McDowell, Ed Stewart, 2003-08-04 Presents Scripture verses and readings for each day of the year designed to help young people make good choices in their daily lives **From Movie City to Music City, USA** Randall Rutledge, 2008-12 If you're interested in working in movies or making music and you were not privileged to be born the son or daughter of an already established named actor writer or musician that can open the door for you then this book is your guide Should you decide to take that leap from the normal to what everyone else considers the abnormal career choice the advice in this book can not only save you months and years of getting that first background artist job but can also save you hundreds and thousands of

dollars that you do not need to spend in pursuit of the entertainment industry as a career Consider this book a basic training manual a no punches pulled guide to the obstacles that you are guaranteed to face while pursuing entertainment as the industry of your choice The main focus of this book is to educate those that wish to pursue show business regardless of one's area of interest within the performing arts whether one wants to be an actor or writer producer or director songwriter or recording artist They all have one ugly thing in common and that is the con artist They will promise you the world just to empty the contents of your wallet and bank account They will prey upon your dreams so that their gain is your nightmare Let this book be your shield for those that will use unscrupulous and unethical tactics against you While pursuing the entertainment industry as a career you will also be confronted with more obstacles walls and closed doors that will be just as disappointing as getting ripped off One thing you will find is that if you can't handle rejection and do not have thick skin then the entertainment industry definitely isn't for you However if you can keep getting back on that horse no matter how many times it throws you then this book will help you keep dusting yourself off and staying in the saddle Consider me as your wagon master guiding you through dangerous territory with all of its unpleasantness and uncertainties although I can't guarantee the success of your journey through show business as can no one I can at least point you in the right direction so you won't be lured off the beaten path by the bandits that hide and wait for you There will be those that will tell you that you will not succeed but in my opinion if your only goal is to work in movies and you only work as a movie extra then you have succeeded as success itself has many levels and one has to start somewhere Trust me some of today's big names were also once told go home you'll never make it and now they have a net worth of over 600 000 000 00 You may never become the 600 000 000 00 man or woman but no matter follow your heart do what you love and love what you do
