## Lovers Of Days:

*Every Day Love* Judy Ford,2010-10-01 A peek into love that comforts and thrives Every Day Love is filled with stories and experiences that are often overlooked as insignificant These small moments from the heart of a relationship are actually nothing less than the nuts and bolts of loving Full of tiny tales of lovers quarrels heartaches and glorious triumphs this book gives readers snapshots of the loving nuances that transform our differences into common bonds the small yet noteworthy actions that keep love fresh every day In experiencing these small but lovely moments readers learn from reading Every Day Love how to avoid pitfalls and celebrate the differences between themselves and their love after all wasn't it curiosity about those differences that piqued your interest in the first place Proving that it's the delicate pinch of difference that keeps lovers fascinating and fascinated this book celebrates the effort and determination required to love an imperfect someone Every Day Love proves that the best part about love is the resolve that keeps it lively Love Elizabeth Von Arnim,1925

community of Danbury Forest a quaint neighborhood where families escaping the hustle and bustle of Metropolitan DC played together and supported each other in times good and bad So he wrote a story about that and sent it in to the neighborhood paper Chef Cal initiated what became his hugely popular monthly column The Chef s Corner for the community newsletter In it he shared tales about his family and his life growing up in the suburbs of New York He also wrote about events within the community along with tales of past traditions in his life and others Several of his articles ventured into the world of fiction as he imagined stories that might have occurred Each contribution was accompanied by a tasty recipe often tying the articles and recipes together A long time popular culinary instructor in Northern Virginia s Adult Community Education Program Chef Cal is well equipped with recipes that he knew his students and now his readers would rush to make themselves Ramblings contributions of over fifty recipes include traditional Italian delicacies tasty old fashioned comfort dishes soups and casseroles quick and easy desserts and special holiday treats Also included is Chef Cal s interpretation of miniature apple pies Without a doubt his book will be pulled out to create his meals whenever family and friends are gathered Several times as Chef Cal was writing his stories he found that Miss Kitty the gorgeous white cat that lived with the author and his wife during most of this time had something to say So he wrote about that too In some instances he even let Miss Kitty write her own story While the Ramblings of an Old Man is dedicated to the residents both past and current of that wonderful community known as Danbury Forest it also resonates with communities all across America No matter where you live be it a small hamlet a rural town a village or in a big city these stories are for you Some are humorous others sad Some true some imagined They all however tell a story and offer an opportunity to re create the foods that accompanied it So sit back and enjoy The Ramblings of an Old Man
