Loving Promises Helen Steiner Rice,1977 *Loving Promises* Richard Matzkin,2016-07-13 In this unique inquiry into the deepest incarnation of love author Richard Matzkin has looked to his extraordinary three decade long marriage to Alice as a living laboratory to research the elements that comprise a truly loving magnificent partnership He has discovered 39 Loving promises statements of intention you pledge to yourself not to your partner that are the behavioral components of a deep abiding love These Promises are a profound path to transform your relationship into a magnificent one Immensely practical I cannot imagine a book that holds more potential to improve relationships Just reflect on one of these promises a day and the sky is the limit Stephen G Post PhD President Unlimited Love Institute author WHY GOOD THINGS HAPPEN TO GOOD PEOPLE Keywords Love Relationships Marriage Friendship Partnership Alice Richard Transform *Love's Promises* Martha M. Ertman,2016-05-24 Blends memoir and legal cases to show how contracts can create family relationships Most people think of love and contracts as strange bedfellows or even opposites In *Love's Promises* however law professor Martha Ertman shows that far from cold and calculating contracts shape and sustain families Blending memoir and law Ertman delves into the legal cases anecdotes and history of family law to show that love comes in different packages each shaped by different contracts and mini contracts she calls deals Family law should and often does recognize that variety because legal rules like relationships aren't one size fits all The most common form of family which Ertman calls Plan A come into being through different kinds of agreements than the more uncommon families that she dubs Plan B Recognizing the contractual core of all families shows that Plan B is neither unnatural nor unworthy of legal recognition just different After telling her own moving and often irreverent story about becoming part of a Plan B family of two moms and a dad raising a child Ertman shows that all kinds of people straight and gay married and single related by adoption or by genetics use contracts to shape their relationships As couples navigate marriage reproductive technologies adoption and cohabitation they encounter contracts Sometimes hidden and other times openly acknowledged these contracts ensure that the people they think of as family are legally recognized as family in the eyes of the law Family exchanges can be substantial like vows of fidelity or small like I cook and you clean But regardless of scope the agreements shape the emotional social and financial terrain of family relationships Seeing the instrumental role contracts will help readers better understand how contracts and deals work in their own families as well as those around them Both insightful and paradigm shifting *Love's Promises* lets readers in on the power of contracts and deals to support love in its many forms and to honor the different ways that our nearest and dearest contribute to our daily lives **Loving Promises Especially for You** Helen Steiner Rice,1975 **The Healing Desert** Mona Hadeed,2013-10 About the Book *The Healing Desert* In the Sands of Time As a cancer survivor I can tell you that I would not be where I am today without my deep faith in the power of the almighty God Along with my personal story of healing and spiritual development I have tried to put my feelings into poems and I pray that you will be able to capture the
