Anthony Mathews, 2024-08-16 In a world where sexuality love greed and money take on new meanings and death lurks around every corner a captivating story unfolds. Father a sophisticated and wealthy 60 year old man and his 34 year old son both find themselves enamored with a stunning 27 year old single woman. Initially she becomes the lover of the father a known adventurer with a penchant for beautiful young women. However when she meets his son she falls deeply in love and marries him perhaps driven by financial motives. The tycoon her ex lover and now father in law cannot and will not relinquish his love for her. He insists on continuing their intimate relationship even resorting to pressure and ultimatums when she objects. Despite the husband's suspicions it is the wife herself who reveals the shocking truth she has been regularly sleeping with his father both before and after their marriage. A war erupts between the three as life teaches us to smile through the tears. Who do you think will be the first to die? Or is the human being simply a poor customer of life? Life on earth is a journey filled with people we encounter in all seasons. Some accompany us while others remain behind. Those who stay with us will witness our happiness smiles sadness and ultimately our death. In a world that is absurd full of wonders and where death is ever present life is riddled with disappointment. We always need that breath of air to outlet our emotions to breathe heavily and calm ourselves down. There is no such thing as one hundred percent security in this life there are always unforeseen events. Living is an art and dying is an art as well. **Swedenborg's Works: Marriage love** Emanuel Swedenborg, 1907
