Loving The Earth:

Loving the Earth Fredric Lehrman, 1990 Introduces children to the Earth and its beauty shows how everything on the planet is interconnected and encourages a concern with protecting the environment **Fear Kindness Love / Earth Ascending 2012** Alexander Kiy, 2006-05 Book POD Order 13 46 or 8 5x11 Download 5 00 here This novel is essentially a primer for how planet Earth is going to transform Herself over the next few years and how human civilization on Earth is going to take on a more visible and acknowledged role within the galactic community The events and personalities in this story take place between 1998 and 2002 beginning along Oahu s North Shore with Theo Rainbow a legendary super angel now in human form who directly intervenes to improve Earth s chances for renewal and redemption with the mortal help of Ella Sang The scope of this novel s story includes 2012 related discussions parallel dimensions to planet Earth Nibiru and Vertigo linked by fear based human emotions inter dimensional portals cloaked extraterrestrial spacecraft in Earth s airspace and celestial miracles associated with human romantic love Click on Author s name above for same title availability as a 6x9 eBook PDF Download 5 00 *Earth's the Right Place for Love* Elizabeth Berg, 2023-03-21 This beautiful novel by the beloved author of Open House and Talk Before Sleep tells the story of two young people growing up in Mason Missouri and how Arthur Moses a shy young man becomes the wise and compassionate person readers loved in The Story of Arthur Truluv A poignant tale of love grief and the resiliency of the human spirit Kirkus Reviews A CHRISTIAN SCIENCE MONITOR BEST BOOK OF THE YEAR Nola McCollum is the most desirable girl in Arthur Moses s class and he is thrilled when they become friends But Arthur wants far more than friendship Unfortunately Nola has a crush on the wrong Moses Arthur s older brother Frank who is busy pursuing his own love interest and avoiding the boys father a war veteran with a drinking problem and a penchant for starting fights When a sudden tragedy rocks the family s world Arthur struggles to come to terms with his grief In the end it is nature that helps him to understand how to go beyond loss and create a life of forgiveness and empathy But what can he do about Nola who seems confused about what she wants in life and only half aware of the one who loves her most Full of unforgettable characters and written with Elizabeth Berg s characteristic warmth humor and insight into people Earth s the Right Place for Love is about the power of kindness character and family and how love can grow when you least expect it **Love Earth Now** Cheryl Leutjen, 2018-01-15 How to live sustainably in an unsustainable society and not let the world discourage your spirit Do you find yourself wondering what on Earth you can do about the very serious environmental challenges we face on our planet today Do you worry there s nothing any one person can do that will make a difference Most people say that they would like to do something to make the world a better place but they just don t believe they have the time energy money or power to make a real difference Love Earth Now invites us to explore our own thoughts and feelings about the challenge and to check in with internal guidance about the waste and negative environmental impacts we see on a daily basis While most of us can t stop the Arctic icepack from melting we can decide to make better choices like avoiding

excessive packaging with our purchases walking more and driving less planting organic veggies in the front yard instead of a water wasting lawn and even going as green as possible at work and at home Does your office lack a recycling and composting program Do the research and start one yourself Each chapter concludes with a Diving In section a simple and immediate exercise much like a guided meditation to prompt us toward our own sustainable solutions By practicing eco mindfulness we can discover that one thing we can do to make a difference today and for all our tomorrows This is not only a source of inspiration but a sourcebook of direct actions large and small we can all take to ensure our children and their children s children have a healthy future on this planet Drawing from her experiences as an engineering geologist environmental law attorney small shop owner and mindfulness practitioner Cheryl Leutjen also reminds us about the importance of simplicity and how all our possessions and the constant shopping for more are no better for us than they are for the planet itself contributing to landfills and a tech tethered society that is increasingly isolated Both helpful and hopeful Love Earth Now is brimming with creative suggestions that will get us closer to a sustainable lifestyle one day at a time
