The Doctrine of Good Works Thomas H. McCall, Caleb T. Friedeman, Matt T. Friedeman, 2023-07-25 Christianity Today 2024 Book Award Academic Theology In Titus Paul says Christ redeemed a people zealous for good works Despite this declaration and others like it the doctrine of good works has fallen on hard times in contemporary Protestant theology and practice At best it is neglected as in most systematic theologies and in too much church teaching At worst it is viewed with suspicion as a threat to salvation by grace alone through faith alone In this important work addressing a significant gap in current theological literature the authors argue that by jettisoning a doctrine of good works the contemporary church contradicts historical Protestantism and more importantly biblical teaching They combine their areas of expertise exegesis systematic and historical theology and practical theology to help readers recover

and embrace a positive doctrine of good works They survey historical Protestant teaching to show the importance of the doctrine to our forebears engage the scriptural testimony on the role of good works formulate a theology of salvation and good works and explore pastoral applications **Sinners in the Hands of a Loving God** Brian Zahnd,2017-08-15 Pastor Brian Zahnd began to question the theology of a wrathful God who delights in punishing sinners and has started to explore the real nature of Jesus and His Father The book isn't only an interesting look at the context of some modern theological ideas it also offers some profound insight into God's love and eternal plan Relevant Magazine Named one of the Top 10 Books of 2017 God is wrath Or God is Love In his famous sermon Sinners in the Hands of an Angry God Puritan revivalist Jonathan Edwards shaped predominating American theology with a vision of God as angry violent and retributive Three centuries later Brian Zahnd was both mesmerized and terrified by Edwards's wrathful God Haunted by fear that crippled his relationship with God Zahnd spent years praying for a divine experience of hell What Zahnd experienced instead was the Father's love revealed perfectly through Jesus Christ for all prodigal sons and daughters In Sinners in the Hands of a Loving God Zahnd asks important questions like Is seeing God primarily as wrathful towards sinners true or biblical Is fearing God a normal expected behavior And where might the natural implications of this theological framework lead us Thoughtfully wrestling with subjects like Old Testament genocide the crucifixion of Jesus eternal punishment in hell and the final judgment in Revelation Zahnd maintains that the summit of divine revelation for sinners is not God is wrath but God is love
