlet's soliloquies in the inner play and in the savage contrast of sexuality between Gertrude and Ophelia. This book will be of interest to students of literature drama psychology and philosophy. *Neo-Victorian Things* Sarah E. Maier, Brenda Ayres, Danielle Mariann Dove, 2022-07-17 *Neo Victorian Things Re Imagining Nineteenth Century Material Cultures in Literature and Film* is the first volume to focus solely on the replication reconstruction and re presentation of Victorian things. It investigates the role of materiality in contemporary returns to the past as a means of assessing the function of things in remembering revisioning and or reimagining the nineteenth century. Examining iterations of material culture in literature film and popular television series this volume offers a reconsideration of nineteenth century things and the neo Victorian cultural forms that they have inspired animated and even haunted. By turning to new and relatively underexplored strands of neo Victorian materiality

including opium paraphernalia slave ships clothing and biographical objects and interrogating the critical role such objects play in reconstructing the past this volume offers ways of thinking about how mis apprehensions of material culture in the nineteenth century continue to shape our present understanding of things **Tamil Love Poetry and Poetics** Takanobu Takahashi,2023-07-17 It is generally believed in India that works of art are made on the basis of the normative works The same is true in the case of Tamil literature of South India especially the case between the oldest grammar and poetics *Tolk ppiyam* and the ancient literature Sangam literature of the 1st 3rd Century A D consisting of about 2400 poems of love and war This book deals with the relationship between them with special focus on love poetry investigating a large number of its technical terms concerning their original meanings and historical changes The ancient love poems had a considerable influence on later literature such as Bhakti literature epics and pur as This is an indispensable work of reference for Tamil love poetry and is also useful for Tamil and Indian literatures The Myth of Hero and Leander Silvia Montiglio,2017-11-01 Hero and Leander are the protagonists in a classical tale of epic but tragic love Hero lives secluded in a tower on the European shore of the Hellespont and Leander on the opposite side of the passage Since they cannot hope to marry the couple resolves to meet in secret each night he swims across to her guided by the light of her torch But the time comes when a winter storm kills both the light and Leander At dawn Hero sees her lover s mangled body washed ashore and so hurls herself from the tower to meet him in death Silvia Montiglio here shows how and why this affecting story has proved to be one of the most popular and perennial mythologies in the history of the West Discussing its singular drama danger pathos and eroticism the author explores the origin of the legend and its rich and varied afterlives She shows how it was used by Greek and Latin writers how it developed in the Middle Ages notably in the writings of Christine de Pizan and Renaissance how it inspired Byron to swim the Dardanelles and how it has lived on in representations by artists including Rubens and Frederic Leighton **A Complete Word and Phrase Concordance to the Poems and Songs of Robert Burns ...** J. B. Reid,1889 **Twentieth-Century Irish Drama** Christopher Murray,2000-05-01 This work provides an overview of Irish theatre read in the light of Ireland s self definition Mediating between history and its relations with politics and art it attempts to do justice to the enabling and mirroring preoccupations of Irish drama
