ever read a book and thought I do not want the main character to end up with the predictable hero I wish she had gotten with the other man instead Well here is your chance to change that scenario and choose whom you would like Lily to love In this book many comical things tend to happen to and around Lily Lockhart as she deals with her job her love life and her family Not to mention her friends So like a lot of us she is simply an ordinary woman trying to survive this modern world and not always getting it right before mistakes come back to bite her on the bum As the quirky but loveable girl just cannot help herself sometimes This is all before trying her hand at a spot of charity work when she decides that life is far too short to spend it selfishly At the start of the year she ends her engagement and before long there is plenty of male interest heading her way We are talking about The Handsome One Sean and The Funny One Tom In addition there is also The Rich One Peter but Lily cannot choose between them Therefore in the closing chapters it is down to you the reader to decide who wins Lily's heart since there is a fun multiple choice style ending to the story Will you pick the boyfriend the best friend or the boss Only one problem she's pregnant so who's the daddy

Socrates on Friendship and Community Mary P. Nichols, 2009 In *Socrates on Friendship and Community* Mary P Nichols addresses Kierkegaard's and Nietzsche's criticism of Socrates and recovers the place of friendship and community in Socratic philosophizing This approach stands in contrast to the modern philosophical tradition in which Plato's Socrates has been viewed as an alienating influence on Western thought and life Nichols' rich analysis of both dramatic details and philosophic themes in Plato's Symposium Phaedrus and Lysis shows how love finds its fulfilment in the reciprocal relation of friends Nichols also shows how friends experience another as their own and themselves as belonging to another Their experience she argues both sheds light on the nature of philosophy and serves as a standard for a political life that does justice to human freedom and community
