 where church discipline has fallen out of favor in the context of many churches Eric Bargerhuff calls the church to a deeper
 understanding of its nature and purpose as an expression of God's fatherly love towards his people As a biblically mandated
 activity instituted by Christ himself in Matthew 18 church discipline is an essential practice of any faithful church that is
 committed to sharing the Gospel and making disciples Tackling some of the false notions and assumptions surrounding
 church discipline Bargerhuff sets forth a historical biblical theological and practical position that centers its identity and
 purpose on a proper understanding of the cross of Christ Since the punitive wrath of God was poured out for sin on the cross
 of Jesus Christ a penal substitutionary atonement it is therefore necessary to reject the notion that church discipline is
 punishment but rather it should be seen as God's hand of forgiveness and grace extended for the purpose of restoring
 reconciling and rescuing one of his own a sheep that has gone astray It is to be regarded as God's love in the actions of a
 forgiven and forgiving community **Tails of rescue** , Lover's Point Rescue W.M. Kirkland, 2017-12-30 Mathias
 inherited the feral colony his mother cared for and wants to finish her mission to get all the cats fixed and hopefully some
 adopted into good homes He turns to 2 Hearts Rescue where Jay and Cody agree to provide the support he needs He's
 thankful for their help and that of the new veterinarian in town Brent They work well together and a sudden kiss takes things
 to the next level Brent admires Mathias passion for the colony of stray cats and his desire to see them fixed and better cared
 for is admirable And his attraction to the older man is off the charts hot They work well together in handling the cats and he
 knows they'll be very good together in bed It might just be up to him to make the first move *Loving Animals* Kathy
 Rudy, 2011-08-11 In a book aimed at advocates the author argues that in order to end animal cruelty activists need to better
 understand the profound emotional attachment many people have with animals The Violence of Love Kit W.
 Myers, 2025-01-28 A free ebook version of this title is available through Luminos University of California Press's Open Access
 publishing program Visit www.luminosoa.org to learn more The Violence of Love challenges the narrative that adoption is a
 solely loving act that benefits birth parents adopted individuals and adoptive parents a narrative that is especially pervasive

with transracial and transnational adoptions Using interdisciplinary methods of archival legal and discursive analysis Kit W Myers comparatively examines the adoption of Asian Black and Native American children by White families in the United States He shows how race has been constructed relationally to mark certain homes families and nations as spaces of love freedom and better futures in contrast to others that are not and argues that violence is attached to adoption in complex ways Propelled by different types of love such adoptions attempt to transgress biological racial cultural and national borders established by traditional family ideals Yet they are also linked to structural symbolic and traumatic forms of violence The Violence of Love confronts this discomfoting reality and rethinks theories of family to offer more capacious understandings of love kinship and care

As God wills it, it is able to serve as the book of life mentioned in the Holy Christian Bible. Furthermore, any volume offers the Way to the Truth of Life with God by belief in Jesus as the Christ Savior from this world and to Life with God in his Kingdom of Heaven.
