Lyrics Sting, 2009-07-16 From the first Police album *Outlandos D'Amour* through *Sacred Love* here are the collected lyrics written by Sting along with his commentary Publishing my lyrics separately from their musical accompaniment is something that I've studiously avoided until now The two lyrics and music have always been mutually dependent in much the same way as a mannequin and a set of clothes are dependent on each other separate them and what remains is a naked dummy and a pile of cloth Nevertheless the exercise has been an interesting one seeing perhaps for the first time how successfully the lyrics survive on their own and inviting the question as to whether song lyrics are in fact poetry or something else entirely And while I've never seriously described myself as a poet the book in your hands

devoid as it is of any musical notation looks suspiciously like a book of poems So it seems I am entering with some trepidation the unadorned realm of the poet I have set out my compositions in the sequence they were written and provided a little background when I thought it might be illuminating My wares have neither been sorted nor dressed in clothes that do not belong to them indeed they have been shorn of the very garments that gave them their shape in the first place No doubt some of them will perish in the cold cruelty of this new environment and yet others may prove more resilient and become perhaps more beautiful in their naked state I can t predict the outcome but I have taken this risk knowingly and while no one in their right mind should ever attempt to set *The Waste Land* to music in the hopeful words of T S Eliot These fragments I have shored against my ruins Sting from the Introduction *The Speaking Voice* Lucian A. Tower, 2015-06-20 I have walked many different paths in several different countries with many different people that I called friends and loves Several times I became lost to my direction and I had doubts in the Omnipresent Sacred Spirit God Allah and hundreds of different names throughout time and even now I have seen valleys of depression filled in by the crumbling mountains of stress and I have seen crooked paths straightened changing peoples lives I knew these changes because I lived with and passed through the valleys mountains and crooked paths This book has poems thoughts and a story or two that I have been writing for many years as I recorded what I have seen what I had dreamed and what my imagination gave to me My Faith my Hope my Prayers and my Imagination are what I hope may help someone else in reading and enjoying these scribed experiences Poetry prayers and imagination are at times hard to understand without the experience from which they came It is a gift and a work of love to all of The Great Spirits People Mitakuye Oyasin Aho Luke Two Spirit Tower 2013 *Love and Other Ways of Dying* Michael Paterniti, 2016-06-28 LONGLISTED FOR THE NATIONAL BOOK AWARD NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS In this moving lyrical and ultimately uplifting collection of essays Michael Paterniti turns a keen eye on the full range of human experience introducing us to an unforgettable cast of everyday people Michael Paterniti is one of the most original and empathic storytellers working today His writing has been described as humane devastating and beautiful by Elizabeth Gilbert spellbinding by Anthony Doerr and expansive and joyful by George Saunders In the seventeen wide ranging essays collected for the first time in *Love and Other Ways of Dying* he brings his full literary powers to bear pondering happiness and grief memory and the redemptive power of human connection In the remote Ukrainian countryside Paterniti picks apples and faces mortality with a real life giant in Nanjing China he confronts a distraught jumper on a suicide bridge in Dodge City Kansas he takes up residence at a roadside hotel and sees firsthand the ways in which the racial divide turns neighbor against neighbor In each instance Paterniti illuminates the full spectrum of human experience introducing us to unforgettable everyday people and bygone legends exploring the big ideas and emotions that move us Paterniti reenacts Francois Mitterrand s last meal in a rustic dining room in France and drives across America with Albert Einstein s brain in the trunk of his rental car floating in a Tupperware container He delves with heartbreaking detail into the
