**Love's Body Speaks** Caitlin Adair, 2017-11-28 Caitlin has offered the courageous and authentic voice of a wisewoman in Love's Body Speaks Her lived experience and the life transitions and transformations she weathered on her way to that wisdom will resonate with many women Her exploration of the interconnected flow of life and growth in our species gives us hope for a new day beyond gender duality and divisiveness Love's Body Speaks is a call to humanity to mature into an adult species which cares for its members and its home *Sexual and Spiritual Reawakening* Dr. Erica Goodstone, 2012-10-01 Sexual and Spiritual Reawakening is a simple guide to help you live a more fulfilling meaningful and joyful existence We are all sexual beings We are all spiritual beings When we allow our heart to feel love and our body to feel pleasure we are sexual Connecting to our spiritual nature and spiritual potential brings us an accepting appreciation of life Knowing our spiritual essence provides emotional strength and calmness in the face of stormy life issues problems and concerns The goal of this book is to bring you out of yourself and into the joy of connection with others and with all that exists *Negotiating Sexual Idioms*, 2008-01-01 Negotiating Sexual Idioms Image Text Performance affords new theoretical approaches and insights into the complexity of sexual discourse pervading contemporary cultures exploring sexuality's role in dominant conceptualisations of self and society in patterns of political belonging and exclusion and in societal transformations Opening with a substantial critical introduction this collection of twelve essays and creative pieces contributes to significant current debates regarding sexual rights and their violation queer theory and identity politics sexual fantasy formations and strategies of pleasure and the celebration of sexual diversity topics explored through a variety of disciplinary frameworks including gender and film studies religious philosophy neo Victorian and postcolonial literature sociology pornography and performance art The volume positions the subjects of sex and sexuality as crucial to our ethical understanding of the human both in individual and communal terms exploring how claims for sexual subjectivity and citizenship are formulated and the entitlements they entail The analytical insights offered signal important new directions for critical engagement with the socio political construction of sexuality and its strategic deployment within the cultural imaginary Designed to appeal equally to scholars students and general readers Negotiating Sexual Idioms will prove essential reading for those interested in multi disciplinary approaches to reading sex and sexuality within inter cultural contexts from the early modern period to the present day **The Bond of Love: Catholic Teaching on Marriage & Sexual Ethics** Willem Jacobus Cardinal Eijk, 2025-09-10 Contemporary attitudes toward marriage family life and human sexuality have undergone profound changes since the mid twentieth century spurred by a host of social and cultural factors Large segments of the population in the West now hold views on marriage and sexual ethics that are very different from the values and norms taught by the Church Indeed Catholic teaching on the truth of marriage and human sexuality is open to strong criticism including among groups of Catholics and seems at best poorly understood In The Bond of Love Willem Jacobus Cardinal Eijk provides a comprehensive and unflinching account of the

Church's teaching on marriage and sexual ethics dispelling misconceptions and elucidating its truth with grace and clarity. As he demonstrates, far from being a set of arbitrary rules that constrain human freedom, this teaching is instead a deep wisdom for human flourishing anchored in the truth of God and man divinely revealed within Scripture. Tradition and the Gospel. Eijk first locates Catholic teaching on marriage and sexuality in relation to the currently dominant views in Western society. He follows this with an exposition of the fundamental starting point of the Church's teaching on the nature of marriage and sexuality rooted in theological anthropology. Next discussed is the virtue of chastity, the integration of the sexual faculties into the personality, and what it requires of both married and unmarried persons. The volume concludes by addressing practices and circumstances that violate the essence of marriage. This powerful witness to the truth and beauty of Catholic teaching on marriage and sexual ethics is a vital resource for pastors, teachers, and all of the Church's faithful striving to live in the love and communion that is grounded in Christ.

*The Sexual Politics of Black Churches* Josef Sorett, 2022-02-08 Winner 2022 2023 Virginia Ramey Mollenkott Award for chapter 5 Everybody Knew He Was That Way Chicago's Clarence H. Cobbs American Religion and Sexuality during the Post World War II Period by Wallace Best. This book brings together an interdisciplinary roster of scholars and practitioners to analyze the politics of sexuality within Black churches and the communities they serve. In essays and conversations, leading writers reflect on how Black churches have participated in recent discussions about issues such as marriage equality, reproductive justice, and transgender visibility in American society. They consider the varied ways that Black people and groups negotiate the intersections of religion, race, gender, and sexuality across historical and contemporary settings. Individually and collectively, the pieces included in this book shed light on the relationship between the cultural politics of Black churches and the broader cultural and political terrain of the United States. Contributors examine how churches and their members participate in the formal processes of electoral politics as well as how they engage in other processes of social and cultural change. They highlight how contemporary debates around marriage, gender, and sexuality are deeply informed by religious beliefs and practices. Through a critically engaged interdisciplinary investigation, *The Sexual Politics of Black Churches* develops an array of new perspectives on religion, race, and sexuality in American culture.

**Hildegard of Bingen** Maud Burnett McNerney, 2013-08-21 This volume explores the extraordinary life and work of Hildegard of Bingen, the 12th-century abbess and prophet whose interests ranged from music to theology to zoology to medicine. *The Erotic Word : Sexuality, Spirituality, and the Bible* NY David M. Carr Professor of Old Testament Union Theological Seminary, 2002-12-19 Historically the Bible has been used to drive a wedge between the spirit and the body In this provocative book David Carr argues that it can and should do just the opposite Sexuality and spirituality Carr contends are intricately interwoven when one is impoverished the other is warped As a result the journey toward God and the life long engagement with our own sexual embodiment are inseparable Humans the Bible tells us both male and female were created in God's image and eros a fundamental longing for connection that finds abstract good in the pleasure we derive from the stimulation of the senses is a central component of that image The Bible particularly the Hebrew Bible affirms erotic passion both eros between humans and eros between God and humans In a sweeping examination of the sexual rules of the Bible Carr asserts that Biblical family values are a far cry from anything promoted as such in contemporary politics He concludes that passionate love our preoccupation therewith and pursuit thereof is the primary human vocation that eros is in fact the flavoring of life

**That Famous Fig Leaf** Chad W. Thompson, 2019-10-29 Nothing that God created is the source of our human temptation To the contrary The human body is the crown of God's creation consummated by his declaration that it was good That God's people are unable to view the body without sinning is not an indictment of the body itself but of the immaturity of the post modern evangelical mind We live in a culture whose inhabitants spend billions of dollars a year to see each other naked on internet sites and in pornographic films yet are often uncomfortable changing in front of each other in locker rooms or even being seen in a swimsuit on the beach Could it be that we have so profoundly fused the image of the exposed body with sexual gratification that there is no context left for it to be laid bare without evoking either shame or arousal In *That Famous Fig Leaf* Chad Thompson explores the spiritual implications of the physical body and surprisingly uncovers a new kind of freedom from sexual addiction along the way Chad critiques the Christian purity movement for conflating purity with prudery and reveals that changing how we esteem our bodies has the power to heal the hypersexualized body consciousness of our culture
