other people how we know and belong to one another provide fascinating glimpses into the intricacies of human behavior. Intimacy is that moment when our true identity is revealed to another when traumas, fears, and ambitions are shared. Through the ordinary stories of eight relationships, Giovanni Frazzetto has woven an extraordinary narrative of togetherness. He shares the details of romantic partners trapped in a long cycle of attraction and rejection, a single woman who finds herself deep in a fictional relationship with a boyfriend she has invented out of frustration with her love life, and a couple absorbed in a years-long clandestine affair. But intimacy can also extend beyond romantic encounters: coping with the loss of a loved one, dealing with overbearing or emotionally distant parents, or celebrating the joys and comforts of our dearest friends. In *Together Closer*, Frazzetto unravels the components of intimacy in all of these relationships, illuminating the mysteries, challenges, and pleasures of intimacy through a brilliant mix of storytelling and science. **Sealed with a Kiss!** M. E. Cooper, 1988. A new gang of kids is joining the regulars at Kennedy High, and some of them are trouble. Sultry, manipulative Roxanne has set her sights on breaking up the Kennedy crowd, and Zachary falls for Holly, who finds herself drawn to him while her boyfriend Bart is away at college. *Bowker's Guide to Characters in Fiction*, 2003. Durham Executions Maureen Anderson, 2007-11-21. Widespread poverty continued to exist in Durham at the start of the twentieth century. Improvement in working and housing conditions was a slow process. Wages in dominant industries associated with iron and coal were higher than those who still worked on the land in service and elsewhere, but for most families it was a hard existence. The social and economic context of capital crimes are apparent in many of the cases featured in this volume. Alcohol-fuelled jealousy or the need for money was often the prelude to a meeting with the executioner. The voices against capital punishment became louder as the century progressed, but too late for the 55 men hanged at Durham, the last in 1958. Executions took place in private and though witnessed, were not the great public spectacles of the past, but they provided good copy for the newspapers of the day, and the hangmen maintained a celebrity status. *Sweet and Sour* M. E. Cooper, 1987. With her boyfriend Ben neglecting her, Elise decides to go back to her old job at the hospital. Then Justin walks in, and Elise has more problems than ever. **CMJ New Music Report**, 2000-04-10.
