Anne Musoke,2014-01-13 In this particular book Annes writing leans largely towards explorative ideas and experiences of love Anne is someone who believes deeply in love and often says to friends family and colleagues that when a person finds love and is able to give and share it freely as well as receive it wholly while protecting it and treating it with honour and respect it is then that one has truly found their purpose in life This is because love is the driving force behind all we do as humanity Anne was fortunate enough to find a true love in her life at a young age and unfortunately that true love also at some point turned into true pain through various incidents within the relationship Anne was left alone to wonder about the high price that one may pay for love Over a period of years Anne began to write and keep her feelings and musings and these all culminate into the collection of poetry in Love of a child Sorrow of a woman After years of working in the mainstream employment field Anne has now taken residence in a quiet peaceful town where she spends her time reading and writing and sharing her life with others in the form of her poetry in the hope that it will bring as much healing joy laughter and introspection to the reader as it did the writer *Love in Sufi Literature* Omneya Ayad,2023-09-27 Focused on A mad Ibn Ajba an eighteenth century Moroccan Sufi scholar renowned for his contribution to Sufi Qur'anic exegesis this book engages critically with his theory of divine love to elucidate his impact on the wider field of Qur'anic scholarship The principal source of analysis is Ibn Ajba's Oceanic Exegesis of the Qur'an which connected theoretical works on the concept of divine love to their practical application a breakthrough in Sufi literature Close analysis of this text is supplemented by a comparative approach focusing on several other eminent Sufi commentaries including those of Ab al-Qasim al-Qushayr and Ruzbihan Baqli Shirazi This comparative approach situates Ibn Ajba's thought in theological and historical perspective engaging with his mystical approach which integrates his theory of divine love with other Sufi doctrines in an accessible manner This approach it is argued left an indelible impact on future generations of Qur'anic exegetes within North Africa and across the Islamic world The book will prove an important resource for academic researchers who wish to explore the vast intellectual heritage that Ibn Ajba left as well as to those interested in Sufi literature and Islamic theology in general Manifesting Self-Love: A Daily Journal for Affirmations and Personal Growth Ciro Irmici,2024-10-02 Manifesting Self Love A Daily Journal for Affirmations and Personal Growth is a transformative guide designed to help you embrace your worth cultivate self love and manifest a life of joy and fulfillment Whether you're just beginning your self love journey or seeking deeper connection with yourself this book provides practical tools empowering affirmations and reflective exercises to nurture your personal growth Throughout this book you'll explore How to overcome negative self talk and limiting beliefs Daily practices to foster gratitude emotional healing and self compassion Tools for setting boundaries embracing your authentic self and living mindfully Visualizations to manifest your best self and achieve your goals Packed with wisdom and guidance each chapter helps you build resilience navigate challenges and stay aligned with your true desires Manifesting Self Love offers more than just a journal it's a life changing resource to help you live with confidence balance and deep inner peace Start your journey today
